DATE: 12-18-19

Comic Book

Sanders E. Brown Jr
SMCC # 3572073
2880 N Pleasant Hwy
St Marys, WV 26170
This is a story about how Voice to Skull technology manipulates targeted individuals into committing very violent crimes all over the world...
Owlism

V2K Made Me Do It.

10-27-88

by Sanders Brown
Our theory is the Criminal Justice System knows of the V2K operation in America but turns a blind eye to its complaints...
V2K

The Targeted Individual Program.

By Sanders Brown
American Prisoners need the A.C.L.U. to do a thorough Investigation on these V2K experiments.
Eberhart

Did you know the West Virginia Attorney General stopped Sanders E. Brown Jr. from getting the H-SCADA scans done by Melinda Kidder while AT Denmar Correctional Center?
Ginky

Organized stalkers have a way to electronically harass targeted American prisoners that is well hidden from the general public...
Courts have denied all American prisoners complaints of experiencing symptoms of voice to skull technology.

By Saunders Braun
Jenny

Do you know true stories can be told by comic characters in comic books?
OWLISM & SOBO

Did you hear the one about where American prisoners are finding transceivers in their teeth?

Has to be put in the teeth when getting fillings...

by Sanders Brown
How many American Prisoners was under the influence of Voice to skull technology when they committed the crime their in prison for?
Do you think the judge knew targeted American prisoners was under the influence of voice to skull technology when he sentenced them to life in prison?
Did you know 73% of homeless people living on the streets are under the influence of voice to skull technology?
Did you know 64% of the people in mental hospitals are under the influence of voice to skull technology?
Did you know all mass shootings are done by people who are under the influence of voice-to-skill technology?
he knows...
be murdered because of what
of this comic strip will
I'm thinking the author

Weiff

The perpetrators have indicated the connection to my brain not only allows them to read my thoughts, but also literally see what I see.
American Prisoners complaining about hearing voices and seeing things...

Sounds like voice to skull technology...
Witty & Bitty

Who are the organized stalkers electronically harassing American prisoners?

Good Question...

Jay Sanders Brown
I continue to receive voice to skull transmissions (VKK - a military term) with the individuals speaking to me, insulting me, and constantly making threats on my life and health.
Ginky & Witty

Dreams are like simulations.

Visual images on call and spontaneous...

By Sanders Brown 52
They said I had been connected to a satellite surveillance system, controlled by a highly sophisticated computer network.
Owlism

I was made aware that I was under V2K surveillance 24/7, violating my 4th Amendment rights. The voice transmissions are highly disruptive and psychologically traumatizing.

Oh Sanders Braun

55
Eberhart

When will the F.B.I. take time to investigate American prisoners complaints of experiencing the symptoms of Voice to skull technology/synthetic telepathy?
Dinky & V2K

- O.S. Organized Stalkers
- T.I. Targeted Individual
- PERP Stalkers or harassing members of OS
- E.H. Electronic Harassment
- V2K Voice to skull technology

by Sanders Brain
How many covert experiments have and still are taking place to American Prisoners in prisons and jail in the United States?

Very Good Question.
Did you hear the one where Gang members in American Prisons have transceivers in their teeth placed there without their knowledge?

Word is getting around...
Ginky & Jenny

The American Prisoners need your help on proving they are being electronically harassed by Voice to Skull technology...

Thank You.
Scilion

I'm experiencing 24/7 voice to skull technology, verbal Abuse.

By Sanders Brown 61
Witty & Bitty

Did you hear the one where prison riots are really caused by the use of voice to skull technology on the prisoners?

MANIPULATION OF THE PRISONERS MIND THROUGH ELECTRONICS...

By: Sanders Brown 62
Ginky & Jenny

Did you know alot of Authors claim their books are Fiction when actually their story is NON-fiction?

I've heard that before...
Take time to investigate the dialogs in these comic strips. In the future Attorney's will be lining up to take American prisoners cases.

by Sanders Beach

64
Did you hear that 73% of homeless people are under the influence of Voice to Skull technology experiments?

I've heard others talk about that.

by Sanders Brown
Eberhart

The West Virginia Attorney General stopped Sanders Brown from getting the H-SCADA scans done by Melinda Kidder...
V2K causes very high levels of stress to the targeted Individual. And over time kills the targeted Individual...

by Sanders Brown
67
Sanders Brown works in prison laundry during the day and works on his comic strips before and after work...
Bitty

I have 29 cemetery plots in the coal miner section in Woodlawn Cemetery in Bluefield, W.V. Love to sale them.

$ worth 63,000.00
will sale for $28,000.00
