## Letting You Go Is Hard

We Don't Even Suppose To Be At This Point... You Running Away and me Yelling over Your Voice? It's Like You Know The Ways To Trigger me Sometimes... Guess Sometimes we women can't understand you men - But The Crazy Thing is That you are Always what I Need... I mean, my friend's comment that I deserve Better, or that I should Test Your Love over and over... But most of them don't even have a man... You know what? I'm just gonna stick it out ALL The Way, Just Love You How I've Been Loving You, and Let You Know Each Time we Go Through our Differences That You Have a Strong Carina Woman, That Knows You're a Strong Protective Man?

You may feel that times I tell you that "I'm done with this relationship" or times I tell you "I hate you" I sincerely mean... But girls emotions never change no matter our age... ALL The Things you say when (I'm mad mode) kicks in, ALL The Things I say when you do something crazy, or forget something... You should know by now I don't mean, I love you that much... At times I feel I need you to leave, and I admit some days I might go to extremes... But I hate to give you the EGO BOOSTER of admitting Letting you Go Is Hard...

1)

Hope you now understand that I love you and  
I'm just being a woman that's hurt at times  
~ I need you :)

1)

You Are Somebody... Being Someone does not base itself by material wealth, You Are Somebody By Your Character and By Your Deeds... You should clearly know that you are a proven fact of ALL I speak, Soulfully Guarded within your Righteous Acts - Can Eye's prevent a Tear? Well if not how can I not see your worth? Your Disposition is Rare, No Comparison at ALL... And still you need to understand you can not PLAN To Be Nothing at ALL.

To Be Induced within a Sleep State, Embedded Pains you have Grown, Now Awaken Yourself To Live Strong... I Had a Theme about what I Desired To Be (To Be Desired) But I realised that it was Destined for me, despite if I was Choosing Fame, what's in a Name? Is it Gold-or-Bronze, we Lose a Name within moments... But you can Guarantee they'll still know your Name.

You Are Somebody... How can you not be and still talk to me? You'd be Non-Existent, cause Pain we Have Need To Feel, it combines so we know its Real... You seem to not follow me, well that means you never followed Life, Episodes of Questions asked, Controversial news about who rights it is for first or last, Don't Drop your head around a different Breed... You must continue on, Do what they say, you

couldn't ... And Tell'em

YOU ARE SOME BODY!

# THE ULTIMATE HUSTLER.

SOME ULTIMATE HUSTLERS COME OF AGE FASTER THAN OTHERS.  
CATCHING ON QUICK FROM OLDER SISTERS AND BROTHERS.

THE ULTIMATE HUSTLER WILL ALWAYS FIND A WAY.

FROM FAST FOOD TO SLOW FOOD. BUT OFTEN TIMES LED ASTRAY.

AT TIMES I WONDER WHERE THE ULTIMATE HUSTLER KEEPS THE MAGIC WAND.

MAKING THINGS APPEAR OUT OF THIN AIR WHEN YOU LEAST EXPECT IT.

SOME TIMES THAN MANY THE ULTIMATE HUSTLER TAKES GO UNDETECTED.

WITH SWIFTNESS AND CONSISTENCY THAT MAKES IT SEEM EFFORTLESS.

MOVEMENTS OF GRACE AND ELOQUENCE.

A 1/2 CUP OF FLOUR, AND A COUPLE CON GOATS AND THEY'LL PRODUCE A MEAL THAT'S OH SO DELICATE.

SOME HAVE A FUNNY SENSE OF HUMOR, OTHERS AN UNYIELDING CREED.

TO LIVE LIFE TO THE FULLEST AND PROVIDE FOR THEIR SEED.

TO ME; THE ULTIMATE HUSTLERS ARE THE FEMALE GENDER.

WHERE ARE THE TROPHIES. THEY'RE THE TRUE WINNERS.

HOLDING IT DOWN THROUGH HOT SUMMERS AND COLD WINTERS.

AND THEIR KIDS RARELY MISS A DINNER.

THERE MAY NOT ALWAYS BE LAUGHTER BUT ALWAYS BREAD.

HARDLY ANY COLA BUT ALWAYS HOPE.

I CAN'T IMAGINE THE PAIN YOU, AS AN ULTIMATE HUSTLER MUST FEEL.

BUT YET AND STILL YOU FIND IT IN YOUR HEART TO FORGIVE.

FOR EVERY FAMILY THERE'S AN ULTIMATE HUSTLER.

SO I'M THANKFUL FOR MY MOTHER.

I LOVE YOU MA"

THE ULTIMATE HUSTLER.

## Understand My Love

You never knew a lot of things, because you never asked, and need to realize you may not understand my love... To better cope with my ways at times, you might have to read between the lines... Faith... Is what keeps love alive?

That no matter what we go through, you will have me for as long as we live, and I shall embrace the good and bad you and I share.

Will you realize that emotions are indeed changeable? But at last you've found someone that is not, at least in this life forever means just that and you're first in my thoughts my life.

So baby, words rehearsed take away its power so... I thought I should simply tell you that you are my love before you ever think I don't understand you... I read between the lines and now you do so, understand my love.

## Forgiveness is Love

Always The Same thing and The Same words, we Consciously Doing Things That Hurt Each other... The very People we Love, The ones when no one else cares, Sees us at our worst and tells us "Come Here"... Encircling Arms around us To Comfort our Soul Through many Connections? This Is Love

Sitting Here Doing what I'm Doing now is one of The Hardest Things I've Done in my Life, Admitting my wrongs To Recreate my Rights makes me shed a Tear... Never Thought I could Free my Soul Through a Pen, Truth is it's Been tormenting me since I Hurt you?

Yea-yea? I know we're not the most perfect People on Earth - In fact, Speaking Logically no one is perfect, such as doing things that mean things to the other person, Treating each other with The Utmost Respect?

It's Not About Being Perfect or Saying Fascinating words, It's About meaning what we say, what I say... And what I'm saying is that I want your Forgiveness for ALL I've Done Because I know that Forgiveness is Love?

## Love Within A Bottle

I set in thought of you... Pushing my Thoughts Through A Black Pen, Capturing A Dream From A Realistic mind... Heart-Flow Irregular, This Love is True but yet it cannot Breathe... You see only GLASS Around - The Truth of A Love Behind A Closed Door, Still we Struggle Because This Bond Stronger?

Distant Tears that drop hitting my Soul Hard. The Love I've Chased So Long, Could This Go All Wrong Now? When we have sacrificed our ALL, Sees the Truth when it was Hard-to-Find, held Each other hand Through The Darkness To The Light, Can Two People Free Themselves From Natural Fate?

Old Remedies of Old Times, They Love Within, we don't Love Without - But if we Struggle To Speak, Are we denying Self? To Look & Stare Within Your mind makes me Celebrate The Finer Things... Queen of this Land we are, So I Continue Like we Always do, Pushing This Pen Like we communication... As if This was Going To You...

They say A man Not Suppose To Cry, But why Am I Crying Now? Guess Cause My words Getting Limited, The Bottles Filling up, This Bottle Sure Got many Thoughts huh? But you know what? This way I know The Love Still There -

Love Trapped In A Bottle

## What Any Mother Deserves

She lives within a world that's so simple, All she does is Birth and Protect, she finds the extra strength to go on when needed - Although she never complains of things that affect her? She simply moves on and hopes that the world changes...

She's keen when she looks at you, she knows your thoughts and ease your worries - She's like an ocean when she hugs you... She swallows your whole frame, and when you mess up she knows it's just a pure mistake...

She cooks you the mornings and serve at night! She's old fashioned with it, and when she dances she sways while singing her favorite tune... She has a picture of Hebrew art although she'd beg-to-differ...

She gives her ALL even when she knows it's her last and she's quick to tell you that she love her grand baby... She takes side with no one and she constantly goes to visit her friends...

She could sit on a porch and enjoy pure solitude for all she care, time doesn't exist to her, and when she gets old she acts stubborn - But you step up and do everything she did for you, right back for her... And more... That's what any mom deserves!

## My Dedication to my Heart

The fear in the hearts of man, against an attacker I will boldly take my stand because my heart will show fear for no man...

For a Broken Heart I run with fright scared to be bleed in a vulnerable night. I believe this fear is in every man, some will acknowledge it, others will fail to understand there is no fear in a shallow heart because shallow hearts don't fall apart...

Feelings hearts that truly care are fragile to the flow of air & if I am to be true then I must give my fragile heart, I may receive great pay or you may return it ripped apart...

## Love

So Many People don't understand That Time is Like Rain, That it Shall Stop Shortly... And To Love is our Greatest Pleasure... Show me One Person who Does Not Believe in it, and I Shall Be Forced To Show You Two That Does ?

You See, When There was No One To Turn To, Not A Person That Believed I Could Amount To my Ideal Expectations... When No One was Around To Help me Back Up, I Always Had Love That Never Left ?

Truth Is, Without knowing what Love meant or what it Does, I would Have Never known That The Very Thing it is Acquired For is To Simply Give it Away ?

So Today, Simply Put... I Give it Back to You ?

## Sweet Valentine's

We Barely know that Love Has Reached us,  
Because we Tend To Pass It By,  
Not Understanding The Meaning of Special Days Such  
As This...

Days In which Involve Simple Acts of Sharing,  
Giving out our way, Atleast To Cherish That  
Special Someone within our lives... Taking A  
Glance At our Jewel In which Can Not Be  
Bought...

No... True Love Isn't wrapped in A Box But  
Unwrapped in the Heart Remaining Around and  
About... Making us Smile, Like You're Doing Now &  
I/A See, Love That Tamper with our mind, Body  
and Soul Leaves us Rejuvenated... That's Love  
At Its Finest...

Doesn't Take A Diamond To Bring A Smile,  
Or A Surprise To Give A Hug, All it Takes is A  
Simple Acknowledgement That No One Matters  
More To me, Than You, on this Day, and  
Any Day For That Matter...

Now That's Valentine For I/A?

But What Does That has to do with Valentine? Actually it has Nothing To Do with it Because I would Be Doing All I'm Doing Now For You on Any Other Day... But Why Not Steal Cupid's Job -

## Valentine's Anniversary

Let's Not Even Discuss How Long We've Been Together, Let's Just Focus on How Far We've Come Together?

Everyone Should Know None of This Is Ever Easy, What we Do For Each Other Is Uncommon...

People Tend To Celebrate The Good Times, Forgetting That The Bad Times Is What Keeps The Good Times Special?

They Simply Make us Remember Where There's Struggle, Then of Course There's A Bond...

This Year I Just want to Celebrate Love, You Know Appreciate what Love Is as a Whole?

Simply Let You Know There's Nothing You Can Give me That Your Love Hasn't Already Given me...

Just want to Thank you from The Bottom of my Heart, For Bearing ALL my Tough Moments You are my Heart, my Soul, my Life and you are my Anniversary Celebration?

## ✧ A Love Unspoken ✧

What of a Love Unspoken, questions???

Is it weaker without name, does this Love observe us, do it deserve to exist without a title because I dare NOT share her name, questions???

Does it make me cruel & cold to deny the world of my sweet foward salvation because I chose to let it grow, questions???

People tend to choke that which they do not understand, why shouldn't I be weary & withhold this Love from man, questions???

What of a Love Unspoken, questions???

No one ever knows but this is a Love that lasts & in secrecy it grows...

To me your name Alone is poetry,  
I barely know you & already I can't  
explain this feeling I feel for you...  
I want to see you from the moment  
you leave my side until the moment  
you returns, my unchalant cold  
heart finally has eyes, only for you...  
So now I RISK-IT-ALL just for  
the feeling of you you know me I  
already accept the ridicule in exchange  
for the words you share with me,  
ALL of this & much MORE I will  
do...

I Love you, have I said it today, questions ??? IF I haven't I thought about it so now, I'm saying it to you, since its always in my thoughts I try to make it a habit to keep telling it to you...

These three words has the Power to rule the Heart, mind, & our actions, it can even start or end a War, its make or break what it has the Power to do, I Love You. It's said often, but often is not nearly enough, I Love you because this is the effect of what these three words can make one do, I Love You...

Yes & at times it seems that I Love You more than I Love myself, is that that strange, questions ???

I Love you, is that enough for today, or would you like to hear me say it a little more, questions ???

I Love you & All that you are, & All that you will become, I Love you today, tomorrow, & tomorrows forever...

I Love you, have I said it too much, questions ???

IF I have then I'm sorry but I have to keep on saying it just incase you

19)

you didn't hear me when I said it before...

I Love You, someone should sing that song & say it over-&-over again, A melody dedicated to my Heart, I Love You, man what a thrill I get just from saying those three significant little words, dam did you feel the earth move when I said that, question???

I Love You, is Eternity too far down the road to promise, question???

IF so then I'll just say that I Love you until my Heart say its time to stop, I Love You, there it is again, whenever I think I've said it one time too many, the Heart reminds me that if you can think it but don't say it then it doesn't mean Jack...

## The Daughter's Love...

The love of a beautiful daughter keeps me grounded, helps me focus within and without; Love helps me to complete my mission, but a daughter's love helps me to start another one... In fact, it seems like a young girl enters into a intelligent woman, and the facts are simple, and that's as you get older, I realize that you're not just my lil' baby anymore.

You're becoming more than that. You're becoming a teacher, because you teach me so much more than I would have learned myself, you are an inspirator - you inspire me to do any things (positive) I put my mind to, you are a lil' soldierette because you battle through all odds, and never fail your team. You are Amazing! and there's something that I want you to know.

I also want you to realize that you are brave for standing firm with me and your mother; for always seeing me as the "greatest father alive!", well, I've earned that position, but you've earned even more than that because you've wanted to be the greatest daughter alive... Now if I could only get home at the Grace of the one true Living God...

then I could show you that you are my soul, and that as long as I got you, then I wouldn't need anything at all other than that, cause baby girl, you show me a mother's love...
