The first of these is the fact that the *de facto* standard of living
 in the United States is higher than in any other country in the world.
 This is true not only in terms of the average income per person but
 also in terms of the distribution of income. The United States has
 the lowest income inequality of any major industrialized country.
 The reason for this is that the United States has a higher level of
 income redistribution than any other country. This is done through
 a combination of a progressive income tax system and a social security
 system that provides a safety net for the poor. The result is that
 the United States has a higher level of income equality than any other
 country in the world. This is a major reason why the United States
 has a higher standard of living than any other country.

MYSELF

Sometimes I wish i did by Grime by Myself
Then again I'd still be doing this Time by Myself
They say the best way to Break a Man is to Leave him by Hisself
Then You Can Litterally sit back and watch that Man Destroy Hisself
Leave a Man with His Mind He'll Talk to Hisself
Or to His Sself
Bitterness and Pain Will make a Man Kill Hisself
Now your Family Surprised you did that to Your Self
I Guess it was the Cards that Quoted They wish you Best of Health
Giving Up on God Feeling You Can Bless yourself
If You Can get some Extra Help
You could Help Yourself
No More Wants to be on the Outside Living by Herself
Going to Sleep by Herself , Waking up by Herself
Now You Trulyly by Yourself
No More You in this World by Yourself
You take a Vow if you get Out
You'll Never forget how they left you by yourself
No More Better or Worse
In Life and Death
Wachess at this ~~Kiantika~~ Point I'm better by Myself
Crying to Myself, Lining to Myself ,
They give all this Time to Work on Myself
But i can't Protect Me from Myself
I stop Believing in alot of Things
I Need to see it for Myself without getting Even with Myself
Believing in Myself
And all this Time i been Talking To "MYSELF"

SORRY

If I made You Feel Bad I'm Sorry

If I made You Cry I'm Sorry

It's Hard to see Someone You Love Worry

Like it's even Harder to Treat Someone you Love Dirty

The Thing's You did still Hurt Me

But the Lessons I Learned from it

Made it all Worth it

To Love and Hate or to Love what is Un-perfect

Is to Not Fall Inlove with ones Surface

So if I made You Feel Bad I'm Sorry

If I made You Mad I'm Sorry

It's Hard to see Someone You Love Suffer

Even if Staying in the Relationship is Tougher

But to Love when it Hurts makes You every bit Tougher

So if I made You Feel Bad I'm Sorry

If I made You Feel Sad I'm Sorry

It's Hard to Care when You Don't Feel the Same

When You No longer Feel the Love when You just Feel the Pain

A Prisoner to Love

You just can't see the chain

So if I made You Feel Bad I'm Sorry

Now You know why it's Hard to see Someone You Love Worry

Even if You Can't Say

SORRY!!

I'Am.....JUST

You don't Feel how I Feel Because you ain't Me
If you was, then you Would, then it would Be
To Love Selflessly
But Not Love Me
I'm Bi-Polar and Depressed
Let the World Judge Me
You don't live, how I live and Not feel Me
If You Could, Then you Should
But Probably wouldn't feel Free
To Trust Everybody and Nobody
And not Trust Me
Trying to Please Everybody and Anybody
to get Everybody to Accept Me
You Do the Thing's that I did and Done
Could you Out Live Me
If You Did, if you Could
You'd Understand the Real me
To live how I live for Me to try and Kill Me
I've been Neglected then Abandoned
But this Sickness will Never leave Me
To Go Where I go, but already been there I been
But here is where it will Be
So go ahead and Feel Free Judge Me
I'm Just Bi-Polar and Depressed
And This Is The Real Me!!!

Pluck A Rose

She Loves Me So
She Loves Me Not
She Told Me So
Love never Stop
She Loves Me So
Her Love is Not
Not as a Stove With a Boiling Pot
She Loves Me So
She Loves Me Not
Look at All thing's Love Bought
She Loves Me Not
Is it Loves Fault
Look at All the Lessons Love Taught
She Loves Me So
She Loves Me Not
But I know She is One Thing
Love is NOT

IF I

If I Died would You Miss Me
Or would it Matter
If I Cried would You Kiss Me
If We Together
If I Tried would You Listen
To what Matter
A Deal is not Sensitive
But Somethings Matter
If I Lied would you Trust Me
To Keep Us Together
If I was Truely Thinking about Forever
Would You Push Me
To be Better
Or Just Complain about what don't Matter
To Frustrate Me
So If I Died would You Miss Me
If We Not Together
If I Comitted Suicide
Would You Listen
Or Scream about all thing's in our life Missing
If there was thing's I Purposely Left Out
But That's

..... IF I

JAILBIRD

BEAUTY hidden behind Steel
Feather Orange and White
So at Night there Deight
and still well Dressed
The Sounds of a Song played by Misery of Mistakes
To go far but no where at all
While the Song's there's here the concert will to concert WILL
Hear me Play, Hear me Say
For I Can Sing to the Hoarding Day
Respiration Carved into the Chest of a Flock
Water and Bread for the Belly of a Sparrow
See Me Sing, Hear Me Say
For There
Craving for Fresh Air
Daring to Fly in the Evening Sky
Wondering If I'm still Heard
Maybe If I Sing Louder, Sing Prouder
Deaf Knees become Blind Eye's
Jealous because Time Flies
Witnessing the Clouds Cry
But My Ground is Dry
They Say the True Bird Fly Miles High
Who Sings and Never Spoke a Word
Which I know You Heard
That's the Undeniable Beauty of a Jailbird !!

PEACEFULNESS

To continue to be a Fool

Is Foolishness

Understanding what is Understood and Equal only This

To Flower and Blossom without Striving

Truly Seeing or Staying in the Wall Flowering

To Point on a Rock is Discouraging

Wisdom encouraging anyone from Tarnishing

No Talking Now and Later

Forceful Foundation created a crater

Like Building a Sand-Castle

Next to the Water

Mind over Matted thought provokes 'bitterness and thorn'

Vindictive Man - castle

Fools Passive

How asked the Question 'wisdom asked' You

Before You let your Past Grass You

Your Future Past You

At the End of all time to 'know

So I ask You to continue to be a Fool is Foolishness

Understanding what is Understood and Equal This

PEACEFULNESS

SHACKLED HAND AND FEET

Shackled Hand and Feet, Feet to Hand
Being escorted by two armed Men
Locked in a Box by 4 no bigger than a 10x by 10
Eating Bread and Beans from a can
Exhaling Gase from a can
From a White Man spraying it because he can
Shackled Hand and Feet, Feet to Hand
As I'm placed in a Armored Van
Cuffs so tight i can barely feel my Hand
Upgraded from 6 to 9 then 10 to 10
Feet to a White Man
On his way to the frying Pan
The long arm of Justice
But i only felt the Iron Hand
I want to Go! But nobody bowed there Hand
Shackled Hand and Feet, Feet to Hand
I can't escape but they believe i can
If i could I'd leave this Land
I never wanted to be this Man
In this Van...Shackled Hand and Feet, Feet to Hand
Being escorted by Two armed Men, on a by 17 to a Box by 4
no bigger than a 10x by 10
Eating Bread and Beans from a can
Exhaling Gase from a can, From a White Man
Spraying it because he can
Eventhough I'm Shackled Hand and Feet, Feet to Hand

HAVE YOU EVER

Have you ever felt like you wanted to be a better person?
Even if everyone around you felt you was perfect..
Giving your last to a person because you felt it was worth it..
So you reserved it..
Life is crazy when you can't observe it...
Crying out your eye's, Paying tithes to your local clergy..
Praying for blessings hoping somebody heard you...
Trusting faith knowing GOD can desert you..
Believing in Him, knowing your feelings could hurt you...
That the feeling is mutual... it's just shaping you to be a person
A better person in the future..
Living life learn lessons will only teach you...
That really the student will become the teacher...
And you can be the one teaching everything you heard him preaching..
But in real life the real things are never mentioned, they just feel
Tension... especially if you a Christian..
So tell me have you ever felt like you wanted to be a better person?
Even if everyone around you felt like you was Perfect...
So you reserved for a perfect person...
When that person doesn't even feel worth it..
Looking for something and someone to worship..
Even if it's a worship...
For the woman in courtship when she was young she had a question..
Should I force her.. And for the man who support you... To a hypocrite
endorser, you out-sourced and you maybe paying tithes to the devil.. enforced
to not be one bit remorseful... So tell me have you ever felt like you
wanted to be a better person, Even if everyone around you felt you was

DISCOT !!!

ALL DAY

Forgive Me but a Horse Piss seems so Far Away

No More but I still had a Hard Day

I was Dealing With FAGISTS All Day

Litterally All Day

When I met a Nigger you'd walk in the Hallway

to the Ministry All Day

Forgive me but it's Always Yall Day

I'm a Convicted Felon is what Yall Say

but it is a Crime too

If they could Punish Yall for the things Yall Say or Say or Say or Say

In a Prison where a Nigger you'd only get, White and Blue

Black, white skin and blue eyes

I don't understand racism has Two Sides

And Two Legs

Listening to White Man Screaming they don't see the difference

between

the two sides for the Head-Head

Crime-Prize You State Pay

Crime Day

So Forgive Me but a Horse Piss seems so Far Away

No More but I still had a Hard Day

I was Dealing With Racists All Day

Litterally All Day !!

A Letter To My Willow Son

Dear William,

I hope you come out Strong

I'll be glad to let you have Everything that went Wrong

So that you can finally bring Your Name

I think Your Mom Jealous, She said I can't leave You Alone

I'm just excited to have a Hair to the Throne

Just now you don't look like you're getting a better life for being your Grand

And I sure really hope you like your name

Believe it or not I'm spreading your terrible two's

I'll be glad to bring you

Laughing at people's two's

And you should have all your teeth in a basket of two

I'll be glad to bring you everything I look at you

Your handsome, gorgeous, beautiful

The perfect example of wonderful

Laughing at my two's teaching you

Your grand old father

And you get a good old father

To teach you how to be a good father

And if you like to be a good

You will work hard, go to school and find a job

And let your life like you respect your name

Your only get back is being a father and a good

To say going to think you're a good

And if the police tell you or a boy you think you're a good

And you'll be a good father

So they don't think you're a good father and you're a good father

And they will stop you from looking back, I'll be glad to bring you a good father

And hopefully your experiences in life will save you from a bad father

IT OVER IT

I'm Cool I've loved It

I give you the best part I can

I should have It

She took my heart Ripped it Apart and Folded It

Now You Confuse me because I can't understand why you Stay Over It

Because I've loved It

Could give you the Best part I could It

For my Thing you are the First and Only Thing It

Changing our Relationship Slow and Stepping over It

It's like the love that you're in

Wishing it to you you still holding It

You give me the Best part I can but you holding It

If you don't start Controlling It

That will be a real Mistake

I've loved It

And I don't want to leave you out you know that

You really are full of yourself I've loved It

You're Sexy like a Pro from Detroit

And I've never met someone as Cool as This

Man my life is as Good as This

Trying to be the best thing like a Man you find

And you and mistakes happen in the future

That's the only thing helping me with something like

It's over It

Just because you broke up with me I've loved It

It's like a Girl who thought It

It's like you, but it's not you that it's not to get it done It

Sexy like I'm Cool and It's

LETTERS

If I Close my Eyes I'll Feel Like Before
That the Moon You are with the Night Before
You Different from what I liked Before
You don't have to stand Light You Glow
I'm talking about the Type that Show
That I know If You like to Know
All the Secret Things I'd like to Go
Just to Enjoy a Light Show
If I Close my Eyes it will Feel Like before
The Night before
The Night before
You know the Moon I'd like to Know
And I know the that you liked to hold
The time Nights was Cold
Pillow talk talk let me tell you all I know
The way you listened before
So I feel like it allowed me to grow
It allowed me to hold
The way the way you kept me to hold
When I Open my Eyes it will Feel like You kept my Soul
That you was only using me to get Your Goal
And all that time I was just fantasizing about a woman I love

My Love

To find something you lost

you must lose something to find

Even if that something is Time

Attaching your life to Pain that has once left behind

is only overwhelming yourself in the present with the present of
being "lost"

Well, I'm going to punish myself with these fears this Time

So many Responsibilities for these little lights of mine

Even if I don't have a life of mine

The Time overjoys this pain inside

Sometimes it feels like I still could use some time

Year's ago it seems like I lost my mind

My side has affected and I lost that Time

Startin' ● from the bottom can be really "hard" sometimes

● that went in you to that Passion you had that Time

That kept you to that Drive, that brought you alive

That kept you to that love that help you survive

You can't bring people feeling "neglected" & "fired"

That's why to find something you lost

You must lose something to find

Looking in the mirror and say "I, Better This Time"

I'm tired but I'm going to make something

I'm not going to rush into a relationship

I'm going to wait a little longer ● this Time

And I'm try to talk to my Mother this Time

I can't take a flash of pictures when I'm making something Time

Just to say "These moments in Time, is what I find something you lost

you must lose something to find, even if that something is "Time"

I AM WHO I AM

Today my Mind went Racing but now it's Exhausted
By a Mindless chase that Possess No real FinishLine
Stuck between feeling of logic, Conflicted with Happiness attached to
Pain
A Quivering note of Sorrow, Drained by Disappointment Neglecting
The Needs of a Hollow Heart, yet not fully refined but merely Mute
Civility ~~gnawing~~ provoking the interest of a ~~SHITTING~~
Ignoring the flames of Human Flaws
That seemingly always Peak an uninterested Conscious to unmistakable
Regret
Pasting a Unbelievable amount of Bitterness to Soul of a Black Sheep
I AM WHO I AM
Grains of abandonment Flaked from a Single Root
Unaffectionate Pebbles that wither before the Season of Rain
Weak rooted Tree's only Fall in the Midst of thunderStorms
Uncredited for Boldness, Strength and Resistance in Retrospective
Granting a Personality Severely neglected and ~~unhonored~~
A Saint alone in a Crowded Room, Yearning for a Purpose
If only the mirror of my Luck reflected Half of my known
Identity
To I pick Seeds from my Knees
That are 'Wise' and Aching from Prayer
Feeling has no Time Schedule
That a Miserable Frustration to Possess a inheritance of a Garden
of Bitterness
Feeling Hated and not 'Hated' attached to a last name that ~~xxx~~
no-one recognizes as their own
I AM WHO I AM
Gladly Wiping Tear's from the Gates of my Soul

Essentially reveal landscape of a sinner
Struggling to catch the person behind him
Preventing any reasonable amount of forward progress
Not soothing the emptiness inside me

I'm the I Am

For I'm afraid

Which is directly felt: this fear that ignites my very existence
Of survival

Once unyieldingly Yoked to an angel of vindictiveness

Not unyieldingly balanced and forcefully happy to a secret

Installed a massive amount of distrust within a heart of justice
Catharsis

Belongs to a race of a thousand Tears

Each defining reason, but none are responsibly present

My grand thought a Family Tree

The fruit of a bad Seal

Grown from the desert land

I'm the I Am

Willing to this, as if I've sworn upon a Oath of Loyalty

Believing it the best of my ways

Unintentionally, revealing and theoretically unnecessary

Even as it is, and such as I am

Knowing but not that is, that one can't that could be

I AM THE I AM

PROMISES

Provided the Family Sees

That every Promise You Make

You Truly Mean

In the way You Live Your Life

And the other Broken Promises I Do Not Think

Of It

And not ~~with~~ a Promise just Today

So it's ~~not~~ to Live

That you do live not to love but love and You don't think

So Promises get kept to last

That's what but for it

Getting to last

So that I'll keep my Promise Good

And you live I promise Not to Hate

In the way I promise Not to Stay

Then as your Promise You make you learn to Care

So that

So that you do live not to love but love

That's what you do

That every Promise I believe was not fake

You should know Promises You Promised not to break

That you should know you will not quit

You so I'll not Stay

And you will Stay

And I'll keep Promises that would keep you safe

And if you do break a Promise to a person, that person will know

And I'll not stay

1. The first step in the process is to identify the problem. This involves gathering information about the situation and determining what needs to be done.

2. Once the problem is identified, the next step is to analyze it. This involves breaking the problem down into smaller parts and understanding the causes and effects.

3. After analyzing the problem, the next step is to develop a plan. This involves determining the best course of action to take and setting goals for the solution.

4. The fourth step is to implement the plan. This involves putting the plan into action and making any necessary adjustments along the way.

5. Finally, the last step is to evaluate the results. This involves assessing the effectiveness of the solution and determining if any further action is needed.

6. It is important to remember that the process of problem-solving is often iterative. This means that you may need to go back to previous steps as you learn more about the problem and the solution.

7. Additionally, it is important to communicate throughout the process. This involves sharing information with others who are involved in the solution and seeking input from them.

8. By following these steps, you can effectively solve a wide range of problems and achieve your goals.

The first part of the report deals with the general situation in the country, and the second part with the specific details of the work done during the year. The first part is divided into two sections, one dealing with the general situation and the other with the specific details. The second part is divided into three sections, one dealing with the general situation, one with the specific details, and one with the conclusions.

The general situation in the country is described as follows: The country is a large, sparsely populated area, with a population of about 10 million. The climate is generally dry, with a long, hot summer and a short, cold winter. The soil is generally poor, and the land is mostly uncultivated. The main occupations of the people are agriculture and stock raising. The country is rich in minerals, and there is a large amount of coal, iron, and copper. The government is a democracy, and the people are generally well educated.

The specific details of the work done during the year are as follows: The work was done in three main areas: agriculture, stock raising, and mining. In agriculture, the main crops are wheat, corn, and cotton. The yield of these crops is generally low, due to the poor soil and the lack of irrigation. In stock raising, the main animals are sheep, cattle, and horses. The number of animals is generally low, due to the lack of feed and the high cost of transport. In mining, the main minerals are coal, iron, and copper. The amount of minerals mined is generally low, due to the lack of capital and the high cost of transport.

The conclusions of the report are as follows: The country is a large, sparsely populated area, with a population of about 10 million. The climate is generally dry, with a long, hot summer and a short, cold winter. The soil is generally poor, and the land is mostly uncultivated. The main occupations of the people are agriculture and stock raising. The country is rich in minerals, and there is a large amount of coal, iron, and copper. The government is a democracy, and the people are generally well educated.

ACKNOWLEDGMENT

If it matters I'd like to THANK ALL the people who are by my side. All those that never forgotten Me in My Time of Need for no reason, for no mistake in my Life could change there Love for Me. Those who don't do it for Fame sake or for Short cuts in My looks. But those that totally care about My Health, Safety and as Well-Being!

I'm talking about the People who lock hand for Since I am not still see to it I'm not back and or going without. Those that don't fail to be careful about My Birthday is, Those that don't forget me around Christmas Time. A long-Time ago I realized that Blood is what makes People relatives (related) but Loyalty and Support Mixed with Love is what makes People Family.

To be Honest I really couldn't do it without You all. I really Appreciate all the Support and Love, for we all could use Someone's Help even when were wrong. To hold Bitterness, to not believe some of your is really hard to Truly understand life you just understand the Concept of Family for a person can never be Supported and Not Know it, nor can they be Loved and Not see It!

For the Prisoner on Lock and Key with someone to call for Help, Write for Comfort and See for Affection, don't let it make you Hateful this Life we are Living will be full of Disappointments Adversity, and Embarrassment. Have Courage, Peace as You seek understanding of self and all thing relating to knowledge, Wisdom and Understanding. I also would like to thank those who have Shared My Talent and decided to invest in me I hope you can without you I still can't live anyone to Share it with...So Thanks
