Dedication

I'd like to dedicate this book to those who are closest to me. But most importantly I want to dedicate this book to the man who blessed me with this beautiful gift. I couldn't have written this book if it wasn't for my Heavenly Father. Thank you Lord for blessing me and giving me a chance to share my gift with others. I want to thank my parents for showing me that I can be anything in this world if I just put my mind to it. I want to thank my grandparents for believing in my dream as a writer when everyone else around me felt like it was a waste of time and energy. I want to thank my two handsome young boys for being my motivation to follow through with this. Mommy loves you both! I also want to thank MCIW for setting the atmosphere for this book if it wasn't for prison I wouldn't have had a relationship with the Lord. Thank you guys and stay blessed. xoxoxoxoxo

Sincerely,

Asia Carter

God's Child

Introductory

Hello, my name is Asia Cutler and I am an inmate currently residing in a women's facility. This book is based on my flourishing relationship with God. How I was at my weakest and my strongest in this place that is my temporary home. At times I felt so lost and alone. So writing was the only place I could turn to. I have always been a writer but this is to me the closest of the close when getting to know the true me. I was scared and afraid so talking to God in my poetry, as well as, song was the only way to set me free from captivity. So I pray and hope that whomever gets the opportunity to read this will get a better understanding not only of who I am but who God is to and within me.

BY: Asia Cutler 431408

God's Child

"Open Sesame"

As I open my eyes. I am no longer surprised by your exquisite embrace. Lord, you have showed me time and time again your undeniable mercy. Your undying love for me is so pure that I feel as though I am undeserving. Unworthy of your trustful word. There is no one like you Lord. Nobody better that could ever suffice in the near future of things.

For there is no other God! No idol is worth losing your touch on ones life. You made it loud and clear that you are a jealous God. That no one shall come before you. Which is true, oh Lord. Forgive for the things I done. Close your ears to the forbidden words that I have parted my lips ton say. Give me a chance to make it right again. For I am a lost soul committed to the oblivious nature of this secular world.

I need you, oh Lord do not part from me God. The anointing you have placed on me. Lord of lords renew it and shut the doors of unwarranted sin. Make me righteous Father. Open your arms to me God. Let me climb your lap and place my head upon your burly chest. Wipe away my tears of shame. Wash the top of my head clean.

These ashes that caress my flesh. These rags that were once full of richness and deceit. I beg of thee take me away from my misery. Let your joy cover me, oh Lord. Peace be still. Surround me Holy Spirit. Holy Ghost baptize me with your fire. I praise you oh Lord even when it hurts. I shall thank you throughout all my days. Bless your name, oh Lord! For you are worthy in all your ways.

BY: Asia Cutler 431408

God's Child

"Salvation"

When you feel weak.

Call on the Lord and He'll be there to strengthen you.

When you cry.

The Holy Spirit is there to comfort you.

If you fall. Don't even worry because God is there to pick you back up and carry you through.

As you lie asleep.

God sent His warrior angels to protect you in the midnight hour.

When you're feeling confused.

Maybe even battered and bruised.

Call on the Lord to help you discern your next move.

No more pain or tears of rejection.

Because Jesus is here to heal you throughout your shame.

When you feel that all is forgotten and nothing has changed.

God is constantly giving you signs that He's listening even when it rains.

Although, you may feel you're unworthy of His undying grace.

If you feel lost.

Ask yourself what will it cost.

To open up your heart and confess with your mouth.

That Jesus is my Lord and Savior.

And because God loves me Jesus gave His Life for me so I'll be free on Calvary.

BY: Asia Cutler431408

God's Child

"Cries"

There's no other place that I'd rather be except in your arms. Lord I'm so lost without you. Feeling like my life is flashing before my eyes.

Looking back on my past and realize it was all because of you that I am still alive. Crying tears of pain because I've been lied to neglected and rejected.

Begging you to give me peace. Come set me free from baggage.

Chains suffocating me.

Yokes blinding me.

Lies hindering me.

Sin covering me with filth.

Lord take it all.

I give you all of my baggage.

Let my cup overflow with your undying love.

Let every single praise that come from my mouth make it above.

You are my world.

Beginning and end.

You created me.

Made me brand new.

Let your anointing take full control.

Holy Spirit baptize me with your fire.

Make my heart anew and Cleanse me, Lord.

Rain over me covering me with the Blood of Jesus.

God's Child

"My Confessional Plate"

I have done so much wrong that it's unexplainable. I had no idea how possessed I was until I got close to God to realize who I really am on the inside. I never thought to focus on the reality of my deliverance because I had no recognition that I needed to be delivered. I was so stuck in my ways that I chose constantly and consistently to stay in my own messy ways, as well as, filth. I was so disgraced by my own presence that I didn't know what to do at times but sit in a corner and cry myself to oblivion.

Never thinking to praise a God I knew nothing about. I believe there wasn't such a thing called spirituality because I was yet not born in my own faith but my family's instead. How blind and deaf I was. Will somebody rescue? Wait, did anybody hear me?! I realized that people only see the worse in me but can never fathom me becoming a rose instead of a dandelion.

I can't help but thank God again and again for keeping me. I'm in love with Jesus but I keep cheating on him for trips to the club with Satan's world. I need help so he told me to open up my mouth and praise him. So what else to do but pray and sing. Song is my strength. So, I'm just going to sing until deliverance comes through the Word.

BY: Asia Cutler431408

God's Child

"Because Of Me"

Jesus I call out to you.

Jesus I reach out my hands to you.

There's never a dull moment when I worship you.

That's why you're high....high on my list.

The one and only God I truly know.

I exalt your name.

See many days.

Many nights I sit on my bed and cry.

Trying to figure out why I'm here.

When you're the only reason I see.

Because of you.

I am now free.

Free from the bondage of misery.

You give me love.

You blessed me with your grace and mercy.

You're the only father I NEED.

Through Jesus I find nothing but honesty and happiness.

Thanks to you I can appreciate.

I come to you bare, nude, and bruised.

Lord, I am yours to mold.

Your hand is what I shall hold.

Never will you leave me or forsake me.

Your will I choose to follow.

Lord, please hear my cry.

Whatever is causing a hindrance between us may it be erased.

I am nothing without you.

That I know and I believe

BY: Asia Cutler431408

God's Child

"God- My Soul Mate"

God has risen me from all evil

He has given me all I need in life

He helps me to strive.

Reach all of goals.

Not all at once.

But one at a time.

I have no time for worldly pleasures.

Because all my time goes to the Holy Spirit.

He has shown me that love is kind, gentle, sweet, and beautiful.

While the devil portrayed love to be mixed up as lust, betrayal, hatred, and abuse.

For I do not need an excuse to why I serve God.

Because my very breath alone is living proof why I have chosen Him.

Working with the devil and trying to gain Everlasting Life is not slim....it is IMPOSSIBLE

Money, cars, houses and name brand labels.

Does not create happiness nor satisfaction. It creates problems and turmoil.

For all these things is of the secular world.

The devil lusts for us.

Am I going to give him what he wants.

Just because it is simple and fast.

But truthfully will it even last.

No!!!!!! it will not.

It will destroy me

God is who has set me free.

And free is what I shall stay

In the name and blood of Jesus Christ who is our Lord and Savior.

God is in me and I am his.

BY: Asia Cutler431408

God's Child

Page 8

"From The Past To My Future"

I never meant to hurt all the innocent people that have crossed my path.

But every time love gets close I back up and fight away the good.

They try to save me from the devils play pen.

But I'm too stubborn to leave what I've known for so long.

Look at the angels of white as the enemy.

Stare at the demons like they've crossed the line.

My line of safety.

The line of loneliness.

Not realizing it is Satan putting a cover over my eyes.

So that I can't see him drowning me in all my messy ways.

Hating who I was but disliking the change of scenery.

I know that when the people who I thought were my friends turned their backs on me... it was all because I was changing for the better and they knew that I was leaving all of them behind.

Did I want to leave.

NO... but it was only one choice.

Die to the light.

I rather die and be resurrected as a new creature of light and feel no pain but only peace and nonstop giggles.

Than die and feel this burning of poison squeezing my heart and scrambling my mind to no return.

Now my eyes are open and I see what I never saw before...

The world of destruction.

I see what my daddy in heaven has been trying to get me prepared for a while back.

Only I was too stubborn and hard-headed to listen.

This place of snakes and wolves is not a playground but a blink of an eye.

I start feeling comfortable and get sucked back in.

But then God sends His angels to wake me back up

And I open my eyes and start kicking and scratching these demons off my back.

Daddy lets me know..... STOP LETTING MY HAND GO!!!!

I look up to the sky and cry.

He says go ahead tears cleanse the soul not make you weak.

I ask why wont he just leave me alone to die in my own vomit.

He says because I created you for a purpose and that purpose is to love.

Daughter do you love me?

I say" yes daddy, I love you.

He then hits me with this....

If you really love me then why can't you love my people, as well as, yourself.

So again do you love me.

That's when it finally hits me.

SURRENDER MY ALL.....

OR DESTRICT BY MY CONSTANT FLAWS!!!!

BY: Asia Cutler431408

God's Child

Page 10

"The Lie I've Lived With For Too Long"

So many years I've lived this lie.

The lie to claim homosexuality.

As if it was the very piece of my being.

I know that deep inside my heart of hearts I am not to forever be attracted to women.

For I am a woman myself.

A bearer of children.

A wife to an unknown man.

A nurturer in all ways than one.

But I still feel so comfortable in the shoes that I walk in every second of the day.

Yet I can't seem to let go of this burden.

13 years I have been with this monster inside of me.

It's like a disease of cancer that just keeps coming back.

I shake it and get chemo therapy and treatment to fix and patch me up nice and clean.

Then like clockwork it creeps back up on me.

I'm with a woman now.

I feel like that verse from that R. Kelly song "Bump and Grind"

"my mind is telling me no but my body my body is telling me yeeeeees"

They say it's easy to kick a habit.

But.....not in my case.

I have an addiction problem.

My addiction is to have what I'm not suppose to have or want.

My biggest one yet is the attraction to women.

God says you are my daughter and you will listen and do as I say.

Page 11

I stop and look to the sky and pitch a fit because I feel like I should be allowed to follow God and do what I want as well.

But I know I have to be one or the other.

Hot or cold not warm.

So now I'm fighting with myself and this monkey on my back that I'm not ready to kick to the curb.

HOMOSEXUALITY!!!!

There's no need to try to understand why I can't just be with a man.

It's just plain simple!!!!

I Don't Want To!!!!

God made Adam and Eve.

Not Adam and Steve or Eve and Felicia.

Eventually I'll get sick and tired of being what I am not.

And be who I am called to be.

BY: Asia Cutler431408

God's Child

Page 12

“He Catches Me Every Time”

My heart cries out for the love that I NEVER RECEIVED AS A CHILD.

My soul bleeds from the many bruises that I have inflicted upon myself.

But I continue to walk with my head up high.

Because my strength comes from GOD above.

I no longer cry out in agony.

I now cry out in joyful tears.

Why?!

Because He still loves me.

Kept me from killing myself.

He continues to heal me from my hurt.

I had fallen numerous times but I knew He would always be there to pick me back up.

I may get lost but He always finds me and brings me back home.

I was bound by much evil.

But I am now free.

The devil tries to stop me.

The devil thought he had me.

But my daddy said no you can't and won't have her.

As it is written...

James 4: 7- SUBMIT TO GOD, RESIST THE DEVIL, AND HE SHALL FLEE FROM YOU.

I call out my breakthrough in the NAME OF JESUS and PLEAD THE BLOOD OF JESUS over my whole life and everyone elses.

BY: Asia Cutler 431408

God's Child

“Never Forsake Me”

Let me speak my piece.
So that I may give you an understanding of who and what I am.
I fear not of mankind and mother nature... but of the POWER and MERCY of God.
I dare to tell you not beg of thee.
Do not dare to part your lips nor have mere thoughts to categorize me.
For you do not even know me.
Nor do you really see me.
You see my person.
Hear my words.
But... yet to really listen and get to know where my mind and heart is at.
Who are you to judge.
When you are not even God.
How dare you speak blasphemy.
Do you not realize how hypocritical you are.
Thou shall not judge for he will be judged.
Those who have not sinned may he be the first to cast a stone.
I am well aware of my own imperfections for I am nothing but a sinner.
But I refuse to run from my many mistakes because I know that it will be turned for the good and be a testimony
some day.
Are you not like I.
An imperfect human being that is poisoned with sin.
Dare not treat me like an outlaw.
For you may need my presence one day.
I cry not because I am weak but because i am capable of showing true emotion.
Do you not wish for world peace and tranquility.
no...you do not.
For you only care for riches and spoils.
Hatred and lust.
Forceful fate and revenge.
Do you not care to change your ways
So that you may be of a valuable companion.
So that you may help someone else be of a positive attraction.
Do you dare continue to use God's name in vain.
For your meaningless prayers.
Why do you constantly fill God's ears with empty promises and false praises.
Do you have no shame
have you forgotten the love of Christ.
Do not bare your teeth at me
For I do not wish to follow those of the secular world.
But a follower of Christ.
A soldier for Christ our Lord and Savior.
A lover of many forgotten.
No sin is greater than the next.
So I ask you....
Do not point your finger at me unless you're able to look into the mirror and point at yourself.

God's Child

"My Heavenly Vows"

See I'm at the alter about to say my vows.

When I suddenly realize this isn't fake.

The wedding is actually really happening.

My mother asked me "who is the lucky man".

So I turn to my mother and I look deeply into her eyes and I say....

I'm marrying Jesus.....

I give you all of me.

Free at charge.

It costs nothing to give my life to you.

I vow to be faithful and true.

Loyal under all circumstances.

To praise, honor, and respect.

I promise to cherish and to hold up my cross through sickness and in health morning, noon, and night.

Til' death do us part on earth as it is in heaven we shall be reunited to eternity again.

Committed by undying faith showed through actions, as well as, words of ministry through God THE FATHER, Christ Jesus THE SON, The Holy Spirit.

Married to the Holy Spirit and Jesus Christ is my husband and my wedding band is my bible.

My wedding dress is the blood of Jesus.

My father Jehovah Elohim walked me down the aisle to my loving husband.

That blessed man named Jesus Christ.

When the pastor asked me to say my vows.

I looked up to the sky and all I could say was JESUS.

Then I cried out on my hands and knees bare and nude... saying Jesus I vow to commit to you in love, peace, faith, belief, joy, through praise and only magnifying your name.

I shall never serve another name.

Because greater is HE that is in ME than he who is in the world.

I will follow you through all walks and ways of life.

My faith will not waver.

If it starts I shall come to Abba Father who is in heaven immediately.

I will never seek another husband nor break our vows.

If I were I will immediately go into a quiet place and repent for my sins.

Because with you I will love and live with and for in eternity.

And with this.... Jesus I take you to be my lawful and beloved husband to love and to cherish forever and ever.

I DO!!!!

BY: Asia Cutler 431408

God's Child

"Lord Help Me"

I know to love my sisters and brothers even the ones that are an agitation to me.

So I ask you LORD please help me.

Hear my cry.

Only you can bring me through this.

For they do not know what they do LORD.

They do not know you LORD for they do not know your son Jesus Christ.

For if they did... they would come to your holy house with humble hearts and clear minds that are on one accord.

Which is with our Lord and Savior Jesus Christ.

As you are teaching me the same to do as well... which is not to just consume every drink of your LIVING WATER but to also do in action as well.

Father God, I know for a fact that even though I do not see you that in faith that you are real and true.

But most of all, that I am and can do nothing without you.

I ask you as humbly as I know how to please bless me with your grace and mercy Abba Father.

Forgive me for my wicked ways Father God.

For I am only a babe at it's awakening oh God.

I cry out in the name of Jesus , oh God to have mercy on my soul for I am unworthy.

I worship and serve only you.

It is written.... Choose ye this day whom ye shall serve.

And I choose you...

Have your way oh God.

Come into my heart and turn it into flesh.

Lead me not into temptation oh God.

Please God all I ask is for you to clean me up.

Page 17

Take me as I am God

Dirty and battered a wretch that only wishes to be born again by the blood of Jesus.

Wash me whiter than snow oh God.

Give me strength.

Teach me to love your children as you love me and I myself.

You are worthy to be praised.

I can't thank enough oh Lord for all you have done and are still doing.

Blessing are those who are meek.

All I ask from you is to have your way.

AMEN

By: Asia Cutler 431408

God's Child

Page 18

"My Cry of a Faithful Yes!"

Sick of all the mess that I've created in my life.

Tired of all the turmoil and mayhem I've placed as a heavy weight on all who love me.

Keep on crying because these walls keep on closing in on me.

Can't break free from these bondages that are like heavy duty chains choking me.

Reaching for another breath but suffocating myself with every sin I commit.

Losing myself in a place of darkness.

So I fall down to my knees and make my face touch this holy ground that belongs to God.

How unworthy and filthy I am.

Yet he saved and kept me anyways.

Seeking His face is all I could do.

Because I can't fight the battle.

I tried so many times to do it myself but got no where.

God please take hold of everything.

I cry out in faith no longer desperation.

No more will I be a team member of the devil's games.

Because I no longer am filled with shame.

All because I said yes to God.

BY: Asia Cutler 431408

God's Child

"God's Child"

I used to be so lost.

So full of pain.

Wrapped up with shame.

Figured there was nothing left to gain.

I screamed.

And I shouted.

Yelling at the top of my lungs.

Crying tears for so many years.

But then it happened.....

I heard a whisper.

GOD'S WHISPER

Telling me

Child of mine

Why do you cry.

Look up to the sky

And you know what I saw

My little angel

Coming towards me

He wiped away my tears

He gave me a reason to smile

A reason to breathe

He saved me

Now I am free

I understand what and who I am

God's creation

Many of blessings

God has given me

I'm so glad that I heard

GOD'S WHISPER

By: Asia Cutler 431408

God's Child

Page 21

“That Life Growing Up”

A childhood that is unexplainable

An attitude that is self absorbent

Scars and bruises that is self explanatory

Love that was never felt but found

A hard heart that is filled with

Hatred, jealousy, and anger all in one

The eyes of a misguided woman

The lips of a unforgiving mind twisting child

The brain of a confused and misunderstood individual

Selfish

Arrogant

Disrespectful

All these things are what's inside my heart

Love

Compassion

Talented

Helpful

All these things are the ways of my spirit and soul

Lonesome

Misunderstood

Judgmental

Outcast

All these things are the many issues stuck in my clouded mind

Page 22

I was ungrateful for what and who I did have in my days of growing up as a baby to now at the age of 25.

All I wanted to do was run the streets and be a knucklehead. But deep inside I really just wanted my mom and dad. Nothing else mattered not even God. I didn't care what attention I received. As long as it was there.

The lack of attention and self control was so great that I tried to murder my own self many of times.

God gave me test after test, quiz after quiz, and lessons after lessons.

But I failed one after another

Why? Because it was just way too much fun being the clown instead of the teachers pet.

I wanted pennies instead of nickels, dimes, and quarters

It didn't hit me where my life was taking me until God sat me down inside MCI-W with a sentence of Life asb 30 yrs.

All for a crime that I never even committed let alone seen even though I was present at the scene of the crime.

I'm only 25 yrs old and I've yet to even experience life

But here I am stuck

God really did knock me upside the head this time

But for a good cause

I can actually see clearer now

Some day I'll be home

That hard knock life isn't what it's all cracked up to be

Instead of 6ft under

He gave me a second chance

He saved me

That's why I can truly believe

He set me free.

By: Asia Cutler431408

God's Child

Page 23

"Humility (We Need To Bend and Bow)"

Humble

We should be

But how many of us are able to submit without hesitation

Shout we might

But is it praise of our own free will

Or is it ricocheting off someone else's praise and love

We say love but can we easily show love to all

Stubborn we are

In submission we shall become

Never leave God does not

But it is us who lets go of his hand so easily

When things is not bending the way we want them too

When all trouble starts to hit the fan

When everything is just too much to handle

That is when we decide to turn back

Look and say

God where are you

But wasn't it us that had turned our backs on him

Not the other way around

By: Asia Cutler431408

God's Child

Page 24

"My Imperfect Being"

The beauty in which I stand is not of my own

But of God alone.

I've lived in my sorrowful transgressions for many years now

But who is it to blame

I will not cover myself with startling shame

I give up my life as if it's a sacrificial game

The tears that streak my face

Are the tears of pain

God knew me before my parents conceived me

So why is it so hard for me to follow His Son

Am I not ready to give up all things

As He has given his very own life for me

Oh how I wish to just be free

Free from all these dead leaves on horrific tree

Homosexuality

Thievery

Sexual desires

Money

Greed

Pride

Anger

Pain

Dishonesty

Page 25

Unhealthy problems

Low self-esteem

All these things are not of God

But yet He still loves me and accepts me.

Broken

Battered and bruised

Alone

Dirty and filthy

Covered with rags

He covered me with open loving arms

My heart is heavy

Yet I try to keep my walk steady

Some day I'll be here

Walking in the ways of Christ

Baby steps at a time

So you tell me

Can you.....

Define the relationship

By: Asia Cutler431408

God's Child

"Revelation"

Blessings come at the break of dawn

Breakthroughs come in the break of night

Chains are broken soon as one opens their mouth

Praises go up while blessings fall down

But when blessings fall the Holy Spirit brings light in the darkest of days

With a merry praise and a joyful prayer

Our stormy days are of no existence

Why do I say this well let me show you proof

The moment you wake up... there's your blessing

The moment you cry out in faith... there's your breakthrough

The moment you shed a tear... you have deliverance

The fact you are alive despite all you've done wrong

You've received your revelation

Your purpose

Your calling

Your anointing by the Blood of Jesus Christ

It is Already Done

For the former things have passed away

By: Asia Cutler431408

God's Child

Page 27

"How To Deal"

What do you say to a person whose in grief.

Well? You say nothing

You pray silently

Not for them but the spirit in them

You pray life into them

We simply say we understand

When really we don't

Because we are not that person

We are not inside their pain.

But do you wish for them to have healing.

Or do you simply say I'm sorry

Praise His holy name in all things the good and the bad

When you're happy and you're sad

It is all because of Jesus why we have God's grace and mercy

BY: Asia Cutler 431408

God's Child

"Turn Around"

I have reached a point that I no longer want to be "That Girl" any more. The chick with the messed up attitude. The child who is too immature and hype. The girl who was confused. I will not be a victim any longer. I am a strong colored young woman. As I sit in my cell on this very cool night on a Sunday of September 13, 2015 in complete darkness with just enough light from out "there" I begin my story. I have decided to fast for a spiritual closeness with my Heavenly Father. His name is Yahweh or Jehovah in Hebrew which means Lord.

My God that I have never really even thought to actually put first in all I do, say, think, and feel. I came to a realization tonight that I am selfish. It was always all about Asia La' Trice Cutler. Basically, I worshipped myself, as well as, other gods. I committed idolatry. But did I care.... Do you want the truth or the lie. In all honesty no I didn't care nor ever tried to either. Do I care now? Yes I do. I used my lost childhood as a clutch for 25 yrs. I had to literally tell myself... girl grow up. Was I ashamed at first? Yes. Am I now? Nope because I have Jesus. For so long I've chased pleasures that tasted so bitter yet smelled so sweet. I had a wake up call. There's nothing sweet unless it's God's Word. Why because God never lies or breaks a promise. Worshipping that beautiful man is so yummy it's like buttery popcorn to a movie fanatic can't get enough of His love that you can't help but to scream Hallelujah. See there is so many religious preferences in my family but I've chose to stick with one which is Christianity. Can I say that I'm a devoted bonafied holy to the bone Christian? If I told you yes then I'd be considered a liar. Because I'm not. I'm working at it though.

One baby step at a time. So please don't judge me. Am I comfortable in my flesh at one time or another. I'd laugh and say nothing is wrong with the way I live but truth of the matter is that I had no life until now. I was stupid and a babe now I'm getting somewhere . A place where I need and want to be not by force but of free will. Now I can honestly say that I am glad that I chose to have a relationship with God. Because without him in my life I would be and have nothing . I have learned time after time that he is the only reason why I am still alive and I thank him for that. I truly am blessed to have him by my side. I thank the Lord for his word. Now I've come to the point in natural of thanking Him for more than less. When I'm singing gospel I am not myself. I don't feel conflicted or condemned. God and Jesus loves me. Jesus died for me so that I may seek Him and live. You can never get enough Jesus. I can't, can you? That's an actual question. Ask yourself that every day and night. We have a reason to praise Him. We live on this planet He created. We eat, drink, play, walk, and explore. We do this not because of man but because of God and him giving His only begotten son Jesus Christ to die for us on the cross so that we can have eternal life if we believe in all truth and faith, mind, body, heart, and soul that Jesus died and rose again.

God's Child

"Ungrateful and Lazy"

Why does it seem that none of us can seem to keep our priorities in order.

We make plans after plans.

Goals after goals.

Dreams that turn quickly into fantasies

Are we all that simple and close minded

We're so quickly want to make something of ourselves

But don't want to do the work to accomplish anything

We want the money, respect, stability, and fame

But we don't want to earn any of them

Instead we take the fast route and steal it

Why

Why do we all have the audacity to feel and think that we are just as more worthy than the one beside us

Did we create the heavens and earth

How about the solar system

Oh I have another one

Maybe the animals and all the colorful features and humans too

Hm? Lets look back at the book of Genesis in the Holy bible shall we

Oh that's right God did

In John 3:16 it says

For God so loved the world that he gave his only begotten son Jesus Christ that whoever believes in him shall not perish but have everlasting life

But do we actually follow the meaning of this beautiful scripture

Who are we to act as if he owes us

He made plans and followed through on all of them

So why can't we do the same

Are we that selfish

Apparently the proof is in the pudding

We suck

We don't want to do anything

We are our own destruction

Imperfect we are

By sin we go not far

And by sin we shall fall
