Girl YOUR SO FINE
 When I first met you I was on CLOYD NINE
 I was so nervous I chopped up my best LIVE
 You are one hot honey
 You got me spending all my MONEY
 I bought you ICE
 I wanted to make you look ~~so~~ NICE
 I ~~had~~ had a fat money CLIP
 When I flash it people TRIP

Girl, I want to get with you
HAIR so FAIR & EYES OF BLUE
 I WISH YOU COULD KNOW WHAT I FEEL
 Girl I'm ecstatic, Girl I'm for real

Girl your getting SASSY
 my perfect FANTASY
 Girl let me get some action

~~Girl~~ You have me spin
 my hearts beating ~~out~~, under the gun
 I feel it's because your the one
 You got me being your fool
 WANTING TO BE oh so COOL
 But all I can do is see you ~~and~~ look at you & drool

You're so fine Glimmering like a JEWEL
BABY'S GOT BACK
 & has a hell of a ~~lot~~ BACK
 Lemme get on my MACK
 I hope maybe
 You'll be my BABY

My father honored our Countries Flag
He Gave his Life he came home in a body bag, 3B
~~May~~ too, ~~he~~ brag, I'd prefer to die
Wearing a "DOG TAG, I've wanted to serve
since I was a Runt, signed up first, to serve
as a Grunt, now A marine I'm fighting on the
~~front~~ front, I'm a fighting man, I may just
kick you in your city, I know ~~at the way~~ from
hand to hand combat, to how to operate A
GATT, when my SARGE was hurt very badly,
I pulled him in our BRADLY, he said exactly
what I hoped what he intended, he said
"I'm heavily deperded, your tour is extended.
In a hopeless firefight, I pulled rank, radioed
a NZAF tank, ~~then~~ then quickly aimed my
50 cal & gave the trigger a Yank, on
a black night pitch dark, my sniper 7.62
found its mark, I honoured my father, being
part of the 60th draft, upgraded to NAVY
Soldier Amphibious Landing CEATT.

Now in The S.E.A.L.S we don't fail
we're going to war full scale
One Time I went A.W.O.L.
& I got into a Brawl
The guy couldn't even crawl
Now he takes a regimen of Phenobarbital
He told the Doc he felt like he hit a brick wall
I've been fighting since I was a little runt
Maybe that's why I joined up to be a grunt
Now I fight on the battle front
I joined this Faction
- just to see a little more action
our Armada
It's been to Grenada
you aren't bad
if you haven't fought in Bagdad
we rely on M.R.A.B
I fight alongside my brigade
couple of times I had to use a grenade
in an American
who just happens to know how to use a .50 caliber Machine Gun
We kill so many we get the enemy on the Run
But it's not over till it's said & done
& this war we'll have won

Today, I met this HOTTIE

She drives a MAZZERATI even think to
she's so bad, she would ~~never~~^{no} ride SHOTTIE
Cuz, she grew up GOTTI
she can take 'em out all ~~alone~~ ALONE
she's bad ~~at~~ ~~the~~ way to the BONE
When she's in the zone

she's ~~the~~ bad like Al Capone
~~I bought her tens of thousands~~ hell's
I bought her ~~thousands~~ of cars of ICE
I MAKE her look really NICE
oh yes I pay a hell of a PRICE
she dresses in Leather & LACE
MAKE's up her Georgous FACE
I've got a fat money CLIP

At midnight I cruise the strip
~~When I walk upon you in my~~

I'm cruising the American Autobahn
You see me now, then I'm gone
I'm cruisin' with my hot honey
she spends all my MONEY
her bodies bangin
I hoped she don't leave me hangin

My soul had once been BLACK
I thought I was cool dealing & smoking CRACK
I thought I was a real man who'd have your BACK
never back down & talkin' SMACK
BIG MONEY, DADDY WARBUCKS WITH A FAT MONEY STACK
BUT THAT LANDED ME A TOUR OF PENITENTIARY
WITH CONVICTS DOING CENTURIES
IT'S A WHOLE DIFFERENT BALL GAME
I THOUGHT I HAD GAME
but, the cons put me to SHAME
I'm like I was a LAME
They taught me the school of hard KNOX
GAME learned from bustin' ROCKS
It's easy sitting on the street corners
chilling, chilling & making a KILLING
but doin' it here
striker into a man's heart & finit with FEAR
First JUNKIE STARTS A BRAWL
only one's going to take the FALL
He said "DOC I FEEL LIKE I HIT A BRICK WALL
Now HE TAKES POPS Phenobarbital
I warned him, told him don't EAT SMACK
OR WHEN I BUST YOU UP I WON'T HOLD BACK

What have I done to deserve to be saved? ⁵¹⁴

know that with Gold my streets in the hereafter are
shined?

I know I am a sinner, but with your blood I'm made
a winner.

I know for my sins & others' sins you died on the cross,
for this I make you my boss.

~~Lord I pray many will hear your call!~~
~~I pray that number will be all!~~

Lord you said to one another be kind
& a mansion in Heaven you will find

Lord allow me ~~to~~ unto every nation
to preach of your love & ^{the} salvation

I know that you love us all
I pray many will hear your call,
~~so that into hell they don't have to fall~~

Let's ask the Lord to forgive our sins of the past

so we may have love in our hearts that will last ~~at least~~

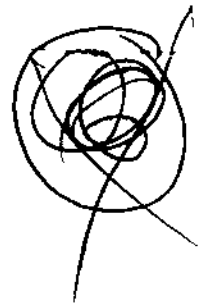

~~Lord I know that your blood did flow
& you died for me & the world to know~~

Lord Indeed your blood did flow
so that love we would freely show
~~& your love we would have to know~~

LOVE we'd sow

Savior, our parents taught us wrong from right
so we would be pleasing ~~to~~ your right

~~& love in you our paths be given~~ So ~~all~~ paths
would be lit with light

Lewis was a Legend but now he's gone
Now he's in HEAVEN with Jesus, worshipping on & on
while on Earth he ~~was~~ wished he didn't have all these
problems in His Head.
But ~~was~~ he's glad the world said Crucify him dead!
~~But~~ only for Christ, would he live
while on Earth he wouldn't think twice to GIVE &
to Give

He knew Jesus died for you & me
So our hearts would be sin free
So when ~~past~~ we pass on we worship in Heaven
for ETERNITY

Don't be a loser & a sinner
Just accept Christ & be a winner
For NOW IT'S AS IF YOU'RE LIVING THE DREAM
but later on the tears will stream
Until in Your Agony you SCREAM & SCREAM
Don't be a Loss
Joyously worship the one who died on the

CROSS
Read the Bible & let your mind see
Great things of wisdom You will know
Jesus is GOD'S ^{son sent} ~~son sent~~ FROM ABOVE
SENT Here to ~~our~~ ~~show~~ show us how to LOVE
He instructs it's not too late
to take away the infirmity hate
& let loose Love FLOOP GATE
& Christ died for me & ~~you~~ you
All of us he knew
would he include in his heart
that's TRUE

In the Heavens I was the brightest STAR
I have Nukes on sea's A¹FAR
The Angel of Death stays Near
& fills the Hearts of men with FEAR
I ride a pale & Ghostly Horse
I kill without remorse
I killed Legions in my WAY
with their Lives I make them PAY
In Ancient times I killed them with swords
by the thousands & driving Hordes
I TAK what GOLD & SILVER I WANT
& send their survivors to the BATTLE FRONT
I AM the Grim Reaper
I send the dead to Hell's keeper
I AM the Prince of the AIR
right out of your worst NIGHTMARE
I will ~~send~~ drench the CAMP with blood that is
dark ~~red~~ so much you won't be able to count the
DEAD
I TAKE the Cartles of the King of the EARTH
All the merchants give me a wide BEARTH
For the dead its too LATE
they've already entered thru Hell's GATE
It was written in their FATE
CALL The warning thruout the CAMP
Armageddon closed to HAND

~~I taught me how to ROLL~~
~~to the mob, PICO is where it's at~~

Told me doing Life without PAROLE
IS BETTER THAN ~~BE~~ LIFE without A SOME

Those who worship you ~~are~~ ^{worship} ^{the} ^{king}
Let us praise ~~for~~ the LORD

& sing of one Accord
Praise God for He brings joy
to every girl & boy

More than a priceless Toy
FROM YOUR STRIPES Your Blood Did FLOW

So ~~that~~ YOUR LOVE WE KNOW
WITH SATAN you went Blow for Blow

Toe to toe
& reminded us what ^{we} ^{help} ^{we} ^{saw}
~~you~~ you were given a Crown of thorns

& oh how many mourn
Your ~~disciple~~ ^{disciple} warns
Of the second death

worse than being without breath
For eternity
our sins forgiven from the tree

how our debt is set ^{free} ^{breath}
& we're given ~~back~~ ^{from} ^{from} ~~you~~
Your heart for ~~all~~ ^{Life's} ^{key}

Cruise the American Autobahn ①
Riding Hard & Fast, you see my taillights
then I'm gone

I'm on A RUN
From sunrise till the setting SUN (3) (20)

All you see is my TAILLIGHT
I'm here, then I'm out of SIGHT
My ride has ~~one~~ one thousand Horsepower
I've been clocked 270 miles an Hour

~~Blazing~~ TRAIL, it's as if you're slow and
SWAY blasting by like a Nor Easter Gale

In the end I'll win
Gunning my Engine

My ride so Damn Fast
Everybody ^{ever} comes in LAST

I'm here, then I blow PART

I'm having a BLAST

I slam the brakes but go on & on

I'm here, then I'm gone

Cruizing the American Autobahn

When my Engine reaches 3000 degrees Fahrenheit
& the gasser Ignite, you see me then I'm out to
SIGHT, All you see is my blatted TAILLIGHT

I'm a fighting man
Watch it buddy, I might just kick your can

I'm part Cheyenne

I fought in Bhutan & Sudan

The enemy ran

When they saw our Caravan

When I've seen this side of danger

I'm an Army Ranger

When you see me I'm no stranger

In an intense firefight I pulled rank

The enemy I knew I had to flank

So I radioed an M1A1 Tank

& gave the trigger on My .50 & Yank

This little bit of warfare

Don't give me the ~~best~~ smallest snake

One night it was Pitch Dark

but my 30.06 found it's Mark

In Combat

My Gatt goes Rat-A-Tat-Tat

Boy it spat

The boy's nicknamed me "The Slayer"

because the Enemy doesn't have a Prayer

I fed the enemy full of lead

Till the last was a casualty or Dead

Sarge said our tour was extended

He said ~~we were the only ones that were dependable~~ on us he depended

When my Sarge was hurt Bodily

I pulled him into our Bradley

I was a part of the Last Draft

Now I'm disembarking from our S.E.A.L. Landing Craft

I'm can sure Brog

That I'd rather die wearing A Dog Tag

Before in the Army I was Rag-Tag

~~Now in the Marine~~ In the Marine I honored my Country, R Lag

I realize I might come back in A Body Bag

In My Camouflages

Look like a Mirage

So we don't engage A barrage

but we could still handle it with our entourage

When I used to listen to GANGSTER RAP
I thought I was cool telling off mo'fo's dont make
me SNAP, ^{really} Like I would bust a CAP

Young G, already headed to the PENITENTIARY

real OG in the Penitentiaries
Doing centuries

I thought I was hard
till I hit the prison Yard
Some doing life without PAROLE
but staying out of the HOLE
that's the way a OG ROLL

The OG learned hard ways in Penitentiaries
NO CHOICE when you doing centuries

The school of HARD KNOX
Not busting CAPS bustin' ROCKS
Life without PAROLE

is better than DAMNING YOUR SOUL

~~the hard~~

When I used to think I was an ~~old~~ "O.G."
when I landed hitting the Ground in ^{SAN} Quentin Penitentiary
I thought differently
Going to the school of Hard Knox

Burtin Rocks

I Learned a whole different ball game

Now I'll never be the SAME

I rolled in doing 18 to life with ^{the} possibility of PAROLE

I thought I was "G" going in & out of the HOLE

Real Life taught me that's not how to ROLL

Acting like we're hard

Showing colors ~~acting~~ on the Yard

Well the MAN is hip to any "fresh meat"

For years he's ~~walked his beat~~ been walking his beat

& it isn't any way to be

Just "acting like we're bad" in the Penitentiary

O.G. showed it was growing PAINS

It pours like FALL RAIN

~~Cleaning the spirit like it does the PAINS~~

Learned a lot

Got off the pity pot

didn't want to ~~rot~~ my soul to rot

They taught me

The best life is one where I'm ~~totally~~ free

Not just from the Penitentiaries

Those O.G.'s are doing Centuries

~~of hard time in the Penitentiaries~~

I was released after 2 years

As I left I cried an ocean of tears

saying my last goodbyes

tears rolling down my eyes

I knew how how to act
I made A PAET
O.G. said "Don't come back."

Ron always wanted to be a ROCKSTAR
& play ^{on TV} his steel string GUITAR

he started in his teens in a BAR

Now he lives in notorious FAME

& nothing about him is the same

Everybody ^{worldwide} knows his NAME

He's got a ROCKSTAR hair style

& makes millions just to SMILE

in photos he's ~~immaculate~~ got a perfect profile

So he put all he had & replaced real hair

he couldn't hear himself, muffled by the cheering

CROWD

Now he buys ICE

At a million a pop is the PRICE

He makes his hoes look real NICE

Dresses them in LACE

makes up their pretty FACE

My money clips FAT

My bodyguard pack a GATT

Honey don't trip

When I break out the 10 G clip
