①

A prayer For you By Anthony Teague FZ9555

I pray For you That you'll succeed,  
Too get The Things you want and need  
To never struggle with all your might  
So you'll sleep peaceful Through the night  
I pray all your dreams will be FullFilled  
And own your house, So you'll be thrilled.  
There's not alot of Things in Life  
That usually come True  
But these are some of Those Things,  
That I have prayed For you.

2

A poem by Anthony Teague F29555

A poem can be short  
A poem can be long  
A poem can be right  
A poem can be wrong  
A poem can be written  
In a form of a song

A poem can be written  
Too Tell a person's life  
A poem can be something  
You don't have to like

When I write my poems  
I make all of them true  
Even if my poems  
Are all about you

But poems can express  
How a person feels  
A poem's a poem  
It's not a big deal

③

out of sight out of mind by Anthony Torgue

When your out of sight

your out of mind

This statement is very True

So why do I still think of you

IF I write you letters

you don't write Back

This is not a False statement

This is a True Fact

I call your phone just to hear you lie

Since I'm in here no one hears my cries

I tell myself it'll be just fine

But I'm still out of sight

And out of your mind

④

Forgiveness by Anthony Teague F29555

Forgetting all my sins  
is not always easy to do  
So I'm on Bending Knees  
CONFESSING my sins to you

I've Asked For Forgiveness  
From my Family and Friends  
So will They ever  
Speak to me again

The memories haunt my mind  
And wakes me up in my sleep  
I pray to the Lord  
my soul to keep

Lord hear my prayers  
And Tell me what to do  
I've Asked God For Forgiveness  
Now I need it From you

⑤

Wandering by Anthony Teague F29555

When I have Trouble sleeping  
And I'm Feeling alone  
I Find comfort in putting  
Those Thoughts in a poem

I Think about Family  
and all of my Friends  
Some Things weren't that good  
But That was back Then

I Think of How much  
I Really miss you  
And wonder if you all  
Are Feeling This Too

In order For This  
Too Really come True  
Just be There For me  
And I'll be There for you

6

Twenty years by Anthony Teague F29535

It's Been Twenty years  
Since I last saw your smile  
A memory I've kept  
For quite awhile

It's Been Twenty years  
Since I last felt your touch  
A feeling I long for  
And miss very much

But through all of that  
comes my deepest fears  
That I would miss that  
For twenty more years

7

I'm Sorry by Anthony Teague F.29555

I'm Sorry That I let you down  
I know I haven't been around  
It hurts me deeply to my heart  
So let me see were do I start

Sorry if I caused you any pain  
I'll never break your heart again  
And all these years we can't get back  
But now I've got my life on track

So let me wipe away those tears  
And be there through my dying years  
To prove to you that I have changed  
And I'll never leave your side again

So while I'm down on one knee  
I'll be honored if you'll marry me

⑨

Promises by Anthony Teague FZ9555

You promised Too Love me  
You said That you care  
Through good Times and bad Times  
You'll always be There

You promised That Things  
would only get Better  
You promised To be There  
always and Forever

So Before you open  
your mouth To speak  
Don't make a promise  
That you can't Keep

9

A mother's love by Anthony Teague FZ9525

A mother's love is special  
It's there since your birth  
With God's love is special  
He made you from earth

A mother's always there for you  
when times are good and bad  
REFlect on times you spend with her  
And Forgive her when you mad

Cause she will always love you  
And she knows you love her too  
Because your mother loves you  
There's nothing she won't do

So Take the time you spend with her  
Too let her know you care  
And if she ever needed you  
she'd know that you'll be there

10

Believe by Anthony Teague FZ9555

We all have visions  
We all have Goals  
We all strive To succeed

We sometime need  
Financial support  
Too buy The things  
we need

So always work hard  
And do your Best  
And in yourself Believe  
And in The end  
it will pay off  
Because you just Believed

11

I Believe in Fate by Anthony Torgue FZ9353

I Believed in Fate  
when I First met you  
I Believe in Love  
That's Honest and True

I Believe you should be Happy  
Every day of your Life  
And I would be Honored  
To make you my wife

I Know I Loved you  
From The very start  
Will you be with me  
Till death do us part

12

A mother Knows Best by Anthony Teague F29555

A mother Knows Best in our choices of Friends  
She warned you Time and Time again  
But you didn't Listen when she Tried To Tell you  
That he'd Be nothing But what did you do

It went in one ear and right out the other  
Now you wished you'd Listen To your own mother  
Because That Friend of yours got you in Trouble  
You Think everything is Fine  
But now your here in prison  
And your Facing hard Time

So were is That Friend now  
He's out on The streets  
And won't even send you a dime  
Friends like That are easy To Find  
I Bet you'll Listen To your mother next Time

13

Learning From your past by Anthony Teeple F28555

As I get older I've learned  
From my past  
I had a good life  
But that didn't last

I had a good girl  
And messed that up too  
I've learned a good lesson  
To pass on to you

When you're alone you have time  
To think  
And like a ship  
Your life can sink

So when you have kids  
It'll come back to you  
This knowledge for me  
I pass on to you

14

## A Family's Support by Anthony Teague F29555

I no order For you To succeed  
Your Family's support is Something you'll need  
There Financial help is always good Too  
But The Rest of your goal is up To you

You should never give up and do your best  
Cause everything you learned is Being put To  
The Test

IF anyone can do it I know  
That you can

You no longer a boy your  
Becoming a man

And when you Succeed  
your dreams will come True  
You worked Really hard  
And Im proud of you

③

Getting my G.E.D by Anthony Teague F29555

$$2 \times 2 = 4$$

now divide that by 2

It's Basic math

and easy To do

Algebra is a little

Harder To do

It may TAKE sometime

But you'll learn that too

Division Fractions Decimals

and such

Is probably The Reason

I hate math So much

But all these things

were important To me

So I went back To school

And got my G.E.D

16

I miss you by Anthony Teague F29355

I miss you I love you  
what more can I say  
Your on my mind  
every night and day

Your special To me  
your one of a kind  
I'll never Forget you  
Your stuck in my mind

Your Touch your hair  
your laugh your stare  
Just make me a promise  
you'll always Be there

Do you miss me as much as I miss you  
Do you think about me Like I think about you  
I can go all Day Telling you how I Feel  
when I said I love you I meant it for Real

So don't ever Think dear  
your in This alone  
where in This Together  
I'll see you at home

17

when I'm with you by Anthony Teague F29555

when I'm with you  
everything just seems better  
I want to be with you  
always and forever

There's nothing else I'd  
rather do  
than to spend my dying  
days with you

I'll take that time  
to show I care  
and let you know  
I'll always be there

Nothing will ever keep  
us apart  
cause you're the one  
who has my heart

18

Help From a stranger by Anthony Teague F29555

I've got more help from  
■ The strangers I meet  
Then I've got from my family  
outside on the streets

Cause times are hard  
And you'll struggle in jail  
when your family out there  
won't even send mail

I had a stranger  
who waste everyday  
But she passed away  
in 2008

I did learn one thing  
without a doubt  
I finally realized  
what family's about

It's sure not being around  
through thickness and thin  
It makes you don't care  
if you see them again

## Prisons

Prison is not the place to be,  
Keep committing crimes and soon  
you will see  
They treat you like shit and act like  
your dumb  
Too all of these guards, your  
nothing but scum

You try to stand up, but  
what will that do  
But get you sometime, in  
these R.H.U

When you go to prison, your  
less than a man  
And when it's count time,  
They want you to stand

So do the right thing, and  
walk a straight path  
Or your trip to prison  
It won't be your last

my Inspiration by Anthony Teague F29655

Your my inspiration For  
The poems I write,  
The reason the words just flow.  
A gift I didn't always have,  
I thought that you should know

You also inspired me to love  
Too place my feelings first  
Your the woman that I longed for  
The one who quenched my thirst

So now that you are in my life  
I'll never let you go,  
Not just because you've inspired me  
Because I love you so

I hope that I inspire you  
The way you inspire me,  
And that you'll never go away  
So spread your roots with me
