About Arlington Anselmo Heyligar Jr. #G41610
 The Author of the Book Called "Emotional Atmosphere"

I am a South American Indian Guyanese / Puerto Rican & Black, Born on June 26, 1990 in Miami Florida. I am a fraternal Twin 10 minutes younger & both of us share these beautiful unique talents as Writers, Poets, Lyricist & Visual Artists. I am an anonymous Ghostwriter & have been ghosting for a little over 7 years. I write Poetry Books for Author's anonymous & known Author's alike, & charge for the project usually for a whole Book a lot less than most Ghostwriters Do. Most professional Ghostwriters charge by the hour, per page, per word, per project & want a percentage off the back end sometimes but most definitely want cover credit. I charge outright, depending upon the page amount, & if there is a deadline to be met. Most ghosters charge per project any where \$40,000 to \$66,000, But b. for celebrity books any where between \$15,000 to \$150,000, & range much higher. I charge any where from \$10,000 per project!

If you've enjoyed reading this short & interested in a Poetry Book & or Ghostwriting please contact me directly at the present until then may God Bless you, God Speed!

"Possible Heart Beat"

#1)

Dying are we?!,
Havent we died?!,
So to speak,
Or am I still breathing?!,
That same old heart beat!,
possibly?!,
Who's to say?!,
The heart's weep!
A left over cry!.,
Begs thee,
for sleep,
vibrant!,
lyfe vibrates!,
Carry me under a pass,
where no light penetrates!,
Revealing it's mask!
Two smiles,
one face,
multi-dimensional skin!,
Twins maybe think alike?!,
Reserving the flint!,
of lyfe,
possible Heart Beats.

Title: Emotions / Atmosphere

Delicate & fragile,
 Emotional Antique!!
 physical smears applied,
 By a hand's Imprint!
 Some kind of passion's fruit lies inside,
 An expressive Being!
 Harnessing the equalizer's,
 Dominate Species!
 Veteran lover's,
 Conquering it need's!
 Appraisal,
 Thy teacher!
 As student Beliefs!
 Peace be with you,
 Imprisoning me,
 And all of your secret's!
 With held,
 To Bleed.

"The Waiting"

#50)

Strangled Happiness,
Re-appearing yet again,
Each day!
A planet's awareness,
Staged!
Applauded in water,
Romantic ~~opera~~ opera,
Inner phantom,
The Black Swan dances!
It's gaze,
Sweeping the shadows!
For any enemies!
To bathe.
The rival's return fire,
And bursts of anger arise!
Fierce warrior's they all seem?!
In battle thou not cry!
Instead we wonder what lies at home?!
Our kid's?!
Our wives, or Husband's?!
A note, of some kind?!,
Apologetic they are!
Surfaced.

"Stage fright"

#4)

It's funny,

Being the kind of artist, that I am!
Frightened of all these people,

Enjoying my epiphany!

I wonder what I look like?

perhaps I look like an Imp?!

maybe a professional juggler!

Juggling,

The price is right for them!

fascinating the crowd is!

Awaiting answer

Under the influence of depression,
Intoxicating perceptions,
Of the loss of communication's!
Throwing me into a river of disaster,
Behind the shadows,
Of a psychological puppet master!
Massive images through delusional illusions,
Seen from my peripheral vision institutions!
I guess I'm just crazy!
But aren't we all maybe?!
Savage the world sees us!
Vaguely,
Sweating emotion's unfamiliar to the outside world,
And shamefully we hurtle through each obstacle,
With hysteria,
Appalling our appended families!
Appologetic our appetites,
Need appealing approval!
Blatantly speaking,
From your point a view!
Not really realizing what your spuriousness may cause?!,
For some of us on a daily basis,
we squall!
And squabble!
Under the influences of depression.

"Late Bloomer's Laugh"

#7)

Forever growing,
Long & hard are thy struggles!,
Soft yet not pleasant,
At present I'm doubled!,
Over upheaving my wrongs into rights!
Was before medieval times,
Sin's vanquished one's life!
There's God's!,
And God,
Whom you choose to worship?,
Who's to say what religion?,
Too what end are we smitten?!,
We live, we love loyally,
perhaps!
Sometimes a nutritional,
supplement's the part!,
were seeds in soil,
And age we must!,
Haven't much a choice, have we?!,
Save our eyes,
That are just!,
Our hearts will flutter,
And lungs will expand,
Our voices a winter's temper!,
uproaring displays,
Of a late bloomer's laugh,

Title: Emotional Atmosphere

Wide awake I am!,
Never slept a day in my life!,
Apparently born this way?!,
Need not to sacrifice!,
My heart eclipsed in a dark frame!,
Humming the gift of flight!,
To see the world as his mind created,
God's mankind!,
Different were suppose to be?!,
Angry if you fight!,
Love onto one another as you should!,
To find the light.
I'm the arm be the hammer,
Cocked back & snuffize,
The Ocean floor evolving,
Into something Bigger!,
Than my eyes.

"Run Away"

9)

Running unwanted,
By those who've claimed me!,
Just, not justice!,
Incompetant I'm claiming!,
Emotion's drying up!,
Feelings are bare.
To look upon the scarred,
Seeking some shelter?!,
Shall find none here!.
Angryly aborting, what safety I had!
Wasn't wanted anyway's!
What choice did I have?!
I loved hard!,
To hate was weak!,
Yet weak I became!,
As I continued to dwindle,
In my past,
In vain.

Embrace you, up in flames!

"Amy Survivors"

11)

Eruption's tremble,
The core beneath her chest!
unrippling the life raft,
I place her aboard,
Captain I am now!!
I Need more eyes like yours,
fore my own departed!
Some how washed ashore,
During the storm!!
No big fleet is mine!?!
But served it's purpose, just fine!
To keep the waves at bay,
for just awhile!
I feel I'm needed again,
perhaps wanted!
I've been re-seated, where I belong!
As we hold one another
To pass the time,
Comforts, Released,
As rescuers, we've survived,
The unaccomplished.

"Everyone Knows"

#(10)

If I cannot,
Walk on my own!?!
Things may seem,
Oftenly cold!?!
When have I ever,
Had any hope!?!
Please!!!,
Don't let everyone know?!
If I cannot walk,
ON my own!

"Hope I make it"

#13)

Segregated hope abolished
The fixations I once had
Now flammable thoughts
Vision's virtually a village for my hope
Vicarious vicissitude consumption's
An accidental disease I struggle with
Verve not so much
Opposing because I'm lost
But optimistic each & every single day
Scared of the ominous onslaught
of past, present, & future's omnipotence
An ointment
A sedative optional
And perhaps opulent
for hope
Hope I make it
Say's thee oracle.

"Cupid carries my love"

14)

Some say were blind by love?!
I say were blind too someone whom carries it!
When feelings have struck,
We both have experienced that tug!
And it lasts for moments at a time,
As if we've been bugged!
Imagine that?!

Invisible hands planting the emotions,
And pick pocketing the unattraction remaining,
An ulterior motive!

Our expressions flattering one another,
Extorting laughter!
Encouraging each other to blend exclusively!
Exotic postures.

Cupid exported extensively exploits,
The impressions of love exhausting,
All of our joints!

Explosive imports imperfect & flawed!
No incident it grised!
Inception evolved,

Cupid!
The deliverance!
Vigilante,
of love.

These walls have ears!,
 And they hear everything you say.
 Sometimes they know what you're thinking?!,
 Because they're thinking just the same!,

 A compound filled with elements!,

 To ~~be~~ decipher the reality of one being from another!,
 For sometimes were one & the same!,

Born not knowing?!,

Whom I am?!,

Nor what I am?!,

All questions remain unanswered!,

Till at last I ask?!,

Do I wanna know?!,

Must it hurt?!,

Will I forgive?!,

presence past!,

was I special?!,

Did she want me?!,

Was there a moment?!,

was she captured?!,

Did I laugh?!,

would she smile?!,

Hum a tune!,

And rock my cradle!,

Through out the night?!,

And when I wake her,

With a burst of tears,

And cry!!

was I fed?!,

Her loves milk,

of warmth life!,

My Surrogate's fast,

Mother!!!

Surrogate,

I'd ask?!,

 Reak's of anguish!,
 And I don't know why?!,
 Sometimes I feel complete,
 And other times I feel deleted!,
 My heart is severed in two!,
 And speak's of a loss so great,
 Nothing can be compared to it's mistakes!,
 Not even fate itself!,
 For faith had it by a thin thread,
 Hanging above the moving asphalt!,
 Beating weakly!,

Though responsive to one's actions,

paralyzed by paranoia,

The unexpected sequences,

Casual maybe?!,
Not at all!,
Given some time,
To relieve ourselves,

"Behold The Love is on my Shoulder's"

#23)

We are all immigrants of Love!,
And as beginner's foriegners,
Not so reluctant to be dismissed so easily!,
Diminishes the human Spirit,
And injures our inner being's!,
Levitating above liberties,
Our daily lives become almost like the libretto!,
Orchestrated by our indifference!,
Most times leniency,
Gives us all the leverage we need,
To start anew & greater conversation,
Partner's inquisitively insane!,
Wanting to innovate an afflicted emotional lust,
So intense are these interests,
And an intelligence love is!,
upon thy shoulder's once loved!,
"Behold!"
The Love!,
Is on my shoulder's!.
