The other day I was walking down the street on my way to get a chottle of Night Train when the police stopped me. They said I looked suspicious with clothes on, I was arrested for WW3B (Walking While Being Black). The judge sentenced me to 3 years and chastized me for being black! I can't ever get a break. One time in the liquor store, I reached in my pocket for money and the Chinese clerk started throwing wads of money at me! She said "Now you go!" I didn't know I robbed her until I seen my face on "Africans Most Wanted". I stunt myself in and at the police station, them cops shaved a toilet-plunger-handle up my asshole and pounded it home with a phone book! Lifer a match fo' da black man. For one, why the fuck do we grow pubic hair on our heads?? And two, why we smell so dead?? I mean, I shower every 2 weeks no matter what! And what's our fascination with chicken and watermelon? Don't get me started on my clips. Mine are so big I can pull up my bottom lip and cover my face and head in one fell swoop! God forbid I stick my head out a car window when it's moving, I done near beat myself to def with my own clips! And why don't we know who our daddy's like? Why we all slang crack and pull at our dongs constantly? Why do I throw my shit after it comes out of me? Fuck's up with that? Well, I gotta go braid my dongs before chaw. ults MLK Jr. Day. Hey, why they also serve chicken and watermelon on his day? I don't give a nutta fuck! I gonna get dat bird and melon!

# STAND UP COMEDY OF TAYLER ANNE JONES-MORRISON ⑦

Hi everyone! The clowns at all of the Colorado Bars call me "Vortex" because anything that comes close to my vagina gets sucked in and is never seen again. We have a very strict code that we abide to when dating a man; he has to be in prison. We only fall for the white-supremacists purely for their dead-shiny heads; they slide right into my vortex like a dealer's arm clubbed with K-9 in the old chocolate-factory. There's nothing like an entire head bumping my cheese-factory that makes me shoot velvet-sprouts on my victims' boytoys' shoulders. When I'm not on the fuck-hunt, I stuff watermelons in my abysmal stink-tubes to keep my guts from falling out. It's all good: whenever I get hungry I pop out a melon <sup>and</sup> go to town on it. I call it "CRACK-SNACK", you know, word-play on "Snack-Pack"? Only it's a watermelon heated by rotten putrescent ovaries? I once went to the doctor for an anal examination. The doctor freaked-out that I had a prostate. He freaked out even more when he deduced the prostate belonged to the man stored in my asshole. The doctor kicked me out and called me a "PIG". Who the fuck is he calling me a "Pretty Ignorant Gorilla"? I ain't "pretty". I came real close to opening the ol' Vortex and sucking him in. Instead I vacuumed in his nurse. I like a little pussy now and then. Get it? "Little Pussy"? As opposed to my grand canyon cunt? Anyway, I gotta go fill up the vortex with water. When I'm not fucking, I'm the community swimming pool. Get it? Com. Swim. Pool? Whatever.

# STAND-UP COMEDY OF "PROMETHEUS" ← NATZ AINDELL ⑨

I am a devout white Supremacist and a member of the Aryan Circle in Texas. The other members don't know me. I've never been to Texas, Shhhh. [I] tattoo'd a Swastika on my chest that I didn't earn. I follow the white Supremacist code to the nth degree... Well, I do bend the rules a leeeeeeetle bit; I will befriend any negro, I will talk to anyone, I assault only female cops with my urine and feces, I openly snitch on anyone, I befriend cops and joke with them, I'm serving life for killing a whiteman (my co-defendant is black), I went to rec. and balled up on the ground when a negro hit me, I have absolutely no friends (whites included) because I'm a lame, I make any threat behind a door (it's my shield)... OK, so I may have a few issues, but the psych dept. said I am "Mensa". To sound intelligent I use words like "Sieg heil", "droll" and "Honkey-Donkey". I'm narcissistic and believe everyone idolizes me. My teeth are so spaced apart that I can fit a tooth in between each one. I have to force my lips up and over them due to my horse-mouth structure. My head and facial hair grows in blotchy patches. I'm thinking dreadlocks. Seriously. Neato, right? My victim was an 80 year old man that caught me burglarizing his home. I beat him to death with a hammer. To save face, I tell people he was a child molester. He wasn't. But, I'm Mensa. People believe anything I say. Honkey-Donkey, right? I have high hopes of going to the Feds to do my time. I have "SOLITARY CONFINEMENT BALLS" and believe I will be welcomed with open arms. Honkey-Donkey, MENSA?

# GEORGE "NOT GUILTY" ZIMMERMAN (10)

Fucking Negroes, am I right? As you may know I was just acquitted of killing one. I knew I'd get a "not guilty" verdict. The whole jury were white women. I don't think they knew what the case was about. They were trippin' on all of the Negroes in the courtroom. I heard one of them say, "Oh my god Jessica, are we like in Africa or something?" Anyway, Rayvon Martin had a bullet coming. Seriously man, a black guy wearing a hoodie at night? He practically begged me to shoot him.

you might have noticed that I gained 150 lbs.?

That was just in case I had a black jury and was found guilty. I knew that Negroes like fat bitches in prison, so I pumped up the ol' love hole to accommodate them giant anacondas on a nightly basis.

Did you see my wife? "Hey Shammu! Whuddup?!" We look like two bull seals with fin-hands trying to have sex on the livingroom floor. I broke up with her right after the verdict. "NO FAT BITCHES" is my motto.

The cops gave me my gun back, but kept my bullets. I'm back to playing wanna-be cop. I jump out of the bushes at Negroes-in-hoodies and yell "Pow! Pow!" They run off yelling, "It be Zimmerman!" That shit funny as hell! Hey, did you like that knock-knock joke my attorney told in his opening statement? Knock-knock? (Who's there?) Negro-killer (Negro-killer who?) Negro-killer not guilty bitch! Pow! Pow! Pure genius, right? I thought up that joke. Well, I'm outta here. It's almost dark, which means Negro harassment and a night of fun!

# A Day in the Life of Barrakus Obama: I ①

- 6:00 am: V.P. Biden wakes up Obama as instructed by tickling Obama's balls with a chicken feather and saying: "massuh, you is beautiful when you sleep"...
- 6:04 am: Obama orders V.P. Biden to masturbate his early-morning piss-boner.
- 6:07 am: After climaxing, Obama orders Biden to kneel by the bed and then he pees on Bidens face, and says "you like it, dont you, slut?" repeatedly.
- 6:10 am: Listens to "Niggers With Attitudes" rap-album to remind him of his "Roots" (no pun intended). He repeats his favorite songs; "Fuck da Police", "187 on a Under Cover Cop" and "Da Boys in da Hood".
- 9:13 am: Biden gives Obama a tongue-bath while purring like a cat-in-heat.
- 10:00 am: Breakfast of chicken, grits, pig knuckles + watermelon. makes the C.I.A. dress as Southern Servants wearing black-face with big white lips while serving him breakfast. Calls everyone "Tyroné".
- 11:04 am: Goes to Oval Office. Sees a black man walking by the White House lawn. Considers a Drone-strike, but instead orders the man arrested, deemed "Al Qaeda" and shipped to a prison in Iraq where he is tortured and "accidentally" killed. Then dubbed "Al Qaeda Leader".
- 12:01 pm: Prank calls Michelle and tells her there's a bomb in the car she's in and hangs up.

## OBAMA CONTINUED: II

(12)

Obama and Biden fall on the floor with laughter as they watch <sup>ON TV</sup> Michelle and the C.I.A.-escorts freak out in protection-mode.

1:00pm: Obama calls Congress and asks "who can I kill? lets kill someone. wudda ya say?"

1:43pm: Daughters Sasha and Melliea tell their father how much they love him.

2 seconds later: Obama kicks out the girls and asks Biden who those "Nappy Headed Ho's" are.

2:02pm: Obama plays X-Box 360 with Biden for two hours. "Grand Theft Auto IV" is Obama's favorite game and makes Biden play the Crackwhore.

4:03pm: An emergency "Obamacare Meeting" is called. During the whole meeting, Obama is on Face Book using the pseudonym

Anthony Weiner and flirts with, what he calls, his "white-ho's, bitches and skanks."

6:00pm: Obama goes to the hospital to visit Michelle after she suffered a stroke from the prank-bomb-scare. Obama and Biden stand over Michelles bed and snicker behind hand-covered mouths as they reminisce about the funny prank.

8:04pm: Obama shoots ping-pong balls from his ass and orders Biden to catch them with only his mouth before they hit the ground.

## OBAMA CONTINUED: III

(13)

9:30pm: Biden gives Obama another tongue-bath, but with a "Happy Ending." Obama orders Biden to swallow the spunk while chanting "Dat some goodood chocolate-syrup massa. Yessirree, it slowly be..."

10:05pm: Obama watches Alex Haley's "Roots", feels terrible for Kunta Kente and thanks Jesus he was born white.

12:30am: Biden reads "To Kill a Mocking Bird" to Obama until she falls asleep. As Biden closes the book he says, "Sleep Massah. In da mornin' I finna wakes you wiff tickles of a chicken feather on dem huge juicy boulders of yorn's. Yessirree, um-hmm Show Nough..."

4:13am: Obama wakes up with night-terrors after dreaming he was actually black.

4:21am: Falls asleep sucking his pacifier, or what he calls his "nuk-nuk". Sleeps soundly for the rest of night...

# ALL ABOUT TOILETS

(14)

Before the toilet was invented, life was very hard. When people had to flop a limp biscuit, it was always outside. They said things like, "I have to go to the field" or "I have to use the street", stuff like that. Or, "I need the sidewalk..." or "They were like black people, they'd say, 'I have to use my pants'."

Today everyone uses the toilet. Well, except black people. They poop in their hands and throw it at people who get near them. No one knows how toilets work except me. I went to the library and looked it up in the "feces-section". I learned that when you flush your toilet, your poop and vomit goes down a pipe that connects directly to president Obama's mouth. That explains a lot with him being black and full of shit and all. Not only did I learn of my excrements' final destination; I learned what everything did regarding a toilet;

Toilet Seat: You sit on it and drop bombs thru it.

Toilet Bowl: This is the crockpot where Obama's meals are prepared.

Flusher Handle: When you drop a torpedo, you twist this, and like Fed-ex, delivers Obama a dookie burrito.

Water Tank: This is where Mom stores her beer and generic vodka.

Fart Recycler (optional): This device collects fart-gas and converts it into cheap fuel for poor countries. The U.S. calls them "Turd World Countries" or some shit.

Reading Material: Make sure the mags <sup>are ones</sup> you can look at with one hand in case, uh, you need the other hand...

# STAND-UP COMEDY OF RACINE W/ SHERIFF CHRISTOPHER SCHMALING 18

I owe a debt of gratitude to Captain Douglas Wearing for showing me how to use the departmental-issue Ben-Wah ass-balls. With these sphincter tightening balls shoved deep in my man-cave, I was able to move through the ranks to Sheriff just! I sucked and fucked every departmental-head necessary to reach my status. I am a proud homosexual and many-of-negroids have applauded my dick-grasp skills. Playfully, once they ram that huge bone into my clove-tunnel, I clamp down with my Ben-Wah-strengthened ass-muscles and I want 'em jackhammer my prostate until I let 'em. It's so funny! Them negroes look like spasming coyotes caught in a clamp-trap. My fuck-skills are so adept, that once I feel that radiator hose about to explode in my cum-pit, it's as if I have a gremlin up my shitter with a vacuum. I milk that Iwert tree branch as if my life depends on every ounce of chocolate jizm. I am a proud member of C.E.R.T. (COCK EXTRACTION RESPONSE TEAM). Thanks to Lt. Kevin Brown and his vast experience<sup>OF</sup> anal penetration, I was able to exceed expectations in this field of homosexuality. I could not see the cock monger that I am today without Racine's pro-stance on gay-parades, big negro cocks and analism when it comes to injustice in our court system. I was once "Reamed" thru our system when I was caught screwing my neighbors' pitbull. The dog was totally coming on to me, but whatever. Racine Counties motto: NO COCK IS TOO BIG FOR SHERIFF SCHMALING.
