MY LADY POEMS - LINDSEY WILSON

INTRODUCTION

This is a Basic poem book about
My Lady. Yes, thats her name Lady.

To my Lady I Love you
always and Forever on
a G-Tip. I know you Love
me, too. And, I hope your
Feeling this. It's For you!

FINDING My LADY

This is real, though it seem crazy/
About me Finding my Lady/
Sure enough through my Status/
And woman I wanted, I could have this/
But my Lady is the woman that matters/
me and her together is like a pattern/
Like a Fast and Furious wild ride/
A Superior Bonded Bonnie and Clyde/

My LADY POEMS - LINDSEY WILSON

EVERYTHING I DO, YES SHES DOWN TO RIDE/

ALWAYS IMMEDIATELY BY MY SIDE/

WHEN I LEAVE A PLACE SHE ALSO GUNNA SLIDE/

MY WORD SHE ON POINT, THERES NO REMINDING MY LADY/

THATS WHY I LIKE THE POINT OF FINDING MY LADY/

BRINGING MY LADY HOME

While I knew my Lady was potential Gold/
I had to give her the Game, to bring her Home/
I know what I'm saying your not getting/
When I say "Brought Home", not a place that you live in/
It's the respect, honor and loyalty she'd had to give in/
Of course the chicks in the crew had to move to set in/
My Lady wouldn't be my Lady due to begging/
She did have to show she was about business/
and now I let my mouth witness/
She in the Ride, in the Whip, the Car/
She so right, and she equipped, a star,

My Lady Poems - LINDSEY WILSON

Never will she ever be alone/
Forever with me, never see her on her own/
We are on the same page, same zone/
The exact same stage, I leave her gone/
That's the work I put in that's lingering on/
That's what it's about in Bringing My Lady Home/

My Lady Home

my Lady Home /

You know She on /

With me She Belongs /

Today, I Made her who she is /

This way She stay on top of the Biz /

She on her A-Game, on her Grown /

When I made her official, an A.P.B. made known,

that Lady was real, realer than this poem /

for a Beautiful Lady, she is real strong /

Shes a Fighter like a Chinese Martial Artist From Hong Kong /

my Lady is always good to me /

Every time she stays nice and sweet /

That why our status is on one /

And its all because my LADY Home /

My Lady POEMS - LINDSEY WILSON

My Lady Boss

My Lady is worth more than any cost /
That's why she paid to be the boss /
Some jealous people close by turn and toss /
Lying in their beds trying to sleep /
Because my Lady being the Boss to them is way to deep /
If they left the team, that's cool with me /
Because my Lady is loyal whenever I need /
To them her loyalty don't mean a thing /
That's because they ain't never seen a thing /
This is why Grade is A Floss /
And I made my Lady Boss

My Lady ORDERS

Traveling, Unraveling all Areas and Borders/
It is true My Lady ORDERS/
What She Says goes/
As Long as She lets me Know/

Shes the Leader of the Group/
While Shes Second in Command and my Troop/

And She is the Deal Touper/
I knew this before I really knew her/
IF I owned property it would be through her/
EVERYTHING She do is Amazing, it makes her Super/

I Sit back Imagining some Close Quarters/
I am cool with that, my Lady orders,

My LADY POEMS - LINDSEY WILSON

She don't take No Shorts/

IF YOU aint right, don't go for it/

You gotta come real, come correct/

IF YOU aint bout that life, gone respect/

Don't come towards me to ask what next/

I Couldn't tell you about New York or Florida/

AND I Can't tell you about or talk what my lady orders/

MAKING my LADY KNOWN

Now that my lady is on Top Rank /
She is Grateful and doesn't STOP Thanks /
So this is why I keep making my Lady known /
Like I'm doing with a new Book and this poem /
That's just how I keep up the keeping up /
Things I must show I'm dreaming of, what I'm speaking of /
It's always on my mind, my desire /
All ways of trying to find a Fly Empire /
Putting it together is nothing to wrestle /
My Empire gives me a Queen, I'm King of the Castle /
That's why I'm in my 360° zone /
And I continue making my Lady known.

My Lady Is Known

My Lady is in her own zone/
Even though we connected, she got her own flow/
Because now my Lady is known/
There levels to this, and she notices/
If real is the key, my weapons she holds it/
She says real words to my heart, like a poet/
She's ahead of her game, she shows it/
Some one use to have the fame, she stole it/
She put the fire in the flame, at the stove top!

My Shorty / my lady is re-born /
She has me so surprised /
She has me also mesmerized /
That she knows by Truth, and no lies /
making it a point that is fully blown /
Yes, my woman, my lady is known /

MY LADY HOLDING IT DOWN

As Funny as this sound/
My Lady Holding it down/
Because I Finish molding her now/
She's definitely Folding people like paper/
Don't ask the When, Why, or how/
Just know that that's my Lady, now/
and my Lady Holding it down/

My Lady RUNNING THE SHOW

Watching the Hood getting Gunned Down East and Slow

My Lady ON TOP OF THINGS Running the show

While she gangster, she got a pretty glow

she ain't no pleaser, she got a get me flow

she do it all the time she go

YESSS SIIIRRR, My Lady running the show

My LADY POEMS - LINDSEY WILSON

My LADY IN OFFICE

This will be said every so often/
My Lady is now in office!

She more than just a resident/
more like she's a President!

And why? just 'cause I said it!

Step wrong and where is it headed?

Because I move silently, some things can't be mentioned!

It is some image that will be held suspended!

Until it has to go there and is needed depended!

All you gotta do is be cautious!

And remember My Lady in office!

My Lady SHOT CALLER

My Lady, Yes I Spoiled her /
But Also gave her tough love, now shes a shot caller /
She say something and its an order /
You can't escape it going across any border /
Keep it in mind, My Lady shot caller /

My LADY POEMS - LINDSEY WILSON

My Lady is Controller

Until the day its over /

my Lady is Controller /

Pay attention and remain sober /

Say or mention again anything to get over /

and deal with the fact, my Lady is Controller /

My Lady is King

Where you been /

It's acquaintance in this life, aint no friend /

Stay aware and check the scene /

This is real stuff, aint no may be thing /

If I left this earth, of my Empire my Lady is king /
