too much sweets were

You got sad, I made you happy.  
You got down, I picked you up.  
You got lost , I found you.  
You got sick , I made you well.  
You got hurt , I took away your pain  
you got scared, I gave you comfort.  
Out of everything you got, I got the best of all.

I got YOU!

Paradox *exists* in language, there *is* no paradox in reality.

*Revised*

I was captured with a kiss  
though my heart was made of steel.  
I had thought I would not miss  
The way sweet soft lips would feel.  
That sensuous tender touch  
has changed me to flesh from stone.  
It has filled me with so much  
to the marrow of my bones.  
As you hold me in your arms  
I whisper upon the wind.  
That you keep me safe and warm  
and that you...

.Kiss me again

Courage under fire.  
Trekking through hell to win the fight  
An above average desire  
To protect our human rights  
Brave until the end  
The very cogs and gears of war  
The loved ones, brothers, friends  
The years you've lost on foreign shores  
We thank you for your service  
Your struggles and sacrifice  
The work you've done preserves us  
Along with liberties and life  
We honor you this day  
Battle tested sisters and brethren  
Your strength on full display  
Our Venerable Veterans

There are words to describe everything  
from solids to liquids  
from hot to cold  
and the best words  
I have found to describe you.

To have and to hold.

We are celebrating this Halloween  
not only for the tricking-or-treating.  
But to commemorate those ghastly fiends  
and what every monster will be needing.

On a broomstick witches travel afar  
for we all know those roads are so hectic.  
More fuel efficient than driving a car  
be it hydro, solar or electric.

Fresh new laptops for the cyber-link bars  
they can haunt with a world wide connection.  
A smart phone for those relations afar  
and an App to befriend or rejection.

Don't forget movies and video games  
they can order on their wireless flat screen.  
They can scare on-line while feeding their fangs  
and enjoying this .....

HAPPY HALLOWEEN!

There are many things the world finds beautiful.  
The colors of flowers, laughter of children.  
An elegant painting, well composed music.  
Anything that moves our hearts and touches our soul.

That is why I find YOU beautiful!

Harsh speech arises due to lack of patience.  
Anger arises due to lack of understanding.  
Seperation arises due to a belief in individuality.  
So what arises due to kind words, calm countenance and connection?  
Peace.

Sometimes at night  
with a clear star filled sky.  
The heaviness of responsibility  
weighs me down.  
But then I remember  
that I am given the privilege  
and the honor to serve and  
protect the things I love.  
Then a smile comes to my face  
because it is at those times that I am

There are people in the world that do  
many things for us.

They cut our hair, prepare our food, fix  
our cars and teach our children.

Some protect our streets while others  
protect our country.

It is because of people like these that  
we are able to enjoy the many  
things that we have today.

You are one of those people and I thank you!
