GOOD DEDICATIONS

- 1.) MY Grandmother, may she rest in Peace. The only person in my life to never leave me hanging no matter what I did with my life. If it hits the fan when I get out, I'll see you again soon.
- 2.) DOMINIC, Alexia, & Layla, my nephews & nieces. I only met yall once in your lives in over 11 years. That was in a prison visiting room I think about yall everyday & hope to be able to get out & be a great uncle. I love yall & hope to be alive & free to watch yall grow up.
- 3.) MY BOY Zion Brown. We be like brothers since the early 90's. Damn were old! Your door was always open to me. I didn't even have to knock! Here in the SHU, you keep me from spazzin out & gettin in trouble. You keep a little extra food in my stomach & you keep that black water! 😊 You already know & got you.  
I got a couple prison staff/cops that I should mention.: Fran Carlin, Director Mental Health, Howard E. Young Correctional Institute - Gander Hill. The only one besides myself who tried to help me get myself prepared for my release over a year before instead of nothing now that I'm in SM/MR. In the SHU, I don't think it matters much now. Thanks anyway. The system needs more people like you. Oh yeah, CONGRATULATIONS ON THE BABY!  
The rest of the staff/cops at Gander who I trusted & felt comfortable talkin to. I won't name names, But yall know

WALTER E. ALLEN & A.K.A. BUNK  
GOOD DEDICATIONS

Who you are. LT's, SGT's, CPL's, Regular c/o's & staff.  
I know you are trained to just spray us with mace,  
lock us down & keep us in a bad way, But there's  
those few who really help. Even when I acted like  
a idiot, you were still there, laughing, But ready to  
talk. You do know once the prison finds out you  
care, you are gone so....

And then there's me, I really want to change even  
though others don't want me to. If I didn't mention  
you here, you are part of that change. That are you on  
the Bad dedications.

BAD DEDICATIONS

Let's start at the top:

1.) Gov. Jack Marshall, All that talk about helping people like me  $\frac{3}{4}$  yet you do nothing. I sent you 2/3 letters talking about no mental health treatment  $\frac{3}{4}$  me becoming a mass murderer/serial/spree killer  $\frac{3}{4}$  I didn't hear a peep from you or your office. but "IADAPT" program sucks! At Garden I'd spend hours with them talking about it. Here in the SHU, I spent 2 minutes filling out 1 form. What has to happen to get people like me help, Jack? At least I know I need it  $\frac{3}{4}$  AM ASKIN FOR IT.

2.) Judge John A. Parkins Jr, your lack of care  $\frac{3}{4}$  concern is even more disturbing. To actually read what I sent you to try to get help  $\frac{3}{4}$  still deny motions makes me wonder if you actually read the stuff you receive. STATE OF DELAWARE v. Walter Allen case ID no: 0304013214. 8-12-13: motion to make this statement a part of the court record for use in the future after my demise; 10-7-13: motion for mental health evaluation  $\frac{3}{4}$  6 months work release switched to 6 months consecutive stripes; 10-10-13: Request for mental health treatment. Denied, Denied, Denied. No hearings nothing. I know I'll appear in front of you for VOP  $\frac{3}{4}$  expect all my back time with no probation. I'm good with that. I'll finally be able to leave Delaware for good!

3.) Robert coupe, DOC commissioner, you ain't got no clue as to what is going on in the DOC if you take

WALTER E. ALLEN JR A.K.A. BUNK

## BAD DEDICATIONS

Sometime  $\frac{3}{4}$  talk to random inmates instead of the ones the Prisons Pick, You might Get a Idea, Oh Yeah, instead of Not Believin inmates, Believe 15% of what You're told Even though 60-70% of what You're told is true ~~as~~ You're world, I just live in it, ~~for~~ Now.

4.) David Pierce, Warden at JTCC, You got no clue what's goin on in this Prison. Do You think it's some Big conspiracy in the SHU that we all Got the same complaints/problems? Even when we can Prove with factual Evidence Beyond a Doubt, we're still ~~lie~~ lying. ~~as~~ You're stuck You can tell it How You want.

5.) Leslie Saxon, "Director mental Health" JTCC, Do You know where the SHU is? There are inmates Back Here with mental Health issues, who shouldn't Be - I have case logs - who need treatment. Sendin someone around 3 times a week just to make sure You're Alive ain't mental Health treatment, You worse than Jack Marshall  $\frac{3}{4}$  the Judge, but Actually in a Position to Help. I have yet to talk to anyone from mental Health longer than 0/3 minutes. Where's the therapy? Where's the 1 on 1 sessions? I like how I can send out "Homocidal" letters  $\frac{3}{4}$  not have to talk to anyone about how/why I feel that way.

6.) Rhonda MontGaneal, Psychiatrist JTCC, You're right there with Leslie only You're so bad at Your job that once a week a Psychiatrist from another Prison

WALTER E. ALLEN JR AKA BUNK

BAD DEDICATIONS

Has to come in AND DO YOUR JOB. I'm glad Peoples lives don't depend on you. Oh, wait, they do. You don't care though.

7.) Peter O Sinubi, that thing ABS Dude from mental Health,  
You come around once or twice A MONTH. You don't talk to anyone about NO Goals or treatment Plans, yet in the 10 minutes you might be in the building, you manage to crank out 35-45 of these Progress Notes/Reports with Goals & treatment Plans on them. That's Amazing. I've Got 3 in my file from you & only talked to you one (1) time for 2 minutes.

If things go drastically wrong, Everyone I just mentioned had a hand in it. The lack of Help/treatment, No way to vent & constant Harassment & lockdown - out 3 hours A week - of the sth does nothing but Build TO over Boiling the Hate, Rage, Anger & Animosity / I have building inside me.

YALL created the monster within!

YALL Armed the ticking TIME BOMB!

UNTIL WHENEVER,

When the fruit has finished macerating, put the water & sugar into a 5-quart pan on the stove & bring to a boil, stirring for 3 minutes. Remove from the heat to a counter. Place a colander lined with 2-3 layers of cheese cloth over the pot. Strain the alcohol into the pot leaving ~~the~~ behind the fruit. Squeeze the fruit to remove all the liquid. - "I want a house in every country in the world," says the wife.
- "Consider it done," the genie says, turning back to the man. "And now for my wish. Because I've been trapped in that bottle for so long, I haven't had sex in a long time. My wish is to sleep with your wife."
- The husband takes a long look at his wife and says, "Well, we did get a lot of money and all those houses. If you don't mind honey, neither do I."
- The wife agrees and the genie takes her upstairs and has sex with her for four hours. After he's through, he rolls over, looks at the wife and asks, "How old is your
