ACT I

(Man)

Off-stage (disembodied) voice

1. I sojourn alone

me baggage I, fly and  
forward unknown I  
crash, vagaries of Man

2. On the long road home

in God We trust  
ashes to ashes  
and dust to dust

3. Throughout life We roam

from dawn to dusk  
We do what We can  
We die when We must

We do what is right, simply because,  
it is the right thing to do

4. Boys flourish to men

one nation under God  
with liberty and  
justice... for all

Ab natio divina

Justice, just ice, just us

5. Life is fair and... peace!

Begot through violence?  
The voice of conscience  
needs quick, be silenced

(Shout, in distance (like a megaphone))  
Just move along new citizens

there is nothing to be seen... here

6. Traitorous shout

"A New World Order"

Police State without  
constraint or borders

(Whisper)

We need law and order

(Spoken)

This is all for Your own good

(Second voice)

Quis custodies ipso custodes?

7. Small sacrifice paid

for future world peace

freedom now laid in

the grave secure wreath

8. And Democracy now hides

behind bulletproof glass

blind leading blind

O' what a laugh

Cannot ignore the past

9. Slag heap of justice

tomb of innocent

profitable bust

Due Process contempt

10, Immune are those who

commit crimes... to convict

truth sacrificed ruse

statistic conscript

11. Buy false evidence

or none at all

on any pretense

Constitution pall

12. Trial by cop and  
accusation be guilt  
clear des pot ism  
by pure chance dealt

Now serving number 16,777,216

13. Medea sashays  
the system corrupt  
killing all love  
She plays out her part

Not the system, but people who are  
corrupt

14. Possess or destroy  
her grip on my heart  
She murdered my boys  
just for a start

15. And when She is done  
the State foots the bill  
like fools They did run  
in straight for the kill

16. Un ad visable  
is a jury You see  
for convict They will  
this charge certainly

A short, quick, sharp shock

17. Guilty 'til innocent  
so You see, there's no need  
for any evidence  
just go quietly

(Shout)  
(Easy now...)

..... That's it  
Hit 'im ag'in, 'e's still floppin'  
'round  
A bit... There now... That's it  
We got 'im now

30. Now much later on if  
the tool that we made  
sees through the grift  
of reality raped

31. It is of no concern  
and of little import  
little lives burned  
for the last resort

32. Altar of vengeance  
where Truth is lost  
beast gorges intent  
at the juggernaut trough

Prepare the sacrifice

33. Infanticide, Medea metes  
the great and amazing  
Golden Fleece... shorn  
naked, sheeple bleat

[Lights out]

Medea and Jason had two children, and lived happily in Corinth for 10 years. Then, Jason fell in love with Glauke, also called Creusa, the daughter of the King of Corinth. Jason left Medea and prepared to marry Glauke. Medea gave her rival a magic robe, which burned Glauke to death, when She put it on. Then, to spite Jason, Medea killed their two children and fled to Athens.

18. Pure formality

a pro forma trial

just us on T. V.

placebo smile

(Spoken)

For the camera society

19. The rapist -er- the Therapist is in

five cents on the dime

We recovered these

memories just in time

We need a little mind fuck, please

20. A little hypnosis

dream diaries

We can save children

from paternal dis-ease

21. Such a bad man

Father figure You know

on the gallows He stands

to prison He goes

Hang him high on a string of lies

22. At trial You must

never look at his face

or You will forever

know this dis-grace

23. He did it to others

We will tell You that

He did it to Mother

and that's a fact

24. Just tell this story.

Won't be long, now

We'll do the rest

no need to worry

just do Your best

25. We know it hurts to

betray Your old Dad

We just need some dirt

See, it wasn't that bad

26. Soon enough, it'll all

be right as rain

You won't realize

We played mind games

27. We'll isolate You

from uncles, Granddad

now You never knew

the family once had

28. And just to cement

any clue to Your pain

Our best instrument

We'll change Your last name

29. Now Dad's prison bound

for the rest of His life

Mom won this round 'cause

You twisted Our knife

30. Now much later on if  
the tool that we made  
sees through the grift  
of reality raped

31. It is of no concern  
and of little import  
little lives burned  
for the last resort

32. Altar of vengeance  
where Truth is lost  
beast gorges intent  
at the juggernaut trough

Prepare the sacrifice

33. Infanticide, Medea metes  
the great and amazing  
Golden Fleece... shorn  
naked, sheeple bleat

ACT II

(Man)

34. I am dead... yet alive

Drove insane with Their lies

I am torn deep inside,

through Hell's darkest night

I ride

35. I am love that is lost

heart hung on a cross

stone covered with moss

I cry what the cost

36. All I love in this world

is now pain I endure

the only cure is

my love remains pure

(Whisper)

Father forgive those who have sinned  
against me, even as I pray for for-  
giveness of my own multitude of  
transgressions

37. Yet my heart lay in ruin

locked inside this cold room

succubus dance Black Moon

wolves howl, hungry tune

38. I am free, yet entombed

though society soon

will my body consume

in a cannibal swoon

39. See Your plan, I'm amazed  
tortuous pain You create  
as the sheeple They graze  
complicit innate

40. Wander enhazed  
blinded by blind hate  
insipient age  
Daemon initiate

41. Rabid sacrifice  
Build another case  
rage You incite  
inhuman ingrate

42. All beauty desecrate  
Your thirst never sate  
warehouse, incarcerate  
daily fresh flesh incarnate

You raise 'em, We cage 'em

43. And the Media tools  
inseminate fools  
branded in schools  
myopian duel

The fallout of war  
You scream for more  
lambs in a flock  
sacrificed... tick-tock

44. Breeding fear is cruel  
chaos congruent  
mime becomes fluent  
in bovine excrement<sup>1</sup>

And still You wonder why

A tortuous proposition

<sup>1</sup>(excruciate & excrement)

45. Your own lies You believe  
darkest death that You breed  
poison words conceived  
justifying Your deeds

100,000 women and children  
murdered on foreign soil  
Made in U. S. A.  
Karma is a bitch mistress

46. I weep for Your souls  
damn nation seed grown  
Reaper - home grown  
antithesis known

ignorance dance trance Tardemah  
(תַּרְדֵּמָה)  
Gen. 2:21

47. False witness You preen  
You set up the scene  
make nightmares of dreams  
parade of insane

48. Clowns on a team  
every one too keen  
Your evil serene  
Herculean scream

O' woe Coulrophobia

I have seen You  
(overlay) (unison)  
|Make the strongest man| scream |screams|

49. Long journey I've walked  
free me from this rock  
mortal coil tick-tock  
unwind the clock

(Whisper)  
But where does..... time go?

50. Void womb now unlock  
Tempest's fate arrow nock  
Time flies away lost  
nefarious wrought

51. Consanguinity

irrecusable

inseparable

Ad infinitum

Forever... I love Thee

52. O' life in my blood

shooting star high above

cross a sky of deep mauve

Fertile Earth a light love

53. Born free in this land

belief needs understand

infant knowledge and

corruption of Man

54. Liberty diseased

titubation crazed

for Man has designed

Constitution dis graced

Man has designed to surreptitiously  
accomplish the very Evils which the  
Constitution prohibits

55. You can never go back

once the Death Bell knolls

Bill of Rights attacked

nugatory toll

You spit on the dead bearing up Our  
Flag

56. Forgive those who choose

to love hate, and confuse

Rush in rabbit fools

drowned conscience imbued

57. May my heart consecrate  
Your every ill fate  
and in love re create  
the sacred embrace

58. Reveal love now  
transubstantiate  
ad sum divina fatio  
peace be consumate

59. Lost in space, on a  
little grain of sand  
embroiled in hate  
megalomaniacal plan

Warning!, Will Robinson, warning!

60. Camera obscura  
incessant furor  
inverted world  
illusory pearl

Of great price

61. Criminal clubhouse  
cloaked as a Court of Law  
insolent subconscious  
Fascist see-saw

(Scream)

Fucking mirage, my rage

Burn the page

62. So tired of playing  
so tired of it all  
Its' poison degrading  
my spiritual call

I John 4:7-8

"Beloved, let us love one another:  
for love is of God; and every one  
that loveth is born of God, and  
knoweth God."

"He that loveth not, knoweth not  
God; for God is love."

63. Angel of Mercy,  
please, set me free  
body dissolve.. be  
peaceful entropy

Matter doth curse me

64. Sweet God reborn  
take my soul away  
that I may return  
to breath: To pray

65. Angel of Death be swift  
sweet merciful kiss  
kill me quick  
ne plus ultra intuit

66. Dear God hear my cry  
liberate me tonight  
Thou who art born... and die  
the prayers of Israel

(Whisper)  
Within

Those who struggle with God and  
prevail

67. For all I love has died  
turned into hate before my eye  
the very last tear, cried  
as You into their ear whispered lies

68. A fate worse than death  
They did certainly die  
You eclipsed the truth  
You poisoned Their lives

69. And every one has  
a story to tell  
Mine is the lone road  
traveled through Your fiery Hell

Warmed the cockle of my heart -  
... really

70. Sweet Angel give me wings  
light upon me grace tonight  
heart fulfill love God brings  
open my eye o' perfect sight

71. We can only know  
the future to be  
by seeing the past  
with eyes that see

By being patient  
We search for truth, but know not  
when We find it

72. The silent witness  
in mime testifies  
of freedom imprisoned  
deep in Your mind

73. While in mute complicity  
You idly stand by  
paying the Henchman  
to watch me die.

| (overlay) |(unison)|  
Silence is the voice of complicity

Such was macabre theater We played

[Lights down (out), Pause]

This Evil, against which I must  
prevail, is overwhelming. And yet...,  
against It, I shall prevail and  
overcome. For by Their own hate,  
They shall be consumed, and by the  
truth, Their lie undone.

[Pause]

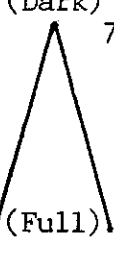

ACT III

(Man)

(Whisper)  (Shout)  
But .....I am alive!

Lights  
(Dark)

 74. O' banish me heart

dream from the cold

merciless grip of

sweet poison's gate

75. 'Tis... a precious love

Who comes now of old

an ancient fire ... dances

upon each breath I embrace

76. Beauty, the cruel mistress

Who, with cunning bold

kisses me, with such cold lips ... trips (Whisper)  
Wick'd Enchantress

this is, passion's double fate

77. That blind, silent unfold

the Mime's tormented hold

the sheer face, told... of chosen

ignorance - goad my only mate

78. A serpent, twisted tongue tart

'Tis non, yet never abated

Myrmidon ... dead man

truculent fool, of this World

79. Entangle now, the Righteous,

with weary sleep, heavy obfuscated,

the Truth slandered ... a pandered,

Black Mass mangled, a cur

80. By sum moronic consensus  
myopically cre' ate' d  
without ruth upon the imaginable  
is violent reality hurled

81. Those who can see, being...  
warehoused, thought confiscated  
as the deadly cocoon of  
transparent erosion furl

(Whisper)  
ineffable

82. In this nefarious morass  
doth I, tempt to live  
carrying the pain of  
One ... cur'sed be, this sight

83. Walk I, the precarious path,  
dance, teetering on the edge  
Twain another's intercourse  
a terse moral suicide

84. Imposing militated conformity  
a hawkish dis'ease that spread  
stalking my soul, 'tis worse  
than a slow death I died

85. 'Til, with God's strength a last  
mortal breath still I enlived  
and into yon Reaper's deep  
pitch black night I cried

I am love manifest.....

(Amadeus Manifestus)

I am alive!
