know that each  
man shits his turd

undismayed  
by the things which  
he hath made  
and never yearn  
to change for another

## Greed

If what you see  
you think is free  
and cost not a penny one

you want to buy

before that you are done

in his mind man ~~is~~ always blind  
his own mistakes ~~always~~ repeat  
he learns one day to his dismay  
dont buy what you cant ~~eat~~ eat

A hungry hog  
and a broke dick dog  
were having a conversation

at a roosters ass  
on account of some lovin to find

chased him clean round the yard  
with it stickin out hard  
you might say he had cock on his mind  
theres a statement of wit  
underneath all this bull shit  
about a true fact of life you should know  
when a cats passion is warm

1940's

kindred spirits are girls

Joy

Meet joy a fine lady  
whos past is a bit shady  
she lived all her life by her wits  
joy looked for a man according to plan

take roy a hard working boy  
the janitor at sunnys gym  
roy crazy bout joy  
and gives her all his money  
needless to say sher loves him

security falls and the wilder life calls  
cause the ladys born restless inside  
joy out onthe town  
and chippin around  
though her doings shes carefull to hide

at the bar silver slipper  
theres bill the male stripper  
he ends up with all her cash  
and the keys to roys car  
laying infront of the bar  
joy is passed out back with the trash

now bill delights inthe musclar type  
shuch as sunny who runs sunnys gym  
bulls crazy bout sunny  
and gives her all his money  
~~who doesnt love sunny~~  
AND needless to say she loves him

Joy Continued...

now sunnys sexed kind of funny  
she goes for a helpless young boy  
at night shes been seen  
helping keep the gym clean  
who knows ~~maybe~~ sunny loves roy

from one tothe next +  
on what evers pretext  
the money trail winds  
as it goes and each  
one loves true or says  
that they do so true  
love keeps thriving and grows

shed these people a tear  
when their story you hear  
i laugh cause i want to be mean  
some where i read  
a wise man once said  
the color of true love is green
