Dedicate

Dedicate this book to my mom, and my two friends

Georgetown

[Pictures of Georgetown college campus]

Markita : New School, new world, and a new life
 Mrs. Bazemore : I'm quite sure that you've heard many many great stories about Georgetown University. Some of the best actors, artists, and photographers have been taught at this campus, and have been taught by the same teachers as well as used the same textbooks

Scene two

Roosevelt University

Professor Kroner : I'm Professor Kroner or Mr Kroner, which ever one that you would prefer I've been teaching science for almost over a decade My biggest Pet P of them all is, do not disturb my class while I'm teaching. Number two Mrs Scott! Is no sleeping in my class. If you find it hard staying up, I suggest you stand up in the back of the class

Scene three

Mrs Bazemore : At Georgetown, we expect highly of our students So, all of that party, party, party lets all get waisted, is out of the window!

Mariana : What? That's what college is for!

Mrs. Bazemore : You're the one that everyone in this class should repeat in their mind, watch her, watch her, watch her she just might be infected, you better use protection or you're going to need to get tested!
 [class laugh]

Scene four

Professor Kroner : If you are deaf, dumb, and blind to what is going on in this world, you're under no obligation to do anything. At Roosevelt University, we believe that if you are aware of whats going on and sit on your rear end, than you don't deserve to have anything in life
 [Bell rings]

Hennessey : You're new here, huh?

Ricketa : Yeah

Hennessey : Well, this is an alright school. Mr Kroner is cool, except for when he gives us a ton of homework! My names Hennessey, and you?

Ricketa : Ricketa.

Hennessey : Well, Ricketa its nice meeting you Welcome to Roosevelt University!

Scene five

Mariana : What class you're headed to?

Markita : Room 6B, Building C

Mariana : Oh, homemeds! That's where I'm headed Come on, I'm Mariana Perez by the way. I'm a soph more so trust me I already know what the

Freshman life feels like You think everybody and their mother is watching you But in reality nobody is watching you You don't talk much do you?

Scene Six

Mrs. Fairfield: Hennessey, you better have a logical excuse why you're late coming to my class!

Hennessey: I had to talk to Mrs. Everson.

Mrs. Fairfield: Alright, listen up! Like I was saying, I can care less who you are, where you're from, or who you may know or perhaps think you may know! This is my class, I run it! In your terminology, I'm the Boss, I call shots, I make the call!

Ricketa: Damn, you're following me.

Hennessey: If you find it a problem why don't you change your schedule.

Ricketa: Nawl, I think I'm going to enjoy beating up on you.

Hennessey: Really? I haven't had a freshman talk to me that way since Family Matters!

Ricketa: Well, this a new century!

Mrs. Fairfield: Alright, I'm pretty sure you know how to play volleyball. If not get out there anyways and act like you could play! Now, let me get two Captains.

Hennessey: I'll be one!

Mrs. Fairfield: One more. Either you can volunteer or I'll just randomly pick one!

Hennessey: Ricketa doesn't mind, right?

Mrs. Fairfield: Come on Ricketa!

Scene Seven

Mariana: Any brothers or sisters?

Markita: I have a five year old little brother.

Mariana: Damn! You know, sometimes I wonder why did I even sign up for this class. Cooking can't be that hard.

Markita: Maybe you should crack the egg off the corner of the countertop, instead of holding it over the bowl digging your nails in it.

Mariana: Look, I don't need a tutor. Its hard for me to pay my college tuition already!

Scene eight

[Ricketa spikes the ball and smile at Hennessey]

Scene nine

Mariana: Where are you from again?

Markita: Raleigh, North Carolina.

Mariana: City girl Mrs. Fancy. Damn, these little motna's! Don't! Shhh!

Markita: I'm just saying.

Scene ten

[heavy breathing]

Hennessey: Good game. Maybe you should try out for the school team.

Ricketa: When is tryouts?

Hennessey: Friday.

Ricketa: I'll be there. I'll see you tomorrow

Scene eleven

Fatimah: How was your first day?

Markita: It was smooth

Joshua: Hi Markita!

Markita: How are you?

Joshua: I'm fine

Markita: You haven't been giving mom a hard time, have you?

Joshua: No, I'm not giving mom a hard time

Scene twelve

[Ricketa unpacking her things]

Light Blue: If you don't mind could I catch that bunk? That's if you don't mind

Ricketa: Why didn't you say anything earlier, I'm almost finished packing

Light Blue: Don't worry I could help you move your things!

Scene thirteen

Joshua: When you're coming home?

Markita: I just left, there's no way that you're missing me already!

Fatimah: He's been talking about you since we had made it back in from the airport I don't know what I'm going to do with him, it seems as if I'm raising you all over again

Markita: I should be back for Thanksgiving, no later than the pagan holiday.

Fatimah: Well, I'm not going to hold you up. Just call home whenever.

Joshua: Bye Markita!

Markita: Never say good-bye, it's I'll see you later!

Joshua: OK, I'll see you later Markita. Be safe

Chapter Three

Scene one

Georgetown

Mrs. Bazemore: For an example. A base pay beginning at thirty cents per hour and moving out between 0 to 10 percent of minimum wage will equal 2.

Marlana: Slow down, you're losing me!

Mrs. Bazemore: In this equation, x to the second power. That means there's two of them. Times y to the second power will equal z . How do I find out what x to the second power and y to the second power?

Desiree: By breaking it down to simple mathematics.

Scene two

Roosevelt University

Professor Kroner: The astronomer Royal Sir George A.ry came up with the theory of mountains having deep roots in 1865.

Hennessey: You said earlier that the continental crust is the actual mountain itself, right?

Professor Kroner: Correct.

Hennessey: Then why do the downhill side is called the erosion and the slope that enters into sea is called the deposition, why not the same thing?

Ricketa: Because the slope or deposition emerges into the sea. The erosion is on top of the surface.

Professor Kroner: Do not, I repeat do not mistakenly think the slope is the same as the downhill of the continental crust.

MaKinya: An easy way to remember it is the e in erosion symbolizes earth and the t in deposition rhymes with ocean.

Professor Kroner: That's quite clever, don't you think class?

Scene three

Mrs Bazemore: All even numbers, if you wish to do the odd numbers as well that'll also be fine too!

Markita: Where you headed?

Mariana: I need to grab something from out of my locker box. You can go ahead, I'll catch up. You do remember how to get to the classroom right?

Markita: Do it look like I'm that slow?

Mariana: We aren't going together.

Scene four

Hennessey: Have you ever played softball before?

Ricketa: We'll find out in just a few minutes, want we?

[Ricketa hits the ball across the fence into the parking lot]

Light Blue: Forget volleyball! She's playing baseball.

Hennessey: Forget baseball! She's trying out for the volleyball team already.

Cassandra: She's nice for a freshman.

Ricketa: So, what do you think?

Cassandra: You're damn good. What else can you play?

Light Blue: Which sport would you prefer playing, baseball or volleyball?

Ricketa : I prefer baseball, but I'm trying out for the volleyball team
Hennessey : I told you! Now, Lets take the field
Ricketa : I got centerfield.
Cassandra : Normally I' would play centerfield But I'll take first base

Scene five

Mariana : Markita, over here!
Shakira : who's that?
Mariana : My girlfriend.
Shakira : What?
Mariana : No, I'm just joking! She's a freshman
Markita : Someone sitting here?
Shakira : Does it look like it?
Mariana : Have a seat and loosen up! This is my friend Shakira, she's a pain
in the buttocks!
Shakira : Nice to meet you You need to keep an eye on this one Shes attractive
to women!
Malek : Asalamu Ala.Kum!
Shakira : Wa Ala.Kumus Salam! This my ignorant brother Malek
Malek : Nice to meet you. You better keep your eyes on that one Shes attractive
to women.
Mariana : Stop lying!
Markita : Thats two against you.
Mariana : You cant count them as two, there sisters and brothers!
Malek : Mariana tried to talk to talk to our mother
Mariana : You guys are making this up! I never tried to talk to your mother Your
mother tried to hit on me!
Shakira : we're not about to lie on Umm Azuel, a like that. Where you going?
Mariana : To the pop machine!
Markita : They say Iblis will run from the truth!
Mariana : Whatever!

Chapter Four

Scene one

Fatimah : Abb?
Joshua : Father!
Fatimah : AkhKh?
Joshua : Brother!
Fatimah : Umm?
Joshua : Mother!
Fatimah : UKnt?

Joshua: Sister! Mum, could we call Markita?

Fatimah: Maybe later. Go over your words again. I'm about to cook us something to eat.

Joshua: Na'am!

Scene two

Professor Kroner: Yesterday we had talked mountains. If you didn't know these huge rock like figures have roots that stretches throughout the mantle.

Hennessey: Pardon me Mr. Kroner. But could I take a trip to the ladies room?

Professor Kroner: Can you? You don't expect me to carry you there, do you? From now on class, if its an emergency, just go! Please do not interrupt my teachings!

Hennessey: Sorry, it want happen again. I promise

Professor Kroner: Do not make promises you can't keep.

Scene three

Mrs. Bazemore: The diameter of a circle times 3.14, sometimes called the pie formula equals the circumference. The diameter of a circle square is different.

Mariana: Whats this? More homework?

Mrs. Bazemore: However, this formula is different than the pie formula. This formula multiplies the diameter by .7854, which equals the area. Am I loosing anyone? Good, here's your assignment for today.

Scene four

Ricketa: This movie is boring! I'm about to go to sleep.

Professor Kroner: No you're not! Go and stand up in the back. These roots that they are talking about hinders the earth from shaking. Ricketa, what important role does the mountain plays?

Ricketa: Stabilizing the earth. Now can I please sit down!

Professor Kroner: You got that one correct, lets see if you could get another one later on. Have a seat.

Cassia: Sleeping beauty isn't allowed in his class.

MaKinya: You're a fresh man, but you'll catch on.

Professor Kroner: Someones talking! If you tend to forget my Pet P's, they're on the board top right corner.

Scene five

Mariana: How many units are in a dozen?

Markita: Twelve.

Mariana: So, did you get 116.86 for number three?

Markita: No, 226.08

Mariana: Did you get 510.87 for number six?

Markita: No, 56.52.

Mariana: How about —

Markita: Nice try, but I'm not about to do your work for you!

Desiree: At least you tried

Scene six

Light Blue: Why aren't you trying out for baseball? Isn't volleyball a white girls sports?

Ricketa: Don't even try to bribe me! I'm not going to change my mind!

Light Blue: Who wrote you?

Ricketa: My dad. Now, if you don't mind would you let me at least finish reading it

Light Blue: What do you think he would say if he heard that you're playing volleyball instead of baseball?

Ricketa: Nothing.

Light Blue: I don't believe you! Lets call him

Ricketa: Look, I'm trying to read my letter! If I don't like volleyball, I'll tryout for baseball!

Light Blue: I'll have a glove waiting for you.

Chapter Five

Scene one

Mariana: What's going on over there?

Markita: I don't know, lets go and check it out!

Mariana: Can I see that paper?

Cassia: Get your own!

Markita: What does it say?

Mariana: Wow, this school is going to host its first female boxing tournament! I can't wait to tell my Uncle Tucan about this!

Shakira: What are you so excited about? Let me see this! Boxing tournament? And which one of you is signing up for this?

Desiree: Can I see that paper?

Shakira: For what? You don't even look like you could fight!

Desiree: Looks can be deceiving!

Mariana: My Uncle is going to love this!

Shakira: Mariana, don't put your name on that paper.

Mariana: Why not? I can fight

Shakira: Really. Think fast!

Mariana: What you hit me for?

Shakira : That's exactly why you need to stay away from that ring

Scene two

Fatimah : Inna An zal na hu, Filay la til qadr. Now it's your turn.

Joshua : Inna An zal na hu, Filay la til qadr.

Fatimah : Wa maa Ad Ra Ka ma lay la tul qadr

Joshua : Wa maa Ad Ra Ka ma lay la tul qadr.

Fatimah : Now say both of them

Joshua : Inna An zal na hu, Filay la til qadr Wa maa Ad Ra Ka ma lay la tul qadr.

Fatimah : Great! Soon you'll be ready to share the bushra, which means good news

Scene three

Mrs Bitner : Alright girls. Lets stretch! I don't need you coming to me crying about a cramp!

Hennessey : This is Ricketa she will be trying out for our team

Mrs. Bitner : Are you any good?

Hennessey : Don't answer that, let your game speak for you!

Scene four

Shakira : That's the first that I've ever heard a college host a boxing tournament

Mariana : Its a first time for everything!

Shakira : You're actually serious about this tournament?

Mariana : Of course Silly! Why don't you sign up?

Shakira : I don't like for anyone to get free punches on me.

Markita : I understand you're excited. But all that sweat that you've put on my floor you're going to get up!

Mariana : Markita, whats your excuse? You're too pretty to fight?

Markita : I think Shakira and I would just enjoy seeing you get slaughtered in the ring.

Scene five

Joshua : Ni Rabbi Him min Kulli Am y in. Sala mu Hiya Hattu, Mat La al fajr.

Fatimah : When you're able to recite it without the paper than we'll talk about the sports. Now, go and put your things up so we could offer salat

Freddie: Come on Markita, lets go!

[enervy breathing]

Chop those feet, Chop those feet!

Markita: I'm tired daddy!

Freddie: In order to be a champion, you must first train like a champion!

When you train like a champion, you will be a champion!

Markita : No.

Fatimah : Why not? Your father was a boxer I remember when he -

Markita : Mom, please don't go there

Fatimah : Aww Markita You can't keep holding a grudge with yourself. I mean, you was a child when that had happened

Christy : And there goes Blue, running as if she's a Hebrew slave.

Cassandra : What took you so long?

Light Blue : My roommate was telling how someone had broken into her locker box and stole her jewelry

Cassandra : That's a mad jay stunt! Who would -

Christy : I got a feeling who it is!

Light Blue : Who?

Christy : Makinya. She's always talking about how her mother has all this money and she's pulling a mad jay move!

Light Blue : What makes you say Makinya did it?

Christy : Because all of sudden she appears with these earrings. Than when I asked her she didnt say anything about buying them, but more of her finding them

Cassandra : I hate when you go to looking like that. What are thinking?

Light Blue : Think-Think Thinking of, a master plan! Now, I'm lying shorty earrings on mind. Come on lets go warm up

Chapter Seven

Scene one

Shakira : I know it was you!

Mariana : What?

Shakira : That put my name on that paper!

Mariana : I didn't do anything.

Malek : What are you over here bickering about?

Shakira : She put my name on that funky boxing sheet.

Markita : I know you was the one that signed my name on that sheet! I told you I'm not trying to partic, pate in that stupid tournament!

Malek: Why don't you two just remove your name off the list. It can't be that hard

Scene two

Light Blue: You need to come clean with those earrings and whatever else you had stole from my roommate!

Makinya: What earrings?

Cassandra: The ones you stole and claim that you had found them!

Makinya: First of all I didn't steal anything. Secondly, I found them and hell no I'm not giving them back!

Cassandra: You really is a low life bitch!

Makinya: Just tell whoever your roommate is, to come and get them if she really want them! Now, if you'll excuse me. I must practice, I'm trying to be the first female to even enter the major leagues draft.

Christy: There's your girl! I guess she finally decided to change her mind

Light Blue: What's up Ricketa?

Ricketa: Who name is Makinya?

Makinya: Why?

Ricketa: Nothing major. I just need to speak with her.

Makinya: I'm her! What do you want?

Hennessey: What every college girl thinks when she meets a good looking guy

Mrs. Everson: You're finished packing?

Ricketa: Mrs. Everson, everyone deserves a second chance!

Mrs. Everson: I don't know what you two young ladies were thinking. On my campus, under my supervision! This campus is where all students must follow all rules and regulation. This act that she has committed isn't her first occasion. I mean, how many chances does she need?

Ricketa: If you expel her, you're going to have to expel me too!

Hennessey: Ricketa!

Ricketa: No.

Christy: I would agree with you two, but my mother would kill me! By the way I think someone just called me.

Mrs. Everson: Alright, have it your way. You're expelled too!

Ricketa: Mrs. Everson!

Mrs. Everson: Pack your things and meet me out front!

Chapter Eight

Scene one

Malek: Keep your hands up silly!

Cassia: I'm getting tired.

Shakira: Tired! And you think you're going to be able to tell your opponent that you're tired. And expect them to give you a break?

Mariana: What's up everybody! Can we catch this ring after you?

Malek: Desree has it next. What's up Markita?

Mariana: She actually signed up?

Shakira: You don't have any room to talk. We have a few more days until you and Cassia get knocked out!

Cassia: Really?

Shakira: Didn't I just say it?

Scene two

Christy: You really blowed your chances at getting a Championship ring!

Light Blue: No I didnt. Because I'm going to Follow her.

Cassandra: And how do you expect to find her? There's almost over a hundred Ricketa Scotts throughout these states.

Light Blue: That's easy. She left her student ID card.

Christy: You are nuts! You two really are going to do this, aren't you? You can't just leave this campus without telling anyone!

Cassandra: Welcome to America

Scene three

Hennessey: You didnt have to do that.

Ricketa: It's alright.

Hennessey: What about your father?

Ricketa: He'll get over it.

Hennessey: I can hear Mike-Mike voice now Hennessey, what the hell is the matter with you? You just caused me thousands of dollars!

[Laughter amongst the two]

Ricketa: Well, he's better be willing to spend some more thousands. Because, I'm not trying to miss basket ball season!

Hennessey: You better cover your ears.

Mike-Mike: It's no sense in lowering your head! Hennessey, what the hell is the matter with you? You just caused me thousands of dollars!

Ricketa: She didnt do it. They mistakenly accused her for some other girl.

Mike-Mike: And who are you?

Ricketa: I'm her friend Ricketa Scott. Kaitlyn and Casper Scott's daughter.

Mike-Mike: Kate the ultimate fighter?

Ricketa: Yeah.

Mike-Mike: I'm a big fan of hers! Maybe we could set up a meeting with each other. Hennessey, go to your room! I dont want to see you until — supper time! Ricketa, make yourself at home.

Markita : How's Jamarcus been doing?

Fatimah : The last time I had heard from them, he was doing fine. A bit shook up from the car accident, but he's fine.

Mariana : Can I borrow your shampoo?

Markita : Bottom drawer. And just the shampoo and don't use it all either.

Fatimah : Your roommates a mess. She texted me trying to start a relationship with me.

Scene four

[Light Blue finds Ricketa on the webpage]

- Malek : I'll see you guys later. I need to get some rest. You know how Mrs. Wyland is
- Cassia : Hold on! At least walk to my dormitory.

Chapter Ten
Scene one

- Mrs. Wyland : We're going to need a volunteer to sing the star spangled banner. So, if you wish to earn extra credit than I suggest you participate. Ricketa : Please don't get arrogant, nothing has changed.

Shakira : Whats going on here? Did I miss something?

Willie : I don't know but I'm really worked up about this. I think this is a
wonderful thing that Mr Magoo has put together. Our first two

Wanye : Lets get this show on the road!

James : All the way from Little Rock, Arkansas give it up for Tykearia Collins!

Willie : All the way from Ashburn, Georgia give it up for Mariana Perez!

Wanye : Mariana is waisting no time in this arena I think she has a point to prove! Size doesn't matter!

James : If Tykearia wants to hang around in this match another round she better get —

Willie : Oh, Oh! Down goes Tykearia, down goes Tykearia!

Wanye : I don't think she's getting back up. Yep, that'll do it

Markita : Mariana!

James : Two rounds and it was over it!

Willie : The way Hennessey is looking she's going to be hanging around for a while!

Wanye : Latoya is out cold!

Ricketa : Hennessey!

James : These matches are flying by pretty quickly. We've only have been here no more than 45 minutes and we're down to our last match up

Willie : Who compared these matches?

Wanye : Talk about pulling a rabbit out the hat!

James : I think Monica better get a fresh oxygen tank!

Willie : Desiree favors a Vilma off of Scooby-Doo!

Wanye : Looks can be deceiving! Just like two heads are better than one, four eyes are better than two!

James : We're headed into round three. Monica is looking barely alive over there in that corner

Willie : Oh! Vilma has just knocked out Fred!

Wanye : Could it be over?

James : Its a wrap! Desiree has blown the smoke away and placed her gloves back into the histers!

Willie : wow! These young ladies have come out and gave it there all!
I think this is going to be an interesting tournament. Well, ladies and gentlemen we hope to see you again soon here live in Washington D.C at this Georgetown arena! Goodnight America!

Chapter Twelve

Scene one

[Markita in the gym working out]

[Flashback]

Freddie : In order to be a champion, you must first train like a champion!

When you train like a champion you'll be able to perform like a champion! When you perform like a champion, you'll be a champion!

Shakira: You're doing all of this training. You better not lose.

Markita: If I do, than what?

Shakira: You better find some new friends!

Markita: That's cold.

[Markita continue to punch the bag]

But, what if I win?

Shakira: You can be my best friend!

Hennessey: Could we see this after you're done?

Markita: You can get it now.

Mariana: But we're not done.

Markita: We'll train some more, some other time.

Mariana: But your match is tomorrow!

Scene two

[Joshua thinking at his basketball game]

Scene three

Mariana: I don't know what's your problem. But you got to stay focus. Camacho isn't a playground!

Shakira: Yeah, last year she broke a boys arm for making fun of her

Markita: Look I don't care about no Comacho! If I lose, I just lose. And if I win, I just win. At the end of the day, I tried!

Scene three

[Light Blue, Cassandra, and Christy at the airport]

Scene four

Fatimah: So, you decided to sign up after all.

Markita: Yeah I have a match tomorrow.

Fatimah: I wish you would've called and told me this earlier. I would've purchased us some flight tickets.

Markita: Its ok. There will be plenty more.

Fatimah: Cocky like father

Markita: Where's Joshua?

Fatimah: He's asleep. You know he had game today.

Markita: Did he win?

Fatimah: Yeah He had scored twelve points with four steals. I'm not going to lie, he impressed me.

Markita: Maybe if he can keep it up. He could get his own trophy and put my trophies back on the shelves. Well, I'm going to talk later. I need to get some rest for tomorrow. AsalamuAlaikum.

Fatimah: Wa Alaikumus Salam.

Chapter Thirteen

Scene one

James: Welcome back ladies and gentlemen! We're back live in Washington, DC in this lovely Georgetown arena. Over the past few days we've had several women that had dropped out of this tournament!

Willie: Talk about a domino affect! After seeing all of those punches last week James, I probably would've removed my name too.

Wayne: Our first match up is Ricketa Scott vs. Bridget De-hart! No disrespect, I'm only about to speak facts. Bridget doesn't stand a chance in this match up tonight. Did you see the biceps on Ricketa? She seems to have been working out at the gym with Arnold her entire childhood!

James: I wouldn't want to get hit by those things

Scene two

Casper: Come on Ricketa!

BatKid: I think we should tighten up. I think your daughter will be kissing that mat by the end of the night!

Casper: Put on the wood!

BatKid: Add your eyebrows and mustache too!

Casper: Naw, we're not about to do that!

Scene three

Mrs. Pima: Alright you two! You know the rules and regulation. I want a clean fight tonight. Touch gloves, take your corners and let's get this show on the road!

Willie: Poor Kid. I don't even think that I could watch this!

Wayne: Bridget is just too fragile. You know, you have those windows that are wheat thin and you have the heavy duty glass window. Bridget is a wheat thin window that's going to shatter into a million pieces just by Ricketa slamming her gloves together.

James: Wow, talk about the little engine that could! Ricketa has hit the mat after the sound of the bell! I think we've got ourselves a match here tonight guys!

Scene four

Casper: You're going to learn not to go against my daughter! Let's go Ricketa, Ricketa!

BatKid: Stop flexing, you was scared!

Scene five

Hennessey: Hung in there Ricketa!

James: We're headed into the fourth round. Ricketa comes out pounding away

On Bridget, blow after — Bridget goes down after being hit by a truck load of hard crushing pain!

Mrs. Pima : 6, 7, 8 - KO!

Casper : Yeah! That's what I'm talking about!

Scene six

[Cassia fights Rashunique, Cassia wins]

Scene seven

BatKid : I like the girl in the black and purple trunks.

Casper : Alright, I'll take the other one

Jabari : Normally, I don't gamble. But I like Fatimah's daughter!

Casper : Alright, we're locked in!

Scene eight

Wanye : Talk about the pale white horse! Cumacho looks as if she's been drowned in a puddle of death!

Willie : Undertakers little sister!

[Laughter amongst the guys]

James : These girls are going at it! If it wasn't for Markita learning to protect her face throughout her youth I think this match would've been over before it had started!

Scene nine

Christy : I think we've made the wrong turn.

Light Blue : This must be Death Valley.

Cassandra : Where is everybody?

Scene ten

James : The way Markita is breathing after six rounds, I think she's going to hit the mat pretty soon.

Willie : I don't know, I love her style of fight! She put me in Remembrance of the Great Muhammed Ali.

Wanye : Take that cap from off of your head!

Willie : I'm serious. She has a smooth set pace and love to stay riding the ropes. The Great has said that staying against the rope is a beautiful sight because this is where your opponent is giving you all that they have got and — Oh yi-yi-yi-yi! Did you just see that?

James : I guess it was time for the little tea cup to show off her sprout! I think Cumacho has left this arena and went dancing with the stars!

Wanye : I guess Cumacho had forgot Undertakers special technique.

Willie : What's that?

Wanye : The he box.

James : It's over! Markita has find her way through the valley of death after

being taunted several rounds by Lucifer's daughter.
Wanye: Talk about a scary movie. Well, ladies and gentlemen this has been a wonderful night here at this Georgetown arena, down here in Washington, D.C. Hopefully we'll see you again Friday, November 18th. Goodnight America!

Chapter Fourteen
Scene one

[Cassia defeats Nicole]
[Desiree defeats McNue]
[Boxing tournament brackets]
[Hennessey defeats Cambria]

Willie: Well, Hennessey has proven once again that her beauty isn't going to stop her from getting that belt!

James: I don't know Willie, I think Mariana is going to take this all of the way Mariana knows that this is a physical sport but she is determined to show the world that size doesn't matter

Wanye: Are you guys nuts? Are you listening to what you are saying? There's no form of fashion that Markita or Ricketa take this thing back to Raleigh, North Carolina! Both of these women stats are not just increasing by one or two percents But by double figures!

Willie: Well, we only have a few more weeks until that big day! Than that Fat lady that America loves so much will sing.

Scene two

[Joshua leading Fatimah in prayer]

Scene three

Wanye: Ricketa is making her way to the ring

James: Yeah, to meet her worst night. This girl Ciara could be Mariana's twin sister. She has demolished her opponent within three rounds as well. She will not be denied!

Scene four

BatKid: I like the sound of that!

Casper: I got five on it! What about you Jabari?

Jabari: I'm good I'm just going to enjoy the episode.

Scene five

Willie: Ricketa is off to a great start! If she's planning to win this match she better stay at this pace all night long. One slip up and Ciara is going to turn the blowers on.

Wanye: I had spoke with Ciara earlier before this match. She says she know that there's plenty great fighters in the world and has heard many

great stories but she's not worried at all about losing this fight

Willie : Ciara is living it up! I think this is the slip up I was warning you about! Look at Ciara work at Ricketa!
[bell ring]

James : Talk about Zack and Slater. Saved by the bells.

Markita : Come on Ricketa

Shakira : You actually want her to win?

Markita : It won't be a grudge if I don't be the one to knock her out

Willie : This could be a repeat of Refugio. Both of these girls are using each others body as if its there own practice toy!

[Bell ring]

Wayne : Oh! That was a cheap shot. Ciara hammered Ricketa sending her to one knee after the bell had sounded!

James : Ciara went to feeling herself just like the last two rounds. The referee is talking to her. She seems to be explaining that it was an accident. Mr. Mugoo is inside the ring. Ricketa is sitting in the corner getting checked on. Ciara lowers her head in disbelief.

Mrs. Pima : In this tournament there are rules and regulations. Hitting an opponent after the sound of the bell falls under these guidelines

Willie : Whats going on? Ciara is climbing out of the ring crying headed towards the exit!

Mrs. Pima : However, Ciara will be disqualified for violating such a rule. Ricketa Scott will be your winner by a default decision tonight.

James : Unbelievable! Did you just here that guys?

Willie : I think they are making a bad judgement here guys.

James : Seems like they've bailed Ricketa out of this round. Clearly, Ciara is the winner. Well, should be the winner, here tonight. If you take a look at these cards you'll see that Ciara had taken completely control over this match up

Wayne : Well, America tonight has been a shocking night. We hope to see you guys after the Thanksgiving holidays. Goodnight, America!

Scene five

BatKid : Thats some Granville, bullcrap!

Jabari : Yeah, you know Ricketa lost that match!

Casper : I'm not the judge, you're not the judge! Come clean, you can get back next week!

[Mariana arrives at her Uncle Tucan's condo]

- Joshua : Markita!
 Markita : Whats going on? How are you?
 Joshua : You're just in time for my game!
 Fatimah : You've better not open — Markita! When did you get here?
 Markita : This morning. I spent hours at the airport trying to catch a taxi.
 Fatimah : Why didn't you just call.
 Markita : I did try, but I didn't get an answer
 Fatimah : I'm going to have to let Jabari come take a look at it. Go and put your things down, I got to take your brother to his game
 Joshua : Hurry up Markita! We don't want to be late!
 Markita : I see you've caught on to Umm's favorite line.

Scene two

- Casper : You know your mother has been worrying to death about you. Why don't you never call or write her?
 Ricketa : Because she's always too busy to talk and when I write, she never respond. Whats up Jabari and Bat Kid?
 Casper : Don't speak to them. These are the same guys that has been placing bets against you!
 Ricketa : oh yeah.
 Jabari : You know it isn't like that Kita!

Scene three

- Mike-Mike : You've impressed me! You're actually doing better than I had thought.
 Hennessey : What has Kay been doing?
 Mike-Mike : She's pregnant again.
 Hennessey : I know Josephine is mad about that one.
 Mike-Mike : Come on lets go take a trip to your grandmother's house. I promised her I would bring you by, when you had arrived

Scene four

[Shakira and Malek at Safa Marwa]

Maleka & Shakira: Wa Alaikumus salam wa Ar-Rahmantu Allah wa Barakatuh!

Scene two

Joshua: I don't want you to leave me!

Markita: Don't cry. I'll be back again soon. Why don't you take my necklace as a promise from me to you, OK?

Fatimah: I fixed you a plate. You're probably are going to eat it before your plane arrives, because I don't think they'll allow you to get on the plane with it.

Scene three

BatKid: Next match try to lose! So, I can get my money back!

Ricketa: You shouldn't be gambling no way

Casper: Alright sweetie Go and get that belt!

Ricketa: I will! By all means.

Casper: By all means.

Chapter Seventeen

Scene one

Willie: We're back live here in Washington, DC at Georgetown University! I hope everyone enjoyed their turkey holiday! Now its time to get this Show back on the road.

Wayne: All the Way from Ashburn, Georgia standing at 5'4, 139 lbs give it up for Mariana Perez!

James: I hope these girls haven't had too much turkey over the holidays.

Wayne: All the way from Maricopa, Arizona standing at 5'6, 142 lbs give up for your girl Desiree Proconier!

Willie: This is going to be a interesting match up.

Scene three

James: Mariana has cruised her way into the next round. She'll be facing the

Winner out of Hennessey and Cassia.

Willie : We're headed into the last and final round in this match. Hennessey doesn't seem to be laying down any time soon

Wayne : If this match goes to a decision Hennessey will win hands down.

Scene Four

Casper : She fights next. Anyone wants to go back?

Bat Kid : I'm straight

Jabari : I'm hoping that she does win! I put my car on that match. What? I'm serious.

Scene Five

Willie : Well, Hennessey will be fighting Mar-Kita next round. That should be a devastating match up between those two. The winner out of

Wayne : Ricketa and Tawanda will face the dancing destroyer Markita Portay!

Willie : Tawanda is better take all the pictures that she needs to, because it's the last time for her to stand in that ring

James : I don't know, I think this could be a challenge for Ricketa

Wayne : Challenge? You're speaking from the heart. I'm speaking cold hard facts. Ricketa and Tawanda is —

James : Down goes Ricketa, after being hammered in the side! Don't speak to fast

Mrs Pima : 1, 2, 3, 4 —

Wayne : She's up! A little shook up, after that hard fall.

James : I don't think Tawanda isn't giving up in this fight that easy. Tawanda has Ricketa up in the corner working on her pound for pound! I —

Willie : Oh my! What just happen? Ricketa just released a haymaker sending Tawanda stumbling backwards hitting the mat!

James : That's what you call taking care of business.

Mrs Pima : 3, 4, 5, 6, 7 —

Wayne : Tawanda is back on her feet. Her legs are a little wobbly guys

Willie : Due to noise in this arena I think the crowd loves it!

[Bell rings]

Wayne : Ricketa was about to move in back on her pruy, but once again Zack and Slater are saved by the bell!

Scene Six

Bat Kid : I think your daughter has a rabbit foot inside her shoes

Jabari : I'm sweating and cold at the same time! I thought I had lost Hillary's car!

Casper : What?

Jabari : If she lose, I need to borrow a few dollars or a place to stay

Scene Seven

James : Ricketa is hammering Tawanda coming into this final round! Tawanda is

trying to connect, but Ricketa is bobbing and weaving after every swing.

Wanye: Tawanda goes down! I think this match is over!

Mrs. Pima: 5, 6, 7 - KO!

James: The gym runs to the ring after Ricketa fell to her knees.

Wanye: You go girl!

Willie: What a fantastic match! I can tell how the next match is going to be! You have Hennessey vs. Markita and another walk through the valley of death between Muriana and Ricketa!

Aniya: I've tried, she's not talking.

Casper: Ma'am, I understand —

Dr. Floyd: He's fine. You can come take a look at him, that's if you wish.

Jabari: I came as soon as I heard! Is he alright?

Fatimah: He's fine.

Scene four

Hennessey: I know you're not about to wear that!

Christy: What's wrong with it?

Light Blue: Trashable!

Cassandra: Unrecycleable!

Ricketa: No comment. If that's something she wish to wear than let her.

Scene five

Dr. Floyd : After receiving the x-ray. He has a broken collar bone, not too bad. I've seen worse. As you can see the ashy part, located close to his pelvis he has a minor bruise. Seems to be just a minor burn from the tire. After fixing him up, it should take three to four weeks to heal up.

Scene six

[music playing]

Shakira : I thought maybe you were going to be a no show

Malek : I'm about to hit the dance floor. You want to dance?

Markita : No. I'll pass.

Mariana : Come on, I don't mind.

Shakira : I totally understand you I don't do all that dancing either I mean what for? Its just a booty bump contest that the guys try to manipulate you to have sex with them.

Scene seven

Hennessey : You three do not have any room to talk! You just followed behind Ricketa for a stupid ring!

Ricketa : If you wanted a ring, I could've just let you borrowed mine! I do have plenty.

Christy: Hold up. I don't work for no one!

Cassandra: Stop acting crazy and pick the bag up! She's just being sarcastic!

Scene three

Markita: Wa alaikumus salam!

Mariana: You're almost — is everything alright? Because you don't look to good.

Markita: I'm OK.

Mariana: Are you sure? Then lets go!

Scene four

After seeing punch after punch and knock outs after knock outs were under two matches away from that big day that everyone wishes to see.

James: Everyones excited, I'm excited! I think this tournament has played an impact on the women across the world! I was sitting at home reading a newspaper noticing that this tournament is America's favorite show to watch.

Willie: Its under a few minutes before the bells ring and punches are being launched who do you guys favor in this match up?

James: I like Mariana in this match up! I understand that Ricketa has decapitated her opponents! But that last match up, I had seen something inside of her that she doesn't have and Mariana has!

Wanye: Whats that James?

James: A heart of a champion!

Willie: Jesus Christ! I thought you were going to say a better line than that! Mariana is indeed the most aggressive coming into this match up. But I don't think she will be able to take several of Ricketa's thunderbolts! I like Ricketa in this match!

Wanye: You've have spoken every bit of facts and isn't just speaking from the lines off of a love calculator! I don't know what has gotten into James! I don't just like

Willie: Mariana just swung and miss. Ricketa isn't going to miss that opportunity as she quickly moved into Mariana!

James: This isn't much like Mariana. Something must be terribly wrong!

Casper: Good job Ricketa! Just continue to cruise through like I've taught you!

BatKid: She may just pull this one off

Jabari: I hope so!

Wanye: Oh, Ricketa has hit the mat! This is the first time that she has ever kissed the mat in the first round!

Mrs Pima: 1, 2, 3 -

Willie: She quickly bounce back to her feet

Shakira: Come on Mariana!

Light Blue: You can cheer all you want, she isn't going to win!

Shakira: And who are you?

Light Blue: Her sister!

Markita: She's lying, Ricketa doesn't have any sisters!

Wanye: Mrs. Pima is checking on both girls to make sure that they are OK. Both of them I see has put a thumbs up.

Willie: Ricketa is trailing behind by almost fifteen punches. If she -

James: Ricketa has went down again! Talk about facts!

Casper: Damn Ricketa!

Jabari: Hillary please forgive me.

James: Once again, like I've said numerous of times! Mariana is going to take this entire tournament and there's nothing, anyone could do about it!

BatKid: Your daughter is going out like a winner!

Casper: Shut up!

Wanye: Ricketa seems to be coming alive! Left, right, left! Down goes Mariana! Down goes Mariana! Did you hear me James? Down goes Mariana!

Hennessey: Alright Ricketa!

Light Blue: I told you!

James: Mariana is up!

Willie: I think this is better than the last match! These matches are getting better and better as we cruise alone towards that big day!

Wanye: It's going to be like that Willie! Especially when you have taken out the trash!

Willie: We're in the middle of the eight round. Both girls are putting up a fight trying to prove why they should be the Georgetown Champ!

James: Things are turning up in this match! Down goes Ricketa! Mariana is waving good-bye to her! Could it be this be it?

Wayne: She's up on one knee!

Mrs. Pima: 5, 6, 7, 8—

Willie: She is up on her feet and it appears that she is one hot mambal! I think Mariana is better suited towards the hills!

Jabari: I'm about to lose our house!

Hennessey: Tighten up, Ricketa!

Bat Kid: Mariana isn't playing. She's starting to turn me into a believer!

Wayne: Oh my, what just happen? Ricketa did a power swing and miss and Mariana is out cold on the mat!

Willie: Medical is running towards the mat. Ricketa is moving in trying to see what is the problem, but they are waving her off.

James: I hope that she's alright!

Wayne: The crowd is silent. I see Mariana moving a little down there. I think she's going to find. She's getting up. They're talking to her. Mr. Magoo has entered the ring.

Mr. Magoo: Ladies and Gentlemen. I am the principal here at this school. I try my best to make sure that the orders are being carried out. These students' education is very important to me as well as their safety. Apparently, Mrs. Perez is dehydrated and can't continue to fight due to the safety policy of this school. Unfortunately, I can't postpone this match.

Shakira: Are you serious? Is he serious?

Mr. Magoo: This tournament must continue to go on! So, with that being said, Ricketa Scott is your winner!

[crowd ooo's]

James: Unbelievable! I can't believe that he just said that!

Wayne: I totally disagree with that decision, America! So, please help me God. Let me enjoy the rest of my life in peace!

Jabari: Thank you Jesus!

Willie: Well America, Ricketa will be facing the winner out of Hennessey vs Muckita! That match will take place a few days from now. Well, Ricketa, you can take that clover leaf out now! We'll see you soon. Bye-Bye!

Chapter Twenty

Scene one

Shakira: Was that just a dog?

Malek: Yeah, a mottish shepard!

Desiree: Mariana, you fought good! I don't know why are you looking so depress. The

entire world knows that you had won!

Mr. Magoo : Mrs Portuy, I would like to speak with you for a minute

Scene two

Christy : Did you here the rumors Markita got caught with some leafy substance inside her box.

Cassandra : That's going to probably get her eliminated from the tournament

Light Blue : I doubt it!

Scene three

Malek : So, you're saying someone is trying to frame you!

Mariana : I wondering who would do some crazy stuff like that

Markita : I don't know But it's quite funny, don't you think?

Shakira : What did Mr Magoo say?

Markita : Hes going to look over the film and if I put it in there he's going to eliminate me from the tournament than expel me for lying.

Scene four

Mariana : What type of games are you playing?

Ricketa : What are you talking about?

Shakira : Dont play crazy! You know you put that in my girls locker box!

Hennessey : My girl didn't do anything!

Mariana : Then who did it?

Hennessey : Do I look like Detective Muddox!

Scene five

Freddie : Come on Markita, stop playing around!

Markita : Catch me!

Freddie : Markita! Come on sweetie, we got to get home!

Chapter Twenty-One

Scene one

- James: I'm still a little stunned from last weeks decision between Ricketa and Mariana. I think that should be a rule that they look over and change for the new future tournaments
- Willie: I understand how you may feel James but safety is must
- James: it's a physical sport here guys! If you want to lean on safety as a factor when it is absolutely not! Thus they should've added more cushion to the gloves and y'vc each fighter a safety helmet
- Joshua: Where is she?
- Fatimah: She probably in the back stall. Come on, it's grab our seats.
- Wanye: Alright America, lets get this snow on the road! All the way from Raleigh, North Carolina! Standing at 5'6 178 pounds the lovely Mar-Kita Portey!
- Joshua: That's my sister!
- Snakira: You're Markita's family?
- Fatimah: Yes
- Snakira: So, this must be Joshua whose she has been telling me about!
- Wanye: All the way from Northumberland Pennsylvania standing at 5'8 152 pounds Mrs Beautiful Hennessey Rockmore!
- Fatimah: Boy stop acting like you're shy!
- James: This is a very even match up I feel if Hennessey wants to win this fight she better stay away from Markita's left hook as much as possible!
- Willie: Well the bells has sounded and this match is about to get nasty!
- Wanye: Markita is staying close by the ropes!
- James: By the looks I think we may be seeing all ten rounds here tonight guys!
- Wanye: Talk about taking a leg from underneath a table! Hennessey has went down!
- Willie: I don't think it was from the hit. It was a minor shoe tackle, from what it appears.
- MIKE-MIKE: Don't scare me like that sweetie!
- Wanye: Hennessey is trying to work Markita into a corner. But the look on Markita's face. She isn't going for it. She knows most of Hennessey's wins has come from lowering her opponents into the corner, before she rock them to sleep!
- Wanye: I love the Markita is riding the ropes. I can see that she must stayed up all night with her father watching the films of The Great Ali!
- Willie: Hennessey has dozed Markita and has her in the corner! She is working away at Markita! Markita is trying to get up out of there. The crowd is on there feet!
[Bell rings]
- James: Markita smile after being saved from Charolette's web!
- Willie: I think she's better be happy that they had invented bells!
- James: Hennessey has Markita back into the corner! I don't think the bells could save

her this time!

[Flashback]

Freddie : When you train like a champion, you'll be able to perform like a champion!

Wanye : Markita is bobbing and weaving! Her legs look a little wobbly!

Willie : She could go down!

James : Oh, what's was that! Markita just launched off a missile! Sending Hennessey falling to the floor!

Wanye : Missile isn't the word! How about a nuclear bomb!

Mike-Mike : Get up Hennessey! Get up!

Mrs Pima : 6, 7, 8 -

James : Hennessey has regained her strength back in her legs!

Joshua : Let's go Markita!

Willie : I think that may have been one of those up, up, and aways! Markita know that she was in trouble, so she had to lose that coin! And she had connected just in time!

Wanye : Hennessey is lowering Markita towards the corner. Markita seems to be agreeing.

Willie : Hennessey is working at Markita again!

James : I'm starting to think that —

Wanye : Oh, Hennessey has went down hard!

Joshua : That's my sister! Let's go Markita!

Fatimah : Let's go Markita!

Aniya : You're going to learn to listen to me. That's Freddie's daughter!

Batkid : It isn't over!

Mrs Pima : 1, 3, 4 - KO!

Casper : Yeah it's over!

Wanye : Markita falls to her knees blowing a kiss towards her guardian angel!

James : Hennessey doesn't seem to like that one bit. Seems like she's arguing with the referee about skipping a number!

Wanye : Maybe they could've cheated her! They are reviewing the camera's. They didn't stay very long. I see Mr. Magoo waving it is over!

James : Well ladies I - please excuse me Ladies and Gentlemen we enjoyed this match up. Hope to be seeing you back at this arena for a Raleigh, North Carolina showdown! One belt, one trophy, one winner! Goodnight America!

Wanye : Looks like I predicted right, didn't I?

Willie : Aww, shut up!
