Obsession

①

Obsession!

never thought I'd be victim of it
until I see yo complexion,

Obsession!

I keep having these thoughts of
seeing you undressing,
I need you in my possession,
yo sexy titties got me sinning and
asking God for forgiveness,

Obsession!

cant get you off my mind it seems
as if you possessed me,
possessed and obsessed call the priest
I need to make a confession,

Obsession!

I dont know if its a curse or if
its a blessing,

Obsession!

you keep my heart bursting just
like a smith and wesson,

②. 1

yo nipples hard from erection, yo thighs ²
covered in wetness, my tongue licking
yo necklace, I'm sliding it down yo body
putting it between my,

Obsession!

first I slide it down where yo back
at, then slide it between yo caresses,
I slide it into yo first hole, then inside
yo second,

Obsession!

I wana put you in a buck just to
see yo expressions,

Obsession!

visualizing you sweating, listening to
yo body talk, my body receiving the message,
my obsession with your perfection got
me loosing my senses, you can be the
officer let me make the corrections,
take you to different positions, I'll
let you give the directions,

Obsessions!

wit yo hips, yo lips, and even yo eyelashes,

Obsession!

yo voice, yo hands, yo smell, even yo

glances,

im obsessed with your essence, and just
being in yo presence, Sprint and Verizon
couldnt contrive a stronger connection,
then my

Obsession!

with you you keep adding to my
collections of fantasies with you in
the back of a Lexus, tearing down
the seats until aint no more compression,
of my

Obsession!

inside my mind we doing the sex olympics,
I got yo body stretching, and doing
things like a gymnast, compassion
yo legs trembling yo ~~toe~~ curl in
succession, we both cumming in the
commission of my

Obsession!

you always peek my interest, I wana
try you out, try you out like an audition.

Obsession!

you shouldnt work cause beauty
is yo profession,

Gerrard Chestnut

Obsession!

(4)

cant get you out my system you got me congested,

Obsessively, obsessed with my obsessions of what I'm being obsessed with, and you can tell that its Obsessive from by what I just writ

(Obsessions). . . even as ~~I~~ I'm going through so much oppression I've never seen anything more precious these are just my Obsessions!

pg. 4

Gernard Chestnut

Fantasy

Rose pedals fall from your eyes
everytime you blink,
Thirsty for your juices
your passion is what I drink,
Diamonds inside your eyes so your
looks are flawless,

Honey drips from your lips your
tongue melts like chocolate,

Silk falls from your hair
Fire burning by your stare,
you take stars away from the night
when you smile,

You move away clouds and bring in light
by your style,

your beauty has no prescription
and your body is an addiction,
waterfalls flowing inbetween your thighs
shedding tears of passion your eyelashes
can blink the rain from the skies,
Rubies glowing from your skin

your touch is as delicate as the wind, ⑥
your eyebrows are like sunset,
your chin is like sunrise,
your heart if wana undress
our bodies if wana combine,
mountains envy your breast your nipples
creating a magical scenery,
I'm in a robotic trance you control my
machinery,
the sands of the beaches admire your toes
the most precious ballerina would get
jealous of your pose,

heavenly grace in your legs
you must be an angel,
you always loyal to my needs by
keeping your sexiness faithful,
my heart is your cradle

I'm rockin you like a baby,
I'm inhaling your words your voice is
the sweetest fragrance,
you got the gold medal of my heart
we do the sex olympics, you like Gabby
Douglas in the dark,
your beauty is royal only fit for a Queen,
Loving you is like a Fantasy
you are the woman of my dreams. @6

Love Like the Ocean

my Love for her is like the Ocean,
it just keeps getting deeper and deeper
like the waves upon the sea in motion,
just like the shore they always reach her
even when shes not here,
I can hear her like a seashell to my ear,
my Love for her is like the Ocean,
drowning me inside my heart,
like a scuba diver go exploring,
I'm searching every bodypart,
if we went to a seaworld place,
she would be my little mermaid
my Love for her is like the Ocean,
and my heart is just the island
in paradise with her emotions,
her Love is always shining
even when shes not here,
I can hear her like a seashell to my ear,
my Love for her is like the Ocean,
its a Tsunami inside my head
flooding every place I'm going,
every thought that I ever have

Gernard CHESTNUT

the waters never end,
 and I could never let go
 cause she's my everywind,
 and I am just a sailboat
 my Love for her is like the Ocean,
 she's splitting me like the Red sea
 as if she was Moses,
 and like it was Pharaoh I ~~never~~ want
 her with me,
 even when she's not here,
 I can hear her like a seashell to my ear,
 my Love for her is like the Ocean,
 the waters never end.

pg. 8

(9)

Deadliest Passion

If you died like Juliet,
then I'd gladly die as Romeo,
Our Love is Bonnie and Clyde
Dangerous, Unpredictable, Ruthless and Deadly,

You hold my heart hostage,
my Love is like venom in your blood
you breathe with my breath,

I listen ~~to~~ with your soul,
you see through my eyes,

I feel with your hands,
you walk with my feet,

I stroke with your rhythm,
you think with my mind,

I lick with your tongue,
you ride with my stick,

I sleep with your dreams,
you smell with my nose,

I drink with your taste,
your ecstasy is my weakness,

my pain is your hurt,
my sex is your addiction,

your body is my infatuation,
 your smile is my happiness,
 my anger is your rage, and fury
 your stress is my frustration,
 my jewelry is your beauty
 your strength is my backbone,
 my style is your admiration
 your walk is my language,
 my words are your voice
 your spirit gives me life,
 my legs hold you up
 I kiss with your lips,
 your future is my destiny
 my fate is your blessing,
 my suffering is your agony
 your perfumes are my senses,
 I reminisce with your memories
 you chew with my teeth,
 I bathe with your desire
 you run with my energy
 I pray with your presence
 you move with my actions,
 my arms keep you strong
 your breast are my satisfaction,
 I couldn't live without you
 you are my Deadliest Passion

10

GERNARD CHESTNUT

Playground

11

Her body like a playground
all we do is playground,
I put her on the slide
everytime she lay down,
I take her to the sandbox and show
her what my dirty hands bout,
do her like a seesaw up and down
front and back,
pushing like a swingset
and she start getting wet,
eyes blurry when I go down
cause my tongue start flickin
like a merry-go-round,
lick it until she dizzy,
then I hit it like a tetherball she
throw it like a frisbee,
we always playin tag
then I'm snatching off her clothes like
we playin flag,
all over the bed
her body is a jungle gym,

pg. 11

GERRARD CHESTNUT

her ass like a basketball
I slam it like above the rim,
layin in the grass and all
she wetter then a water fountain and I need
a sip,

just like I'm on the monkey bars I gotta
keep my grip,
anytime she need sex

we just call it recess,
lets go to the playground rock her
like the swingset,

smack it like a tennis racket
we dont even need nets,

back and forth across the court
I dig it like a volley ball,

spike it hard, she like Oh Lord,
I'm serving up alot of balls,

she do it with no hands to me like
we playing soccer ball,

I even had her rock climbing,
rock climbing up the walls,
even climbing up the ropes,

she got me playing tug-of-war,

Gerrard Chestnut

use to play hide and go seek,
now its hide and go freak,
call it hide and go get

I hide it in her so quick,
she wetter then a water fountain and I
think I need a sip,

my body covered drenched in sweat
I been playin too hard

show me where the benches at,
her body is my playground

I put her on a slide everytime
she lay down,

like we in a sandbox I show her
what my dirty hands got,

do her like a seesaw
up and down

up and up and down.

Sexy Lips

14

I cant even trip
I wana suck yo lips,
from the bottom to the top
and suck everything between yo hips
from the bottom to the front,
wich ever lips you let me suck
yo lips is all I want,
besides your beautiful eyes
your lips are my favorite feature,
everytime I see your lips
I'm wondering) wich ones are sweeter,
the ones on yo face
or the ones on yo waist,
I wana taste them both,
suckin on yo lips so deep
my tongue will reach yo throat,
you awaken my senses and all my pores,
I aint never seen no lips like yours,

pg. 14

GERNARD Chestnut

lips so full and lips so thick, (5)
when I see them I know I've truly
been blessed,

it's a gift and a curse to be where
I'm at,

a priceless gift of seeing yo lips,
the curse is the prison cause it interferences,
I never felt this type of passion in
the way it appears,

inside of my veins these feelings
so real,

these feelings I feel,

stimulating all from yo lips,
it's crazy) but it is what it is,
put your trust in me I want lie
to you,

and no matter what you do I got
a eye for you,

these words you read no one ever read,
and things I speak no one ever said,

cause these are the secrets of my soul, (16)
and what I say comes from deep within
I swear yo lips shine like Gold,

you pierce me with your eyes
and your lips patch up my wounds,
when I try to face yo sexy stare
it melts my heart like baze,

yeah I got this thing for you
but dont take it for a weakness,
cause even if I didnt like you
my heart couldnt keep these feelings
secret,

if I said anything wrong inside
this poem I dont blame you if you
trip,

but no matter and however yo response
I wena Thank you for your

Sexy Lips

pg. 16

Candy Shop

17

your toes taste sweet as cupcakes
apple pie crust taste,
with strawberries and whipcream
red velvet lip cream,
peach cobbler filling in it
pink and yellow lemon dripping,
sweet as frosted glazed donuts
caramel honeybuns just as sweet as yo butt,
big fine round shaped
just like a pineapple, upside down cake,
and I beat it up just to call it poundcake,
nipples on hard as chocolates
dark chocolate
milk chocolate
titties soft as candy cotton,
eyes pecan pies,
sweet and nice like some pudding rice,
with a bunch of frosting,
on your neck with sprinkles cross it
cream and cookies
eatin at nookies
putting the snickers in it gushing,
and ya know its king sized
with yo jelly bean thighs,
chewy
cherry filling gooey

pg. 17

Gerrard CHESTNUT

jelly spilling booty
 how it jiggle just like jello,
 chesecake yellow,
 skintone
 and her girlfriend complexion like a swissroll,
 lil debbie earlobes
 nibble on yo earlobes,
 laying on yo hot fudge
 body sweet as skittles,
 suckin on yo gumdrop tongue
 candycane lickin with vanilla mixing
 in the middle,
 like a pastry on the window
 in a bakery,
 I gotta lick you like its twizzlers,
 cinnamon must be yo legs
 tootsie pop must be yo head,
 how many licks until the center
 starburst must be yo juices
 before I'm done I'll end up toothless,
 or a mouth full of cavities
 I got a sweet tooth for yo love
 and I dont wana never stop having it.

pg. 18

You Came Along

19

never thought I would feel as if all
my pain was gone,
I didn't believe it was possible
Until you came along,
I never loved a woman
I use to think it was wrong,
then everything changed
when you came along
your beauty was like music
you were my favorite songs
I didn't think it could sound so good
Until you came along
your emotions wrestling with my heart
with feelings I can't control,
I was ruler of my emotions
Until you came along
what you did to me was special
my heart,
you made it your home
never thought that spot was for you,
Until you came along
I use to miss you every second

CLEOPATRA CHESTNUT

everyday your face was gone,
 never thought I'd need to see someone so bad
 until you came along
 never thought I'd wish so much
 to be someplace alone,
 with somebody else
 until you came along
 along you came
 and changed my life
 as if you changed your name
 and became my wife
 and our hearts beating as just one sequence,
 one look into your eyes girl
 and I can become speechless,
 you touched a place inside
 not even I thought I ~~could~~ reach it,
 I didn't even know that spot existed
 then you filled it up
 with your erotic essence,
 how you did it I can't imagine
 I was only a thug and you gave
 me passion,
 you kept on tuggin at my heart,

Gerard Chestnut

tuggin at it like a magnet,
 im freaky but i never thought ill wara
 taste a thong,
 now i know victorias secret
 since you came along.
 all my love is gangsta
 like the late capone,
 i use to live only for danger
 until you came along
 something exotic about your hollerin
 the special way you moan,
 i been making sex tapes like a porn star
 since you came along
 along you came now we cummin together,
 these feelings you bring i want
 them forever,

because i never thought id feel as
 if all my pain was gone,
 i didnt believe it was possible
 Until you came along

Eye Talk

13

I dont know where to start,
but your eyes seem to penetrate my heart,
they are filled with beauty and depress
drowning me when you perceive me,
since the first time you seen me
you are all i've been thinking,
i am under a trance,
my heart is controlled by your glance,
even when your not around i am trapped
by your gaze,
each time i see in your eyes it puts
me in a daze,
its always just like magic,
when ever you blink your eyelashes,
just being in your presence
betters my circumstances,
thats why i always ask
how i get where you at,
even if i never do
i want you to know the truth,
you are my Queen,

pg. 22

Gerrard Chestnut

the most prettiest eyes I've ever seen,
 not hazel, not blue, nor purple, or green
 words cant capture the beauty ~~and~~ amidst
 your vision,
 your eyes are like stars piercing my
 greatest intentions,
 when you look in a mirror I know you
 see why,
 I feel how I feel and know this is
 no lie,
 If my words are untrue then nothing is
 right,
 If I cant see you then theres nothing
 in sight,
 if only just once you could see what I see,
 your pretty eyes through my eyes
 you would know you are for me,
 cause you would know why I feel
 this way,
 you would know I'll be here to stay,
 my heart could never become tireless
 from looking into your irises,
 the words I possess would be long as
 the future,

Dream Girl

25

cause you my dream girl
we can go to a dream world,
we can do anything girl
nothin aint what it seem girl,
lets have
sex in the air
grow you some wings girl,
lets make love under water
traveling the seas girl,
cause you my dream girl
I see you off in my dreams girl,
you be fulfilling my every needs girl,
I cant describe what it means girl,
but you make me believe girl,
and when I'm with you I never be wanting
to leave girl,
thats why I be looking for you everytime
I be sleep girl,
cause you my dream girl, dream girl,
showing me things I cant believe I ever seen
girl,
you make it hard for me to breathe girl,
and we conquer everything I want to achieve girl,
you keep me warmer then a sleeve girl,
treat me more royal then a king girl,

24
if I could express being caught
in your pupils,
just to be amongst your views,
there is nothing I wouldn't do,
your seeing as if yours, all into me,
my heart is listening
so just let your eyes keep talkin
to me.

you be more special then a queen girl,
 cause you my dream girl, dream girl,
 we be up in a dream world,
 ima turn into a sexual fiend girl,
 wit some magical cream girl,
 thats gone make you magical scream girl,
 let my tongue do some magical things girl,
 we can go on and on like some machines girl,
 right on the beach girl,
 you aint never gotta stop cummin when you
 release girl,
 oook that'll be sweet girl
 sweeter then tea girl,
 we can jump all over the stars like trampolines
 girl,
 ill be yo Nas you can be my Kelis girl,
 be my Beyonce ill be yo Jay-Z girl,
 cause you my dream girl, we can go to a dream
 world,
 we can do anything girl,
 nothing aint what it seem girl,
 cause you my dream girl, dream girl. . .

Germond
 Chestnut

pg. 26

Mysterious

(11)

Mysterious!

at first I couldn't decide who was prettiest, until I met you with my eyes that's when I became curious, and you became Mysterious, it's something mysterious about your hair, mysterious about the type of clothes you like to wear, mysterious about your eyes, your sexy lips and your thighs, it's something mysterious about your stride, yo strut, the sway of your hips, the curves of yo butt, it's something mysterious about your fingers and your nails, your toes, your fragrance and your smell, something mysterious about your ears, the way your legs looked when you stood in those hills, I became mysterious about the way that you feel, your friends kept walking but you stood still, gave me the number to yo cell, to let me know when we could chill, I called you the same night just to keep it real, but you couldn't tell, or you must've been busy cause you sent me to voicemail, I aint trip I just hit the block to make a couple more sales, you was bad and you knew it, so I had to pursue it, you canceling my calls, that's

How it was seeming, you wasn't answering yo phone, anytime it start ringing, I was getting your voicemail box, so close to your beauty I started feeling cheated, I started feeling stupid, I started getting heated, so I decide to finally leave you a message, like why you tell me to call if you aint gone be answering, why you got me checking for you like I'm stressin, why you got me on yo voicemail like I'm desperate, why you keep running through my mind and I can't catch you, then one day I'm chillin wit my dawgs, I answer my cellphone you say you returning my calls, say you been busy with your studies and all types of stuff, you wasn't familiar with my number so you aint pick up, so now you know, you ask where I'm at and if I'm down to roll, I say for show I'm in Pine Ridge, you say I'm not from Tallahassee how I get where you live, I became your navigation, you became my imagination, I asked if you smoked, you smiled at me like I asked you a joke and said "fire it up!", I say head to the store, when I step out for some blunts I can tell you impressed, by my whole swag and I know I stay fresh, and I blow cash, I bust down a cigarelle and I rolled fast, to get you in yo vibe, we was at yo apartment in the Villas, you wasn't wearing no panse and the pants you had on didnt conceal it, and if I might add they enticingly complemented, that yo pussy was so pretty, you went down on my parts but you never started licking me, I wasn't surprised cause from first glance I knew you was a Mystery.

My Address is always subject to change, being that in this point of my life I am subject to chains, my body is trapped, but my Mind is Free.

As long as yall know my name and D.C.#, you can always find a G. (Gernard Chestnut D.C.# 130146), That'll never change as long as Im fighting for freedom and come up off this prison stint, so Remember that. You got to put that information ~~on~~ into the Florida D.O.C. website. (Fl. Department of Corrections).

As far as my situation, Im innocent. I was railroaded by the State Prosecutor and my Lawyer who was appointed by the State and working conspiratorially with the State to convict me. I was deprived of my U.S. Constitutional Rights and False evidence was created and used against me.

If you want to find out more about that and you can provide any Legal information or support please dont hesitate to get in contact with me.

As Far as this Poem Book "Thug Passion" please feel free to write me and let me know how yall feel about it. IF yall like it then I will Release Part II of The Thug Passion Sequel. Also look for soon coming Poem Book, "Tears down a Bose" by Gernard Chestnut, aka Picasso. Also Urban Book "When Playas get Played," by Picasso. Much LOVE GO OUT TO EVERYBODY.

Sincerely,

Nand
