"Prayer"

Ask, you shall receive, (been or believed)
I believe I have not seen God, I
heard his voice speak to me, or

have confessed my sins, repented,
ask for forgiveness, been baptized,
saved in prison in Jesus name, I
said the saviour prayer, begging
for mercy, I thought one day Islam
was the way to God, I prayed
five days seven days a week,
I believed in Allah, join the
nation of Islam, convert to muslim,
changed Bible for a Quran, I
could not understand Islam,
Allah was not God, like Jesus
died for the world, the honorable
Louis Farakhan, Elijah Muhammad
Sammad, master Farad in the
form of Allah, prophet Muhammad,
spoke truths, but I needed a
church not a mosque to worship
God, I could be wrong, Hell is
Hell, the devil is the devil, God
is God, dead is dead, I die, fire
is fire, heavenly father please
don't send me to hell, I know
I'm a sinner, Purnell is love,

world vote for me, our words
become powerful, words from my
heart, mind, soul, bury the hole,
underground, I love my life, but
now I'm dead, for the moment
I'm alive, if you read this poem
after death, then I'm dead,
read my book, think about
Purnell, look the world through
my eyes, tell me what you see,
exactly, death.

"Book"

"Father"

You gave me birth to my mother, you
had sex with my father, I grew up
fast, 10's baby, dad, where's my
dad, father figure, you could have
paid child support, bought Purcell
a trust fund, put a guardian over
my account, or bought me stocks
and bonds, \$500.00 wasn't worth
that much money to give to a son,
give me an estate, I could have
been a rich kid from a rich family,
if you was smart enough to open
a store, sell houses, trade stocks,
make an investment that would
have made you a millionaire,
now I'm grown own my own,
I believe, honor my father and
mother, oblige to God, thanks
for making me a poet, thanks
for letting me write a poem,
help me find a wife, have a baby,
