 Nevech - By Dominique A Holmes ~12-2013~

I know Youre Watching Down On Me And I Know You Arent
Proud Of Me

Im Sorry I Didnt Have A chance To Be A Dad
Eventhough I Know You Were A Part OF Me

Since This Is A New Start OF Me

I Will Make Sure No Matter What Your Mom Never
Parts From Me

And

The Day That I See You In Heaven
I Ask

You Not Make It Hard On Me

Dominique Holmes - Nevada

Sitting In A Cell Thinking If She Can Tell That When I Fell The Love Got Really Real
And What I Tell Her Is What I Feel And Not Just Because Im Sitting In This Cell
Or Because Im Waiting For Mail However Things Got Really Real
But Everytime I Tell Her How I Feel I Hope It Gives Her A Chill
And Speaking Of The Real This Is A Poem I Did Not Steal
So I Need You To Know The Pain Is Instilled On My Heart Forreal
What I Feel Cant Be Erased With A Prescribed Pill Or Even At Full Scale
And With All The Money In The World Iont For Sale
Or I Woudnt Put It up In Place Of My Bail
So Im Gonna Sit In This Cell Thinking About The Time That You Felt
What I Feel Because Time Can Only Tell If Our Love Will Prevail

My Stupidity Caused Me To Almost Lose Someone
Dear To Me

Now That Its Clear To Me Everything We Share
Is So Sincere To Me

The Pain Is So Severe To Me That I'll
Verily Make Her My Queen

Now Whats Clear To Me It Pumps
So Much Fear In Me

That If Shes Just Hearing Me
It Isnt Meant To Be

My Heart Bleeds Blue

I Know Your Favorite Color Is Too

I Remember When You Loved Eegore

I Never Admitted I Love Winnie The Pooh

Those were The Old Days When I Didn't Tell You The Truth

And

Im Sorry That "who" That I Took For Granted

Because It Didn't Have To Be You

I Never Realized That When Mom Opened The Door

My Family Was You

Until I Woke Up

And

By My Side

I Couldn't Believe

♥
fiv

It

Was

You

Your My Butt Butt And Im Your Nique Nique
I Promise To Never Let Our Friendship Deplete
Our Memories Are Something We Cant Just Delete
I Cant Buy Your Love But I Wish I Had That Receipt

With You We Would Make History

What I Tell You And How I Feel
Still Doesn't Make Sense To Me

Being That It's Real
And Not Simple How I Feel

Please Don't Take It Away From Me

Why Doesn't It Rain

Because The Day That It Rains Maybe Your Mood Will Change

Why Doesn't It Rain

Just For A Change And Wash Away All The Pain

Why Doesn't It Rain

So It Doesn't Feel The Same When I Tell You I've Changed

Why Doesn't It Rain

Because At Night When It Hits The Window Pane

And Our Sleep Patterns Change The Day After It Rains

I Vow To Still Love You The Same

Liv I know That Your Love Was Sent From Above

ε

Since I cant see The Bird That Reminds Me of You

I cant Tell You If Its A Dove

ε

The Flower I was Going To Give You Contained

A Lady Bug

ε

If Mom Told You That I Was Your First True Love

Can We Revisit The Past By The Water

When I Was Given My Last Real Kiss When

It Should Or Been A Hug

I Got My Mind Made Up

ε

I Wont Be Turning Back

In Fact To Keep It All The Way 100 Thats A Fact

ε

W's Going Back To That Moment

In Fact You Were To Layed Back So I Took Advantage

ε

Didnt Stay Strapped

ε

When The Time Came I Knew The Time Frame Was
Exact, However

With My Mind Frame At The Time It Didnt Impact

I Never Thought the Feeling of Love
Would Amount To This

Love Is A Feeling That Cant Just
Be Shut Out or Dismissed

The Cards And Letters You Wrote Me
Shows Me Im Someone
You Miss

Well See If When I Hit The Bricks
With Just A Seal Of A Kiss

Everynight I Look Into The Sky And Wonder
Which Is Her Star

When You Were Committed I Played You Close From Afar

Maybe Its So Far For You To Believe
You Think My Love Is On Mars

Or Maybe You Are Really Scared To Revisit A Broke Heart

Dominique Valera - Nevada

True Love May Fade

But

It Never Totally Goes Away

And

If There Was A Time & Place

I Would Have To Say

Today

Forever

And

A Day

Why Does It Get Colder Than Steel
Why Do The Days Seem Longer
When I'm Thinking Of A
Home Cooked Meal

Why Do I Feel What I Feel
This Can't Be Something You Just
Make Up If You Feel
What I Feel

Love Is Pain & To Change Is Something That For Sure Isn't
The Same

When I Regained Consciousness I Realized Love Is Better
Than Money & Fame

Without Love I Wouldn't Be In The Cell Writing Poems

Because It's Not Something So Easily Contained

So Being That Love Is Pain I Know That When

You're In Love With Someone You're

Expecting The Same

When Sparks Start To Fly
I Aint Gonna Lie
It'll Remind Us Of The 4th Of July
Not Saying The Ride Is Gonna Be Easy
Cause Then I'll Be Telling A Lie
So Lets Give It A Try
By Making It A Team
With A You And An I

I know Its Hard Swallowing This Pill
In Reality I Cant Take It Back
For A chance At The Real
All The Pain Is Something I Feel
It will Get Greater Later
thats A Promise Forreal

I Remember The Day When You Took My Breath Away
I Remember The Way You Make Me Feel Still To This Day
If There Was A Way I Wouldn't See It Any Other Way
If There Was A Day I Would Have To Say Today
If I Caught A Case It Would Have To Be For Loving You
In Every Single Way
If Your Love Was A Race I'll Let You Take First Place

If You Decide To Fall Off

My Love Cant Just Be Called Off

From Noone You Cant Just Be Bought Off

You Got Me Open And I Feel So Soft

Know What Because Of You I Dont Care

Its At All Cost

Since You're My Best Friend I'll Never Leave You In The Wind
Matter of Fact, Since You Entered My Life Again
I Wanted To Be With You Ever Since
It's Something Down The Line We Can Show To Our
Family And Friends
It's Not About The Love We're Without But The Love That's
Within

Dominique Holmes - Newch

Ignorance Doesn't Mean Innocence
When You're Given A Chance As A Child
You Become A Man And Do It Again

You Just Become Ignorant
And There's No Defending It
When She Leaves Again
