- 1 A man walks into a bar with a shotgun in one hand and a bucket of manure in the other. "Give me a Beer!" He demands.
 - "Sure thing," the bartender says.
 - The man drinks down one pint in one gulp, throws the bucket of manure into the air and blasts it with the shotgun. Then he walks out.
 - Four days later, the same man returns with his shotgun and another bucket of manure. He walks up to the bar and says, "Give me a Beer."
 - "Wait, I remember you," the bartender says. "What the Hell are you up to?"
 - "I'm training for a job as a state employee," the man says. "You know - drink Beer, shoot the shirt and disappear for a couple of days."

 - "Like what?" His buddy asks.
 - "Last week I asked the train conductor for two tickets to Pittsburgh."

- 3 One day when the teacher walked to the blackboard, she noticed someone had written the word "Penis" in tiny letters. She turned to the class, scanned the room looking for the guilty face. Finding not a guilty face in the room, she quickly erased the blackboard and began her class.
 - The next day, the teacher went into the classroom and noticed, this time in larger letters, the word "Penis" scrolled on the blackboard. Again, she looks around the classroom in vain for the culprit, but found none. And so, the teacher erased the blackboard and started the day's lesson.
 - Every morning for about a week, the teacher went into the classroom and found the same word on the blackboard, each day scrolled bigger than the previous day.
 - Finally, one day, the teacher walked into the classroom expecting to be greeted by the same word on the blackboard. Instead she found scrolled on the blackboard, "The more you rub it, the bigger it gets."
