# HOW CAN IT BE By Larry J Hodges

I'm sitting in jail, wondering how can it be.  
I thought I was alone, until I felt God in me.  
I wish I could take back EVERYTHING I've said and done.  
So I apologize to God and to everyone.  
How can it be I thought I had it all figured out

Until I started to listen to my heart instead  
of with my mouth.

Although I sit here thinking it could be a lot worse,  
for all I've done I could be dead and riding in a  
hearse. It's time to stop doing wrong and  
start doing right  
so I let Jesus Christ back into my life.
